memento mori-

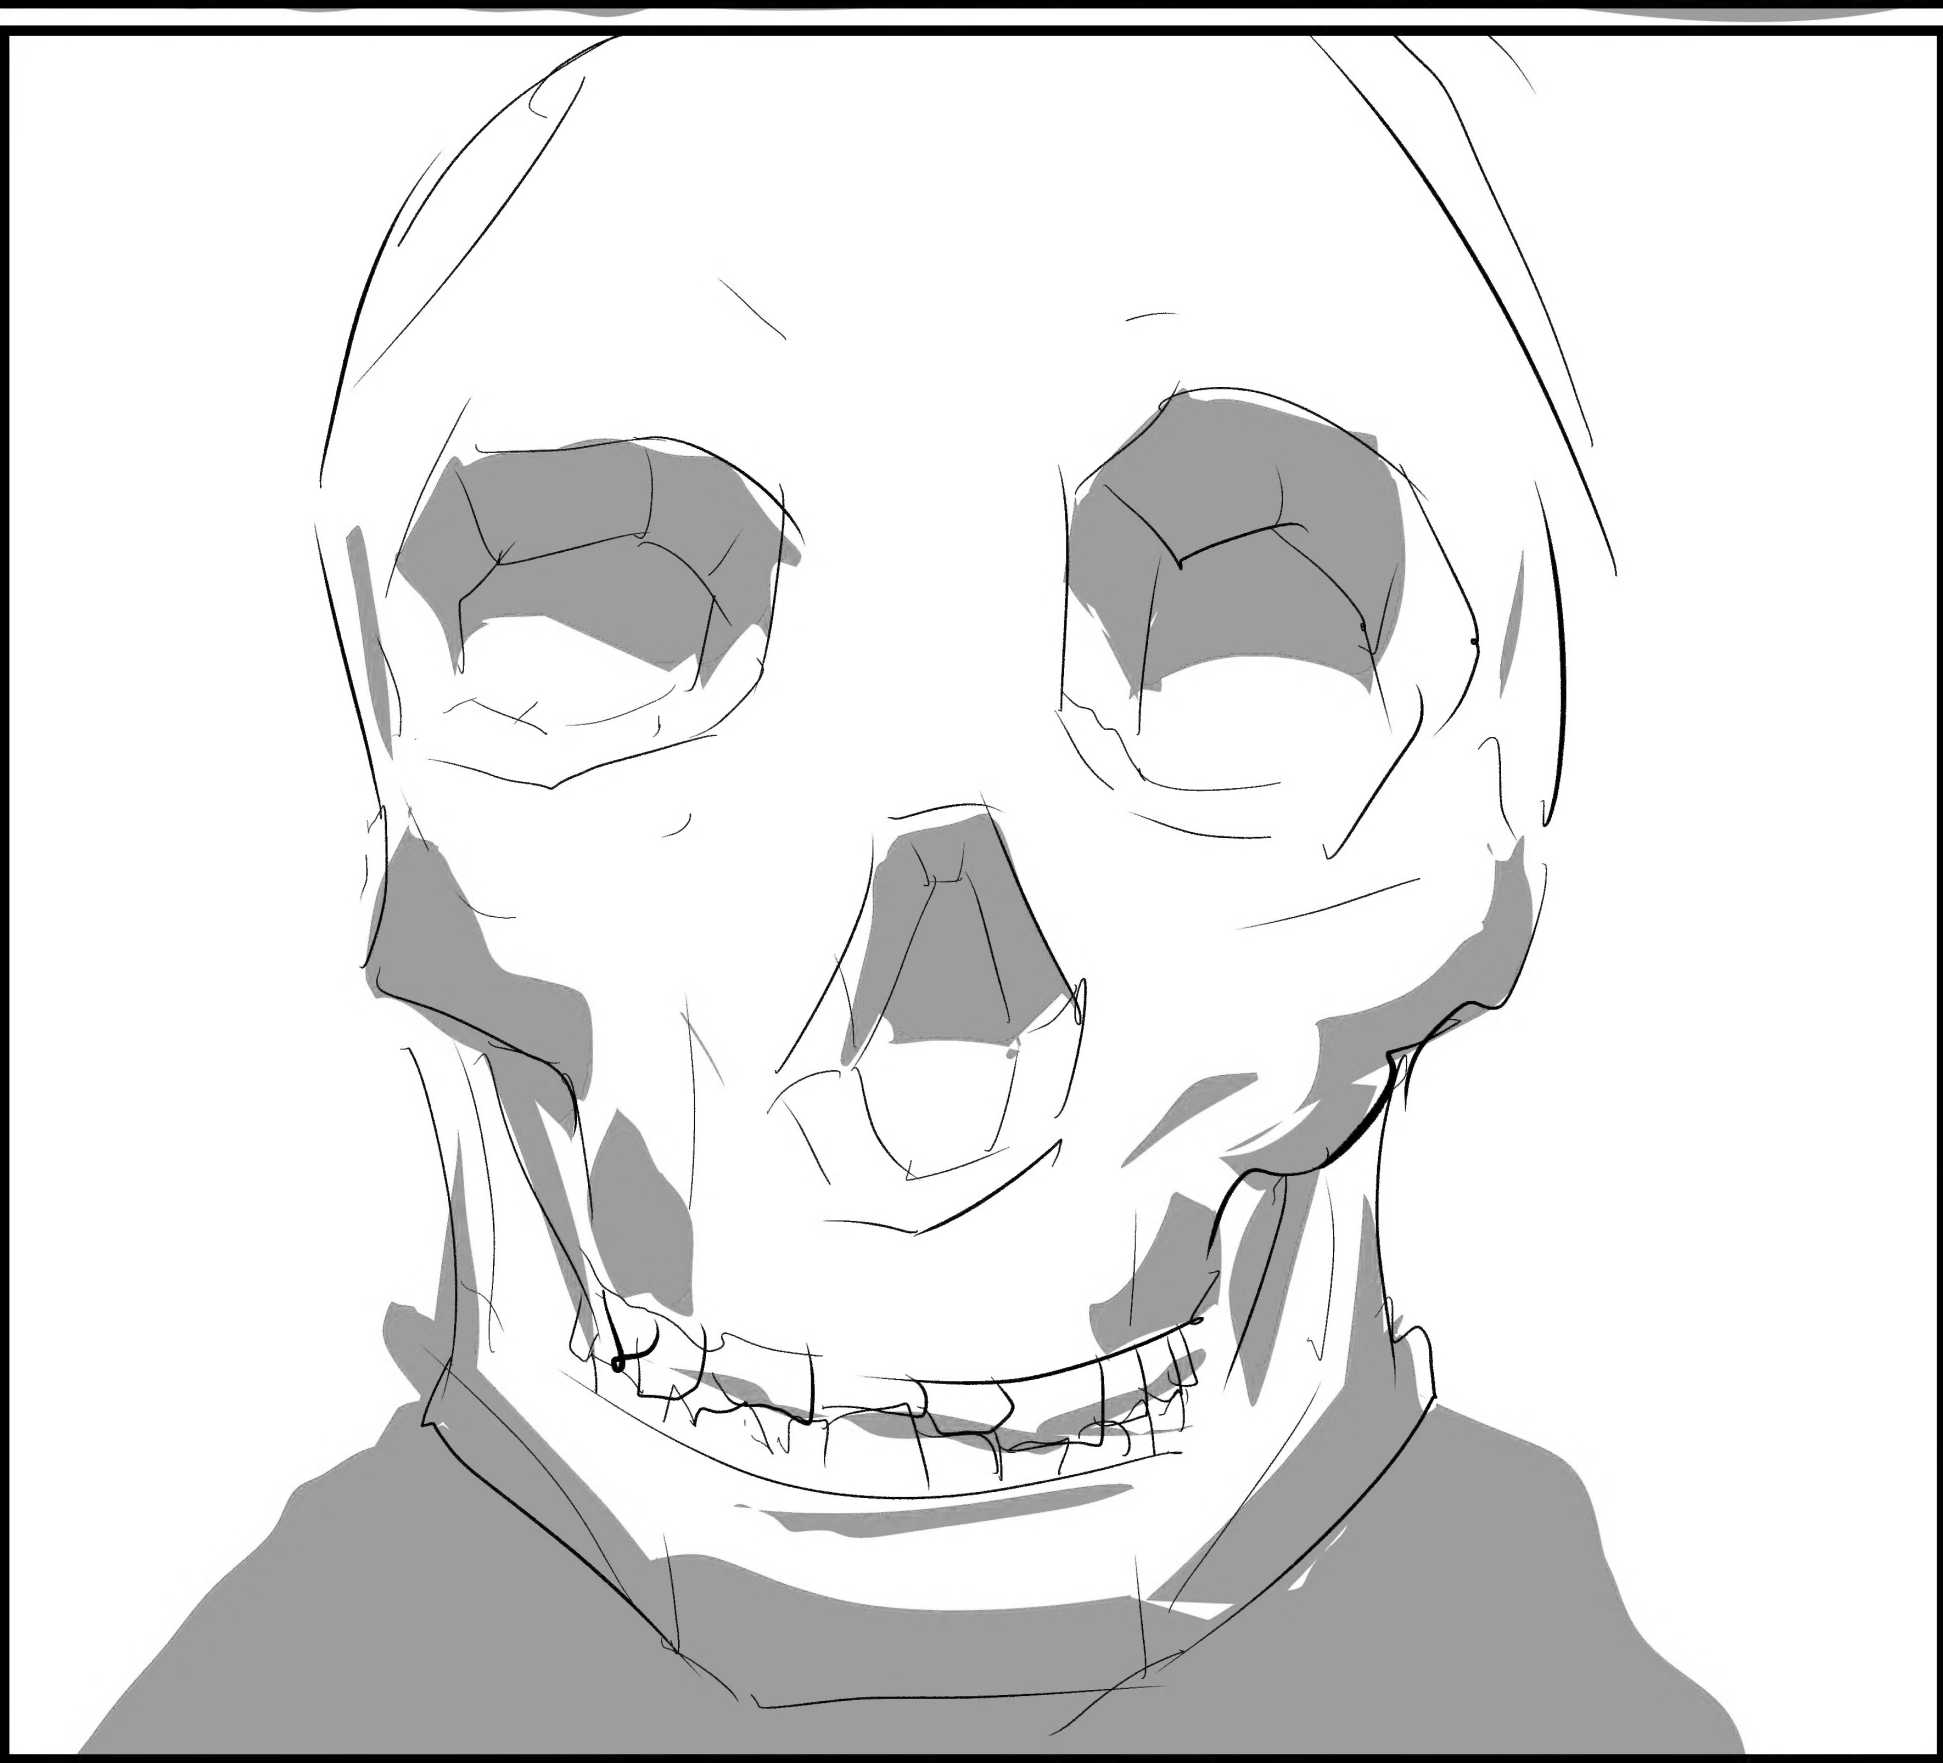

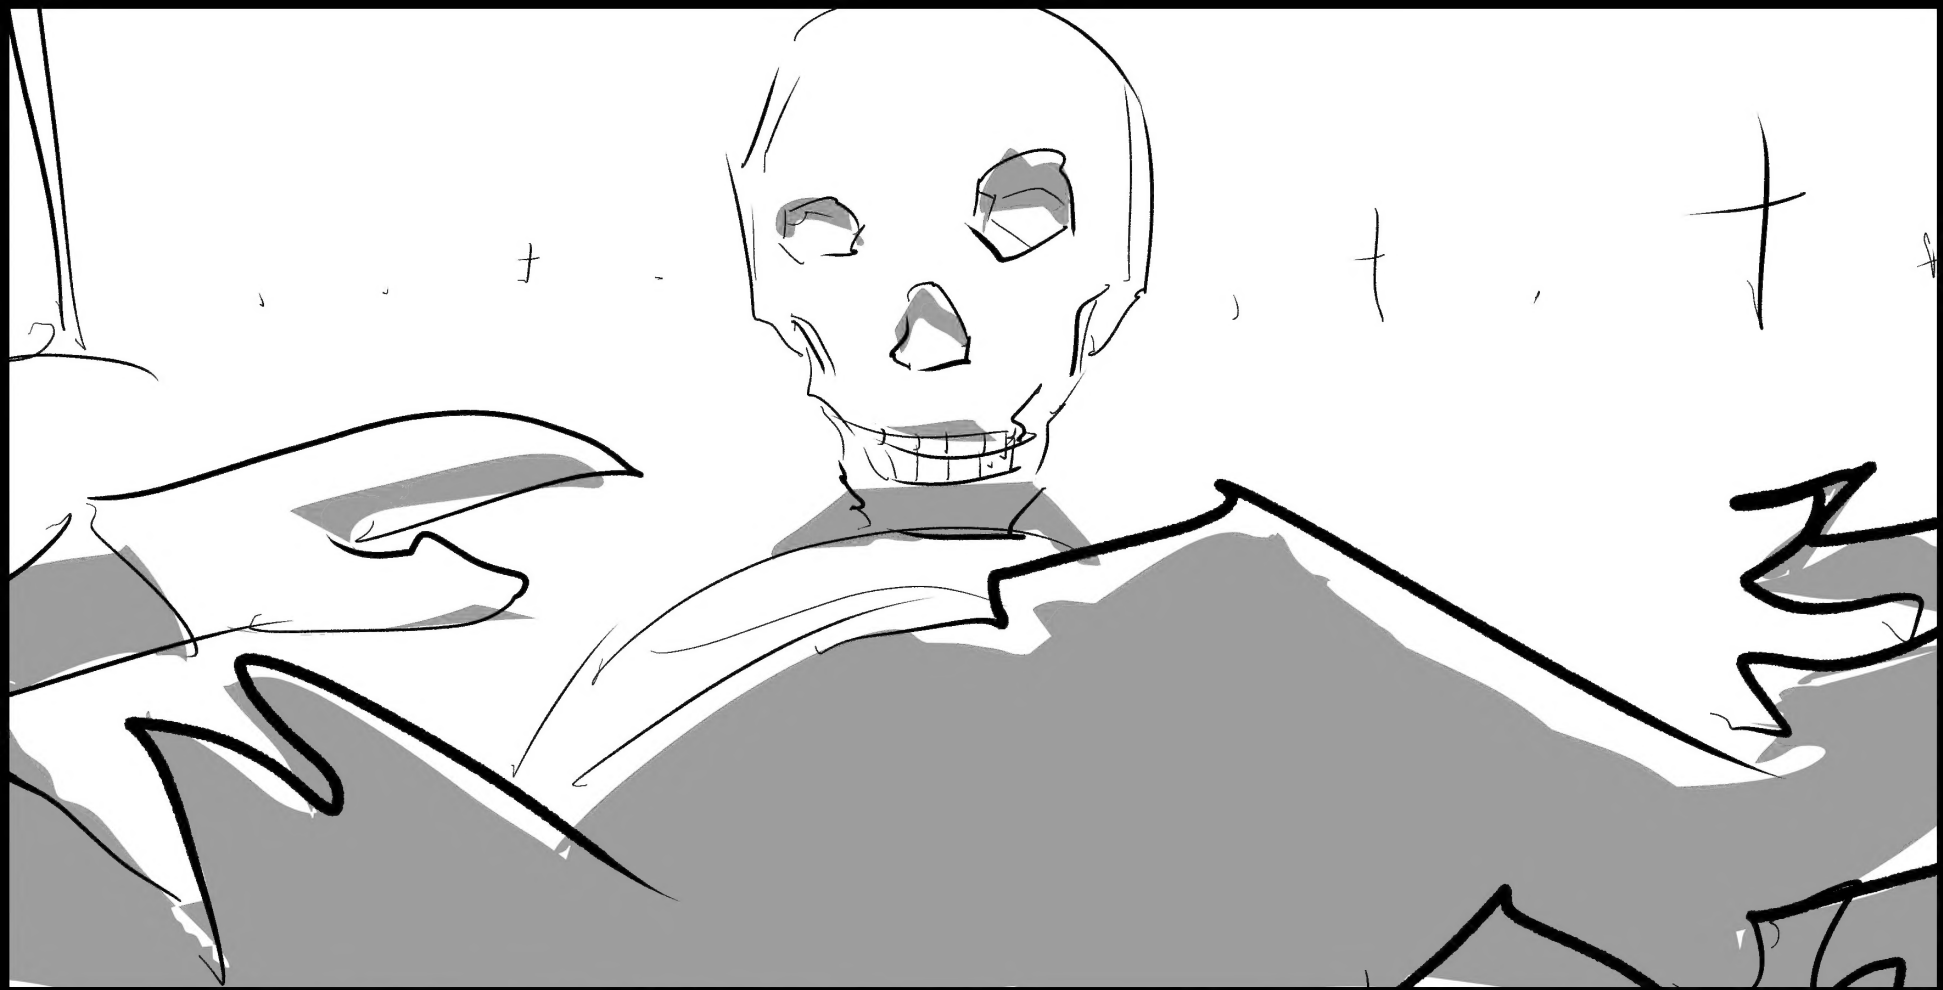

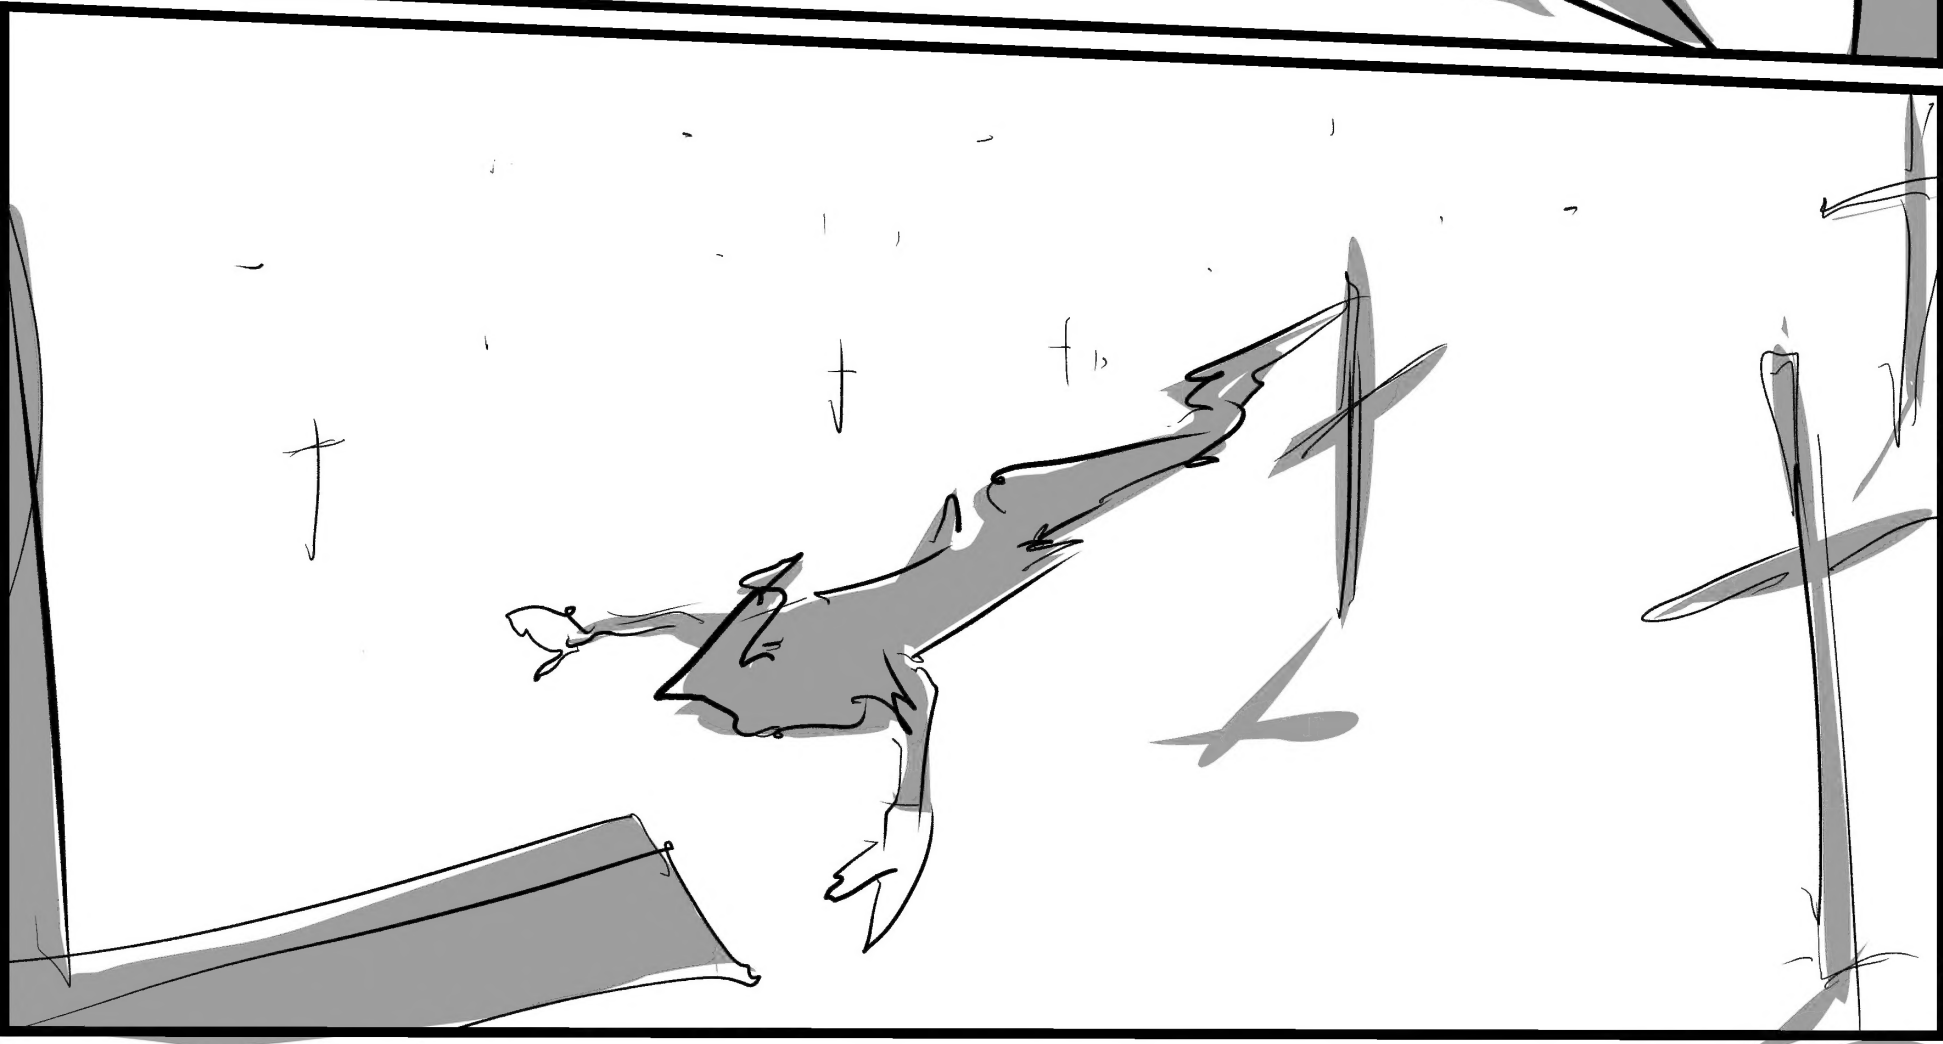

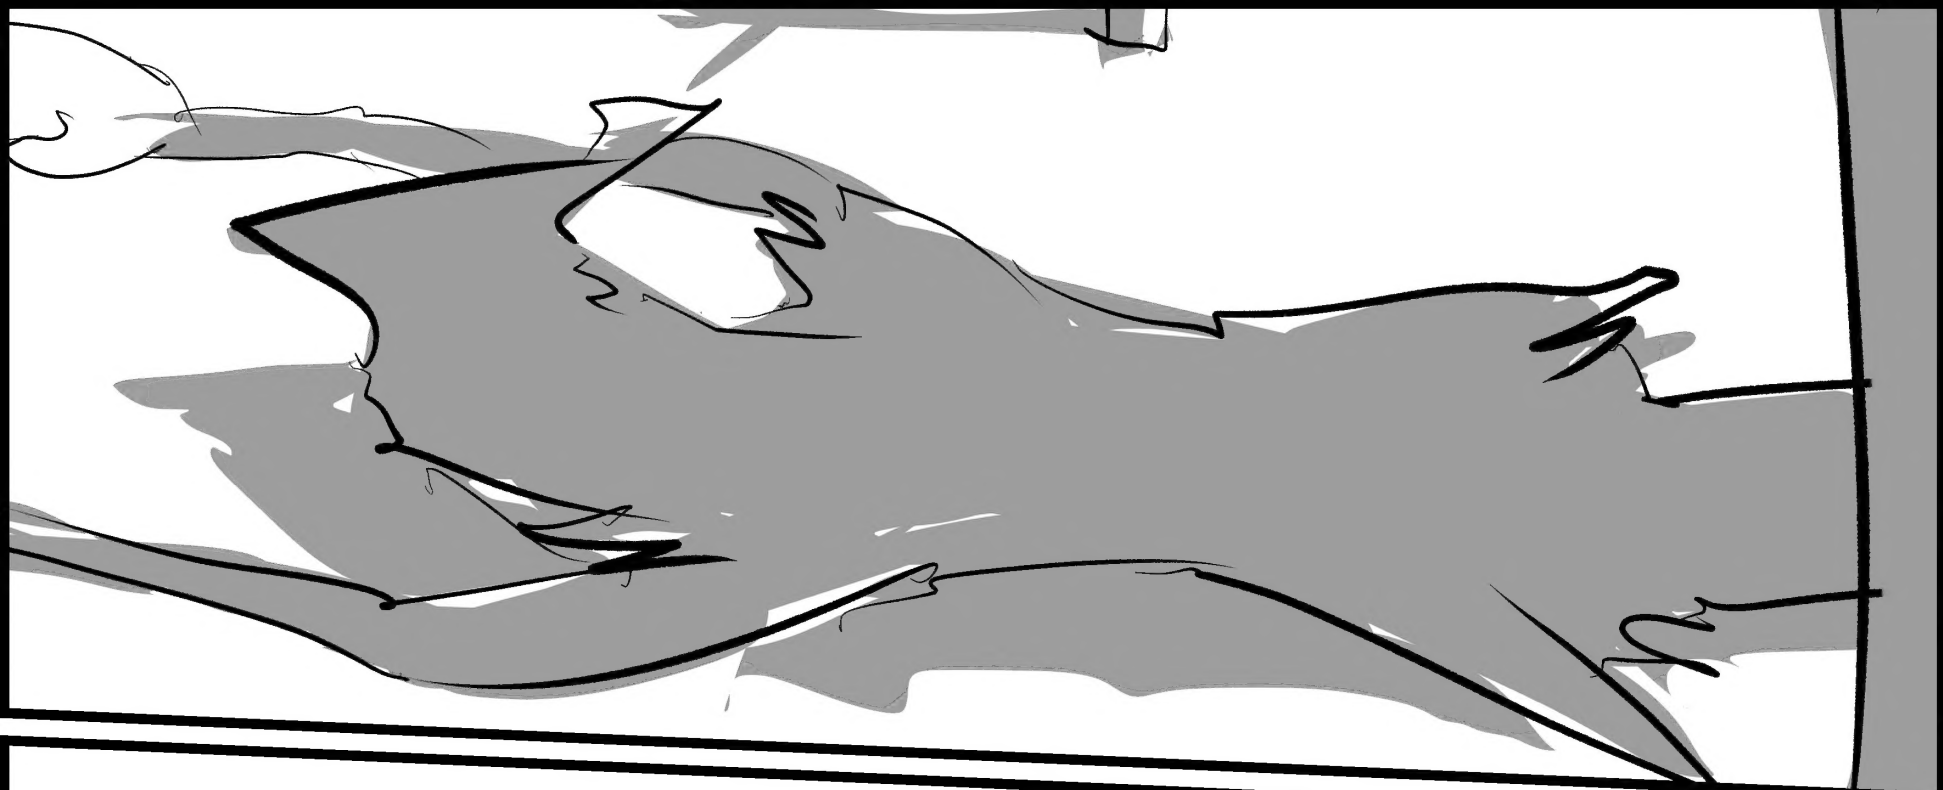

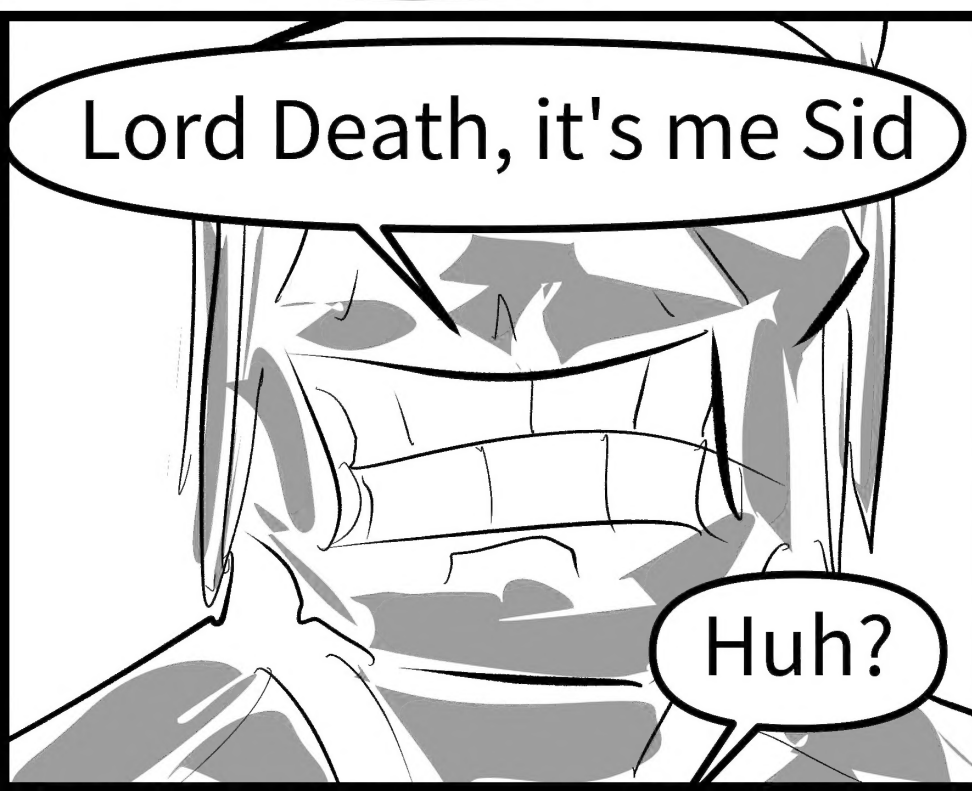

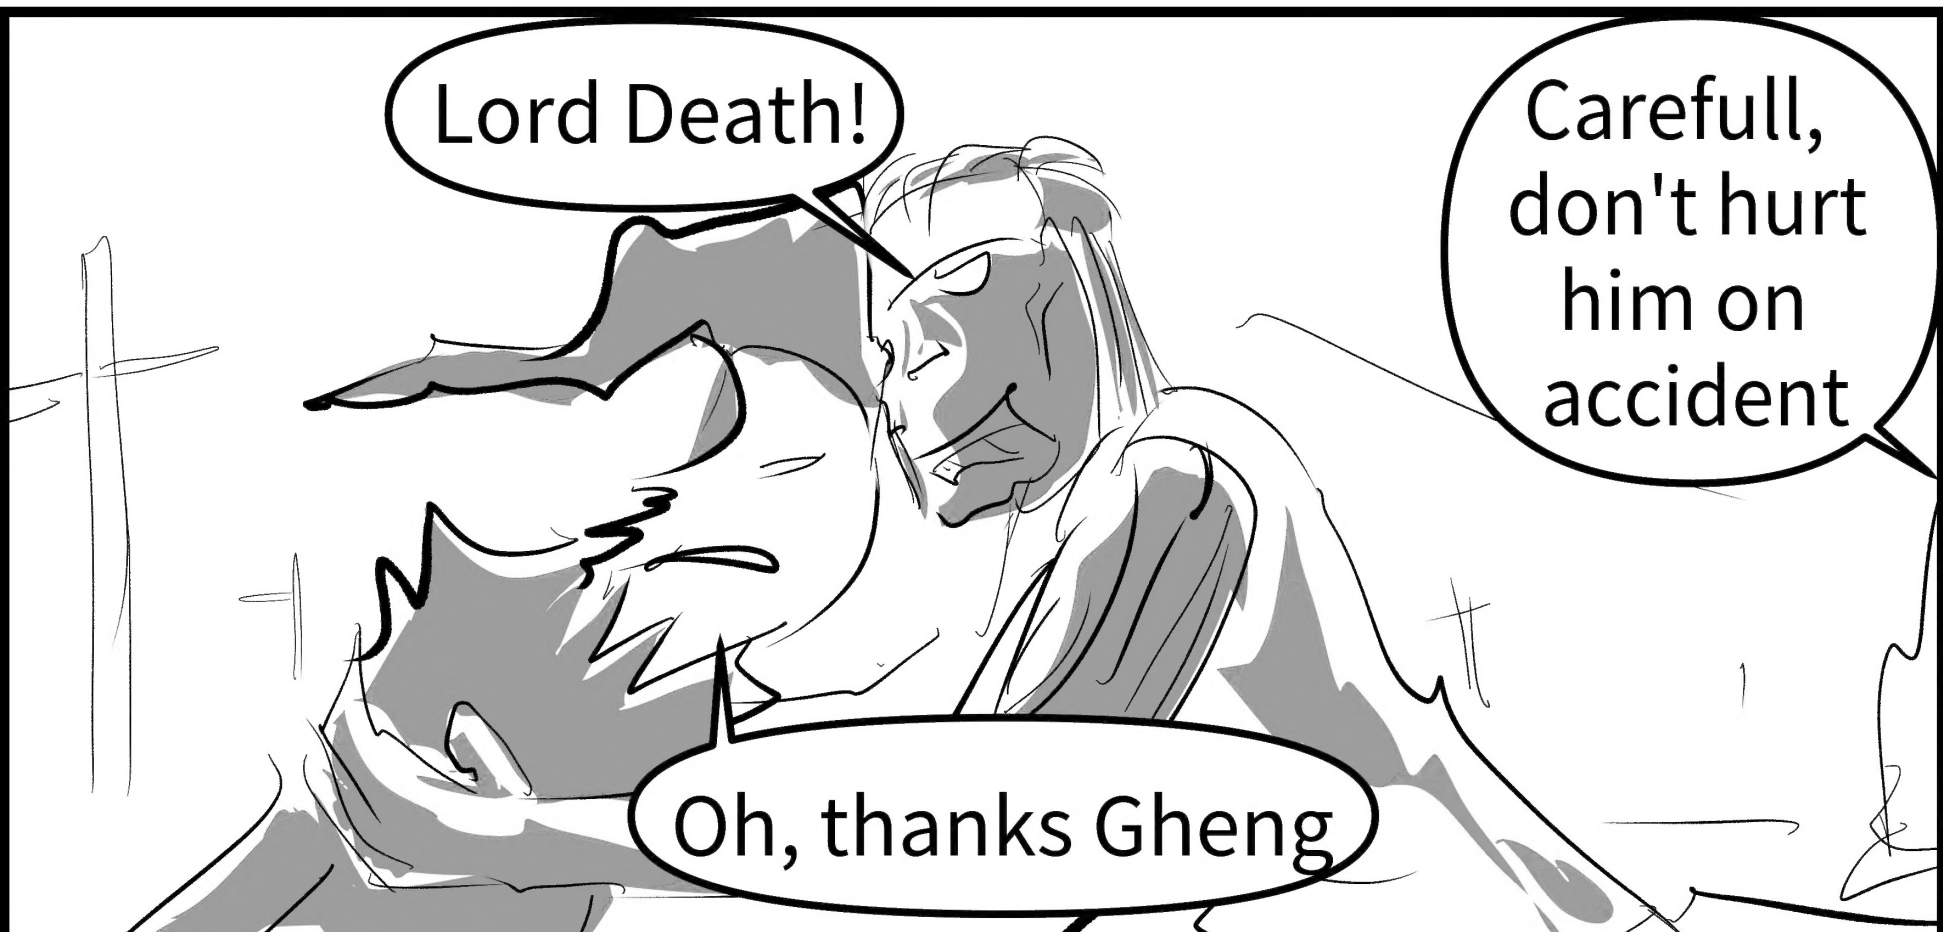

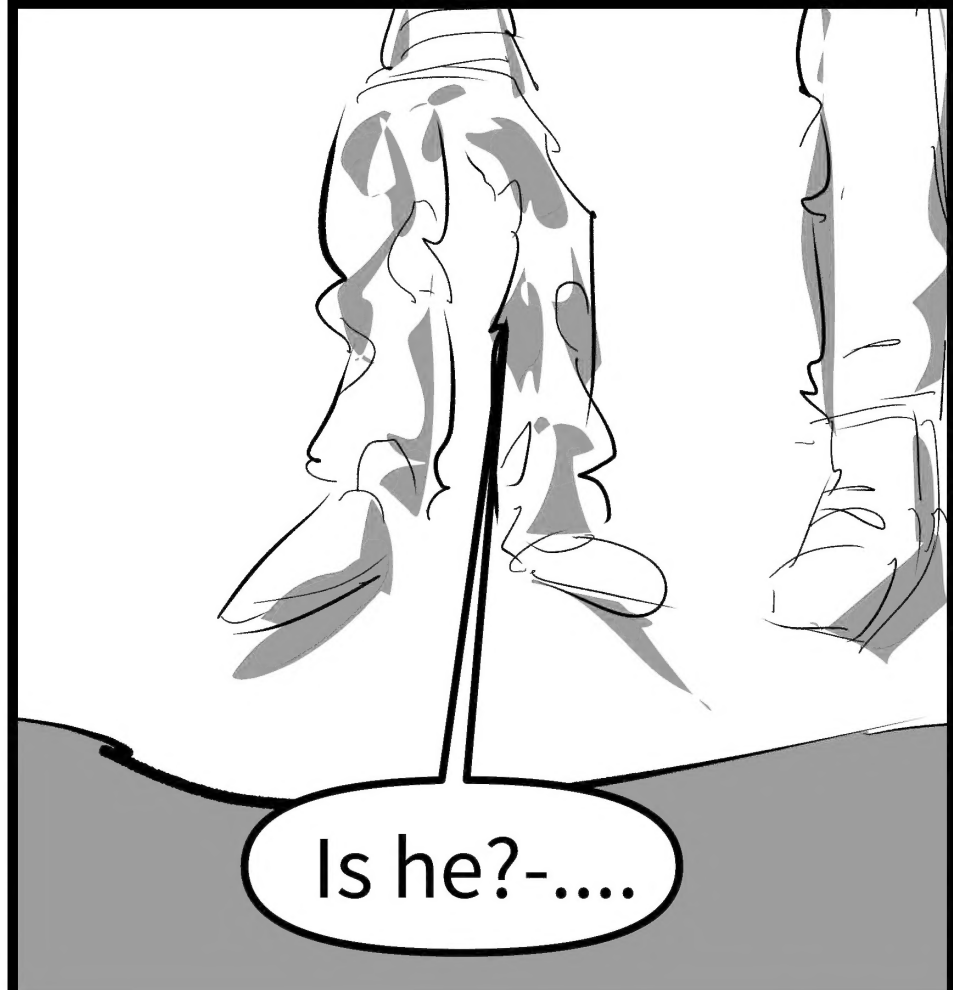

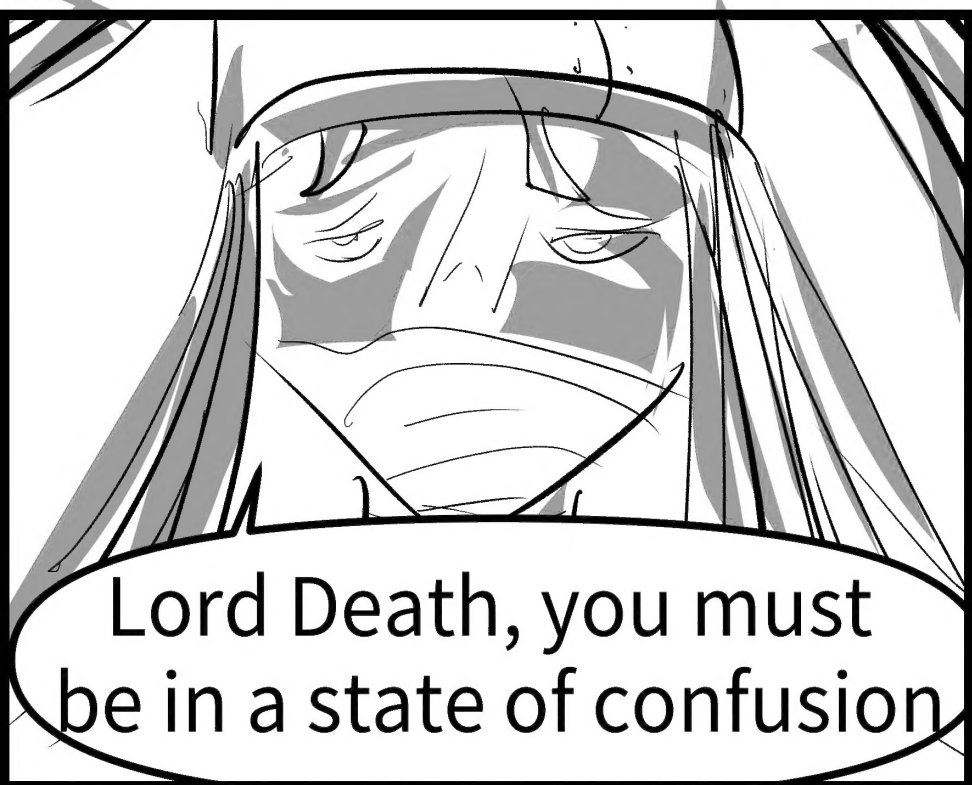

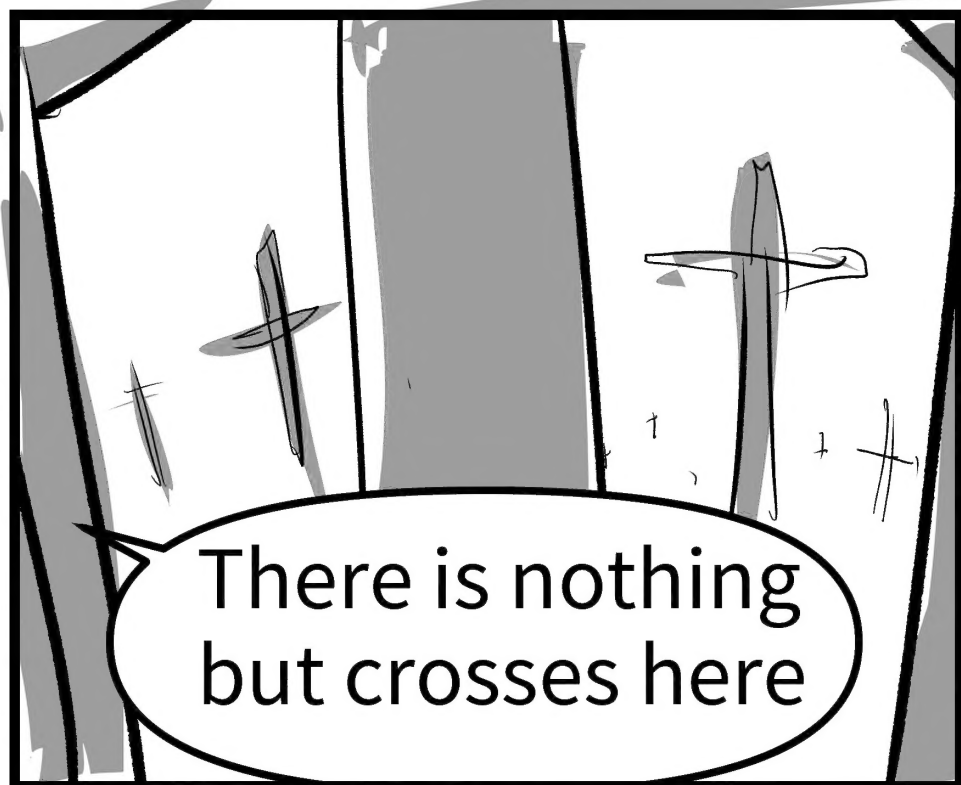

Let me assist you...

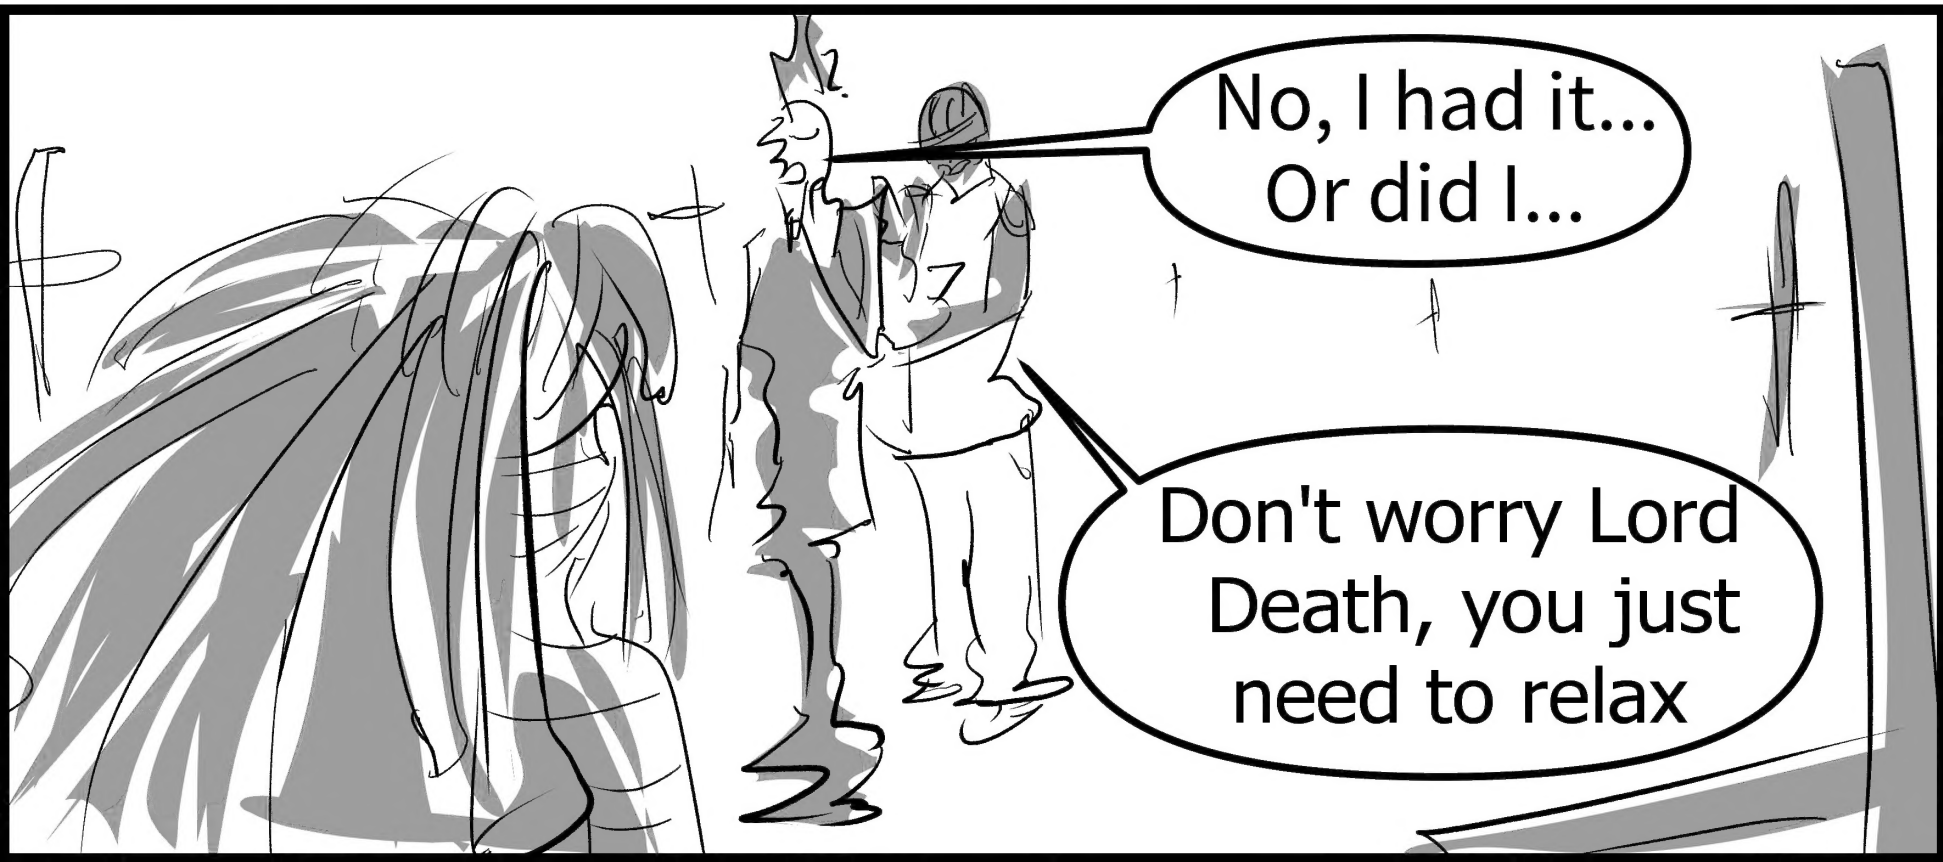

My skull, where is my skull \*cough\*

Lord Death, you must be in a state of confusion

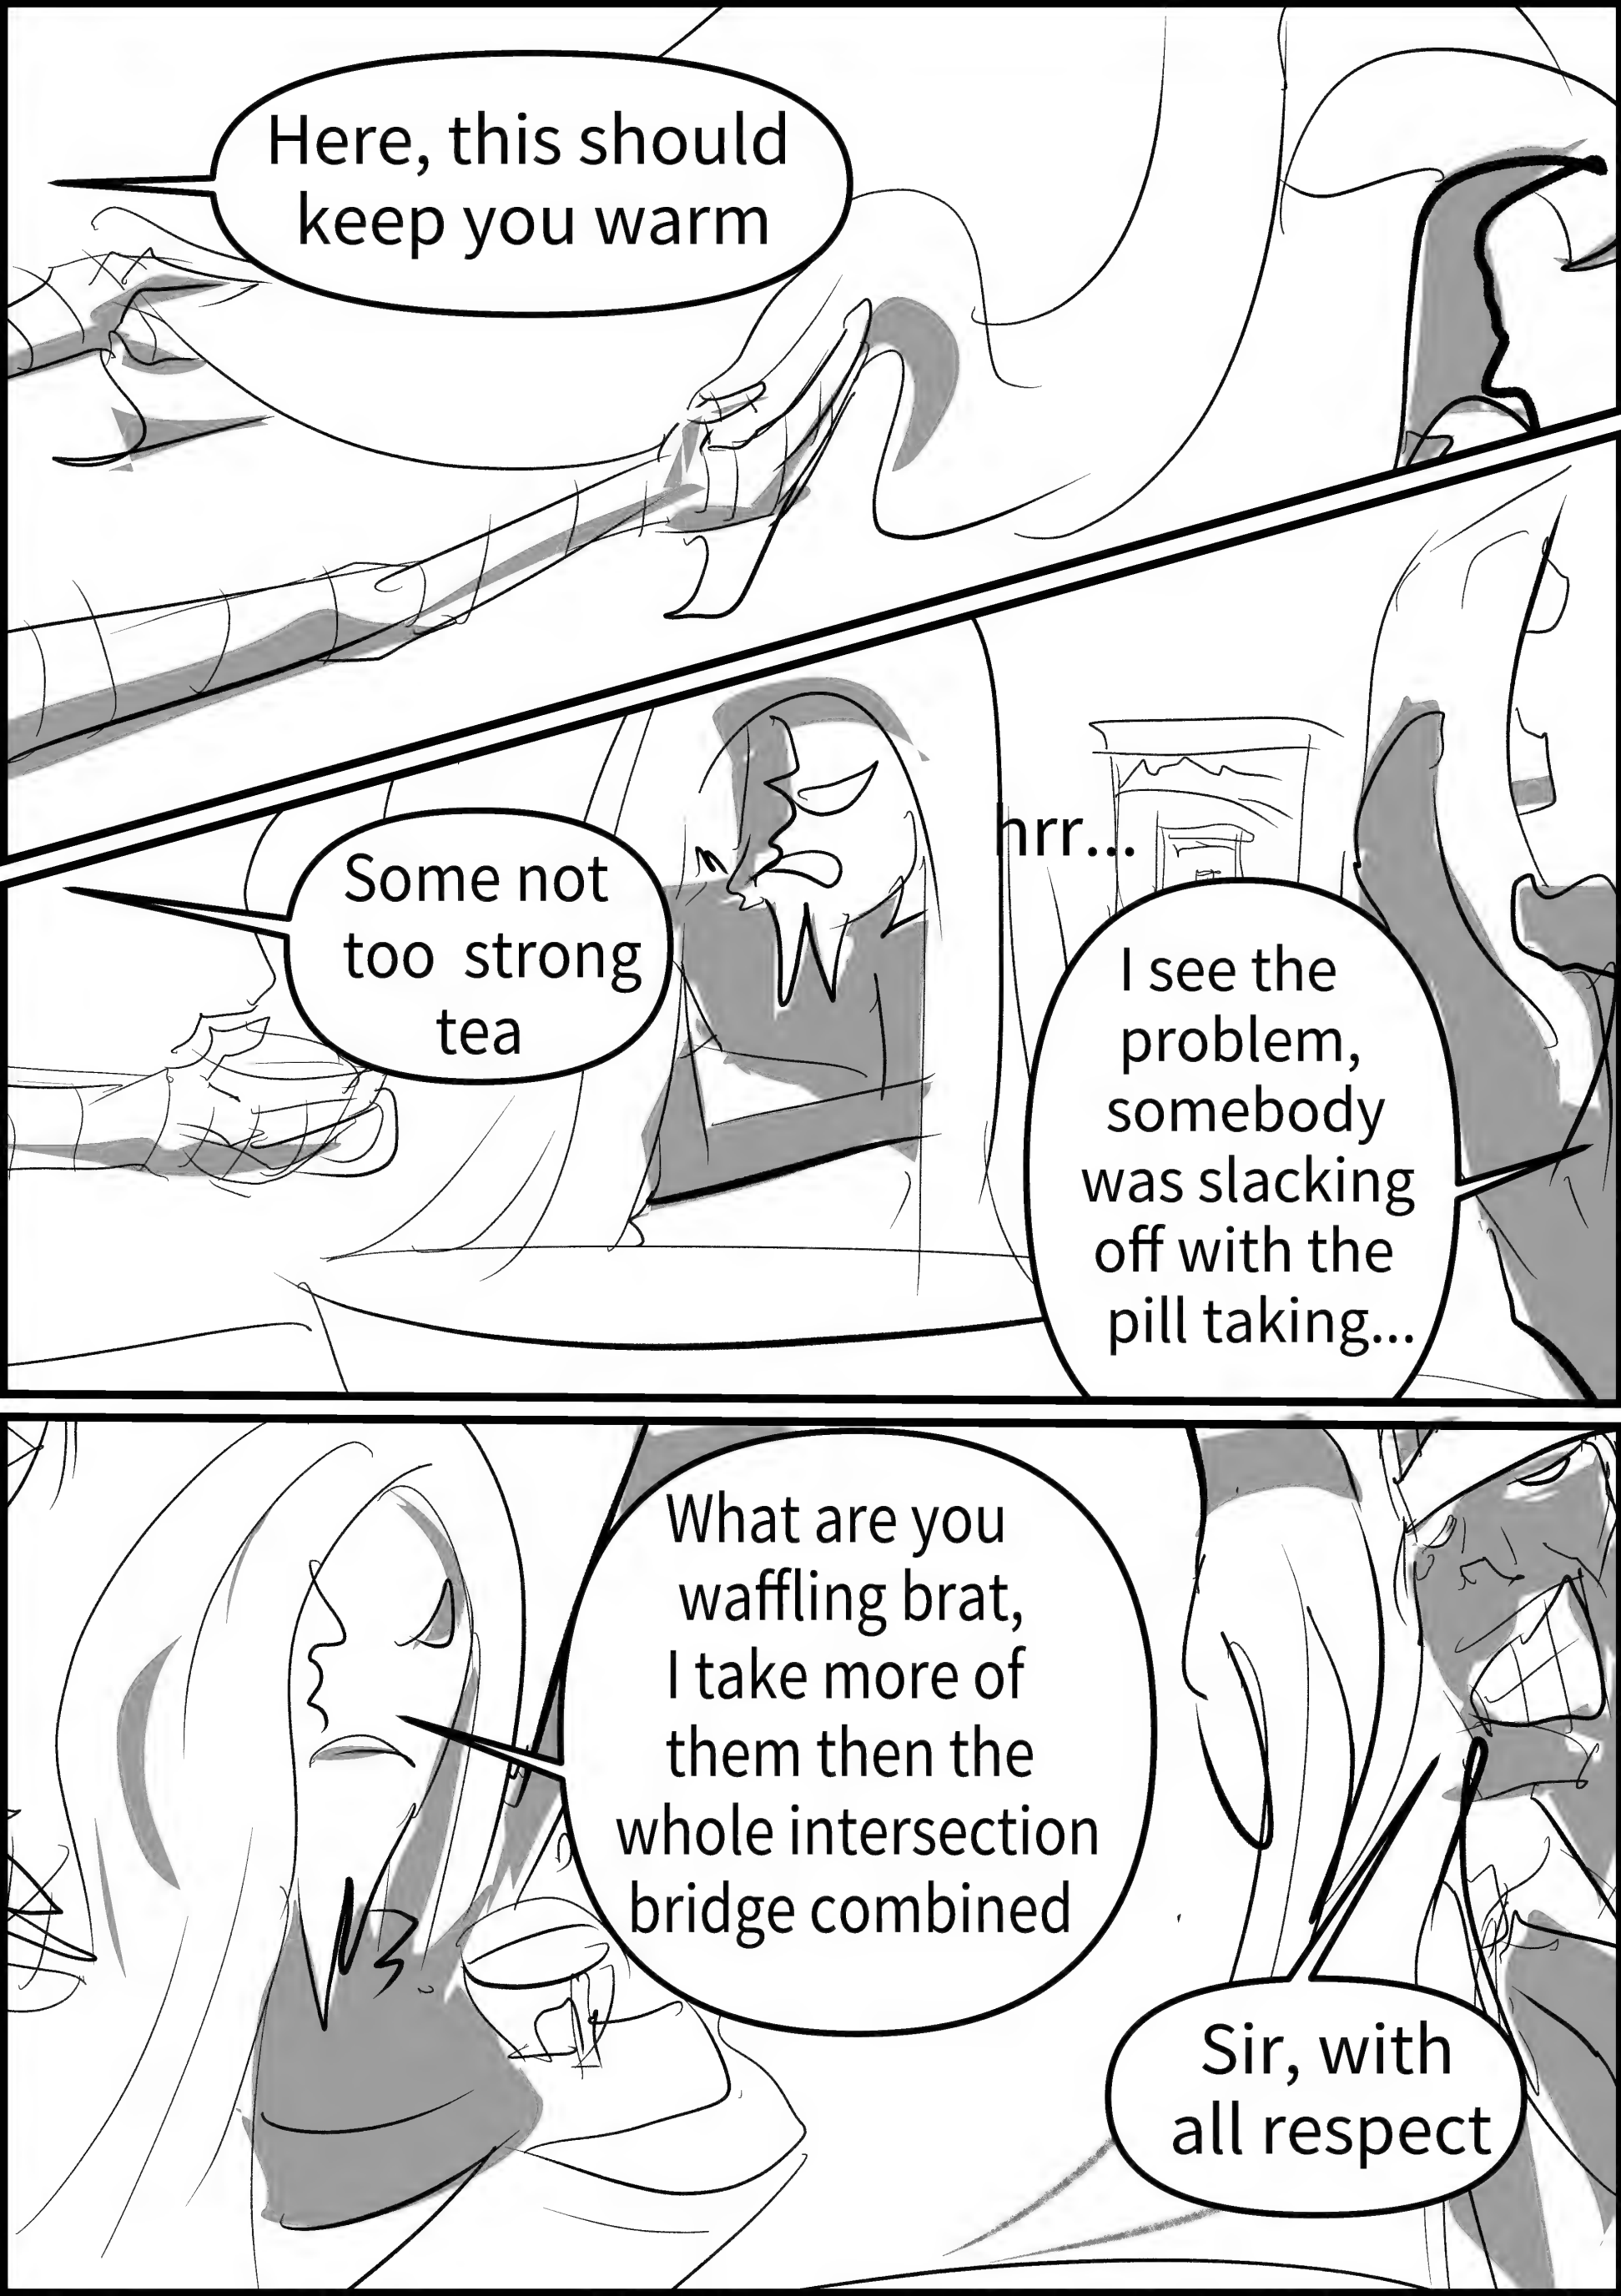

There is nothing but crosses here

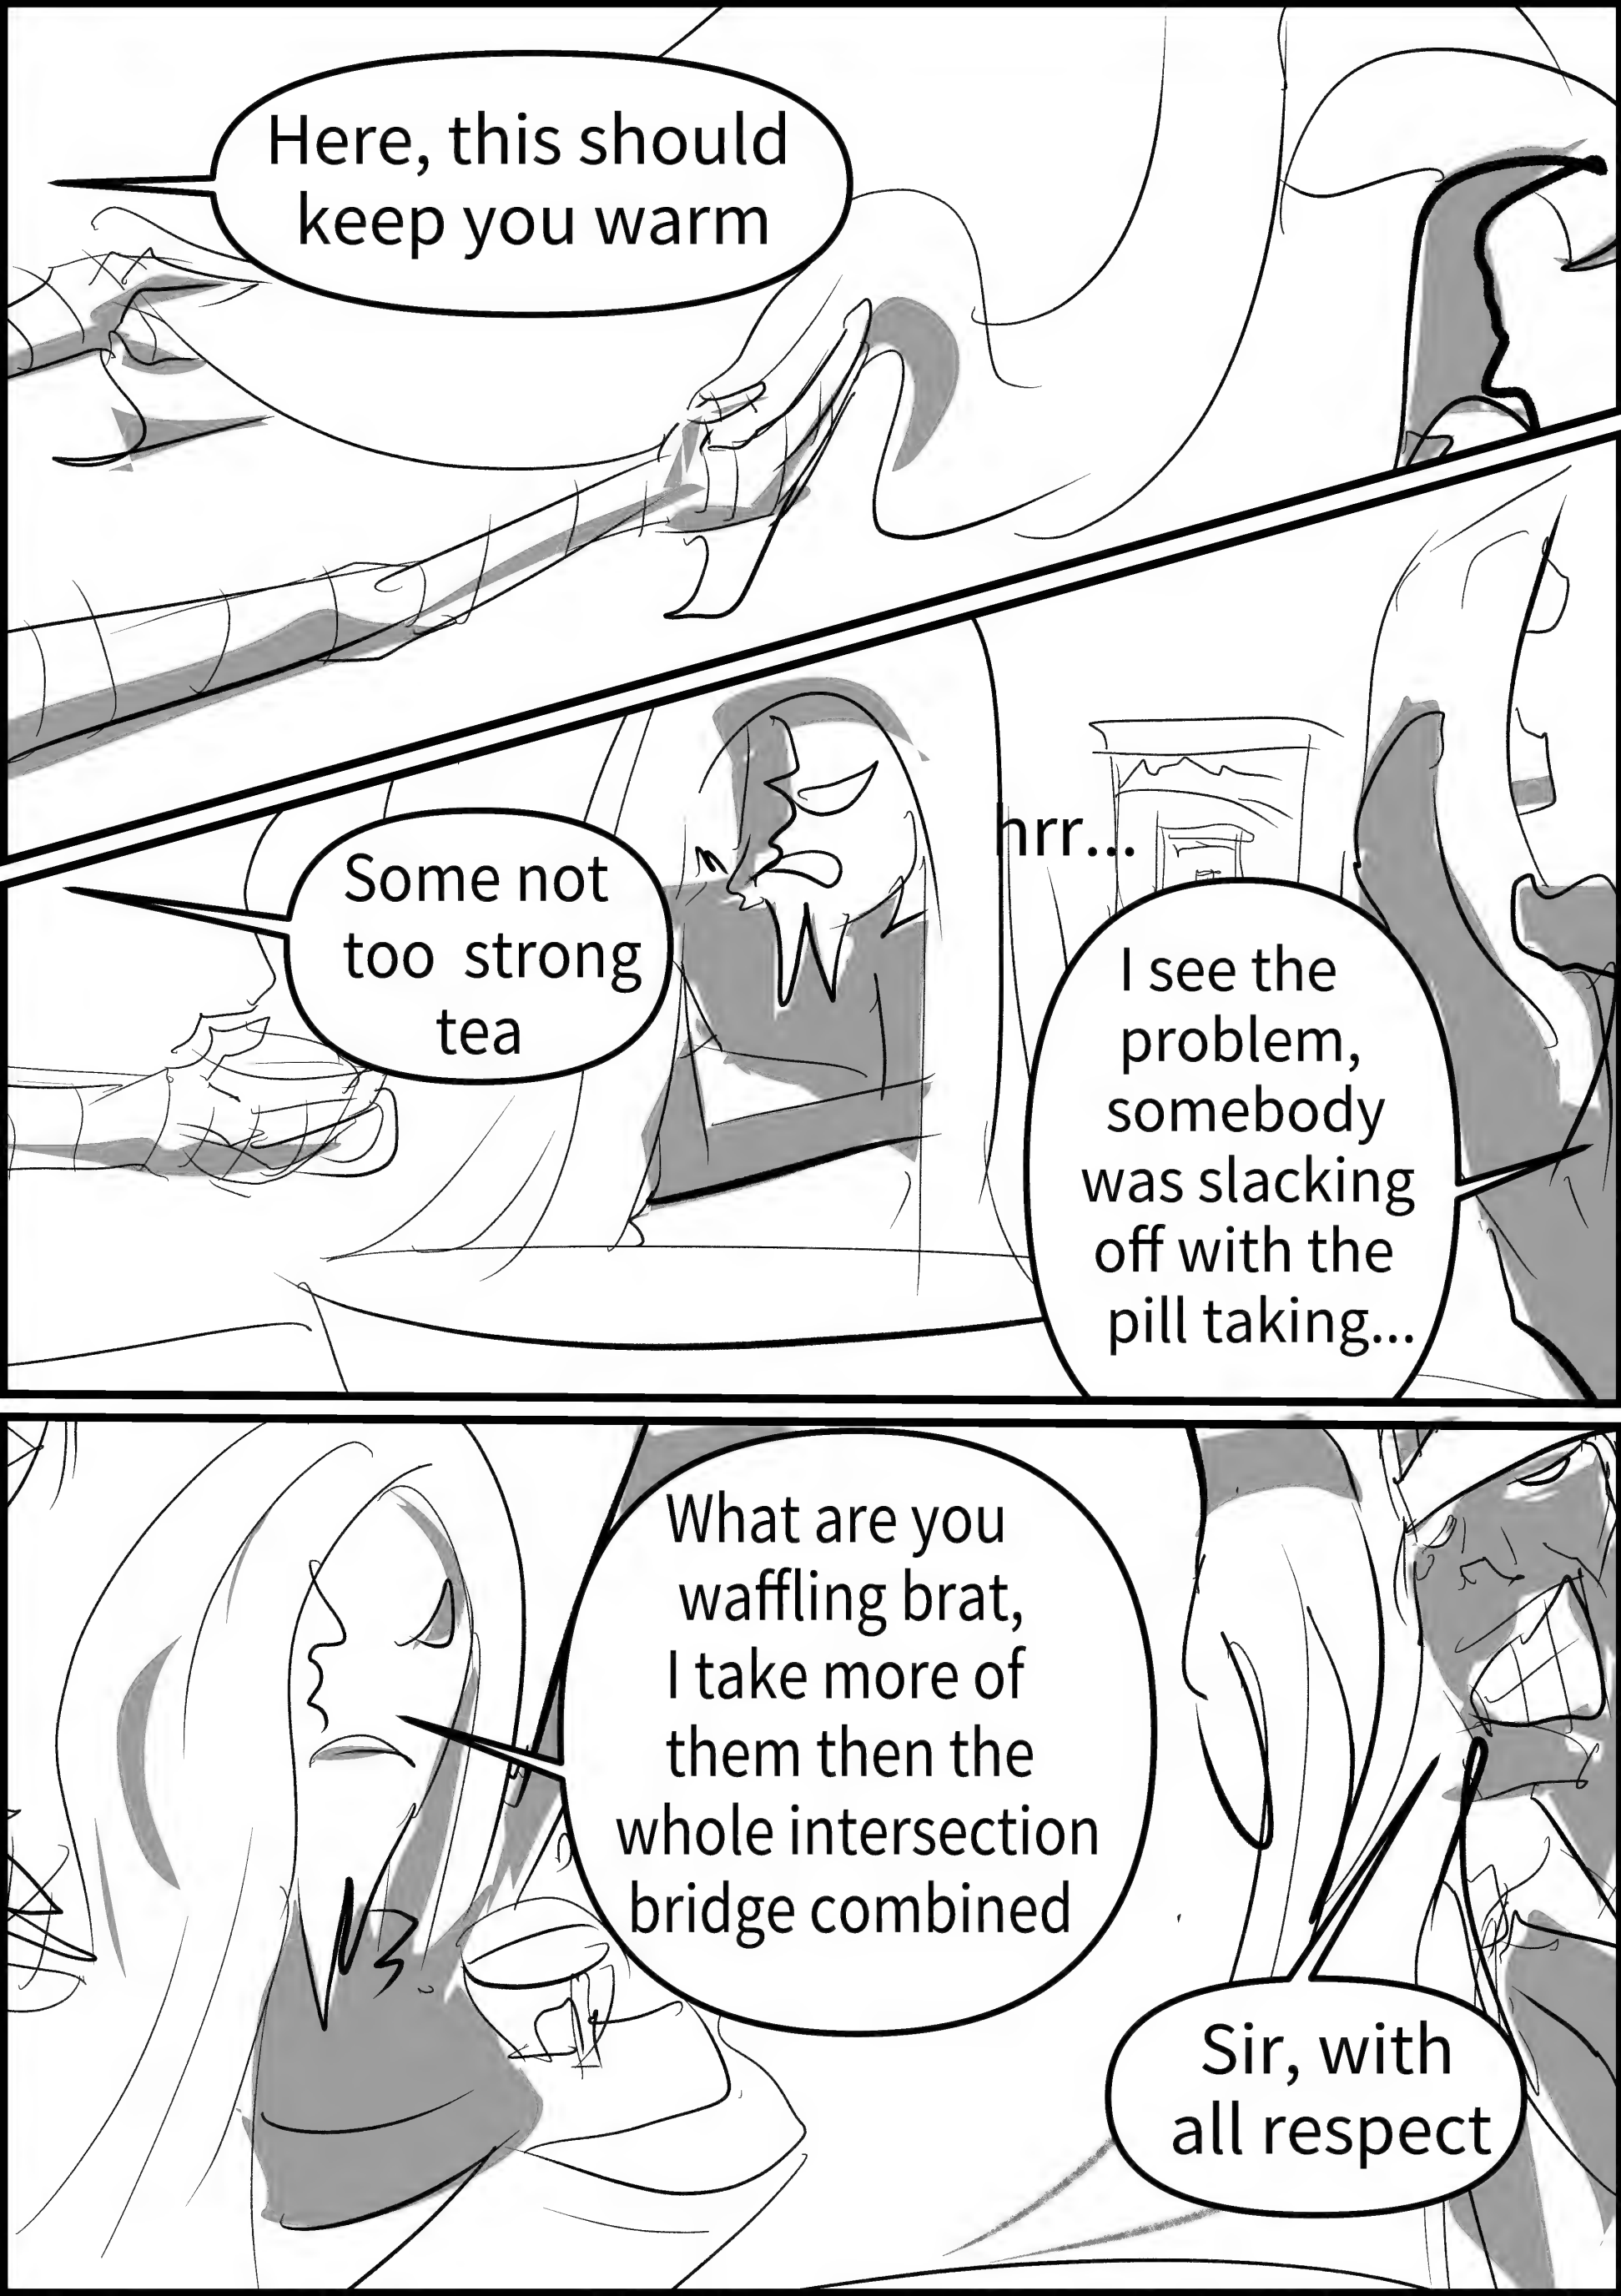

No, I had it... Or did I...

Don't worry Lord Death, you just need to relax

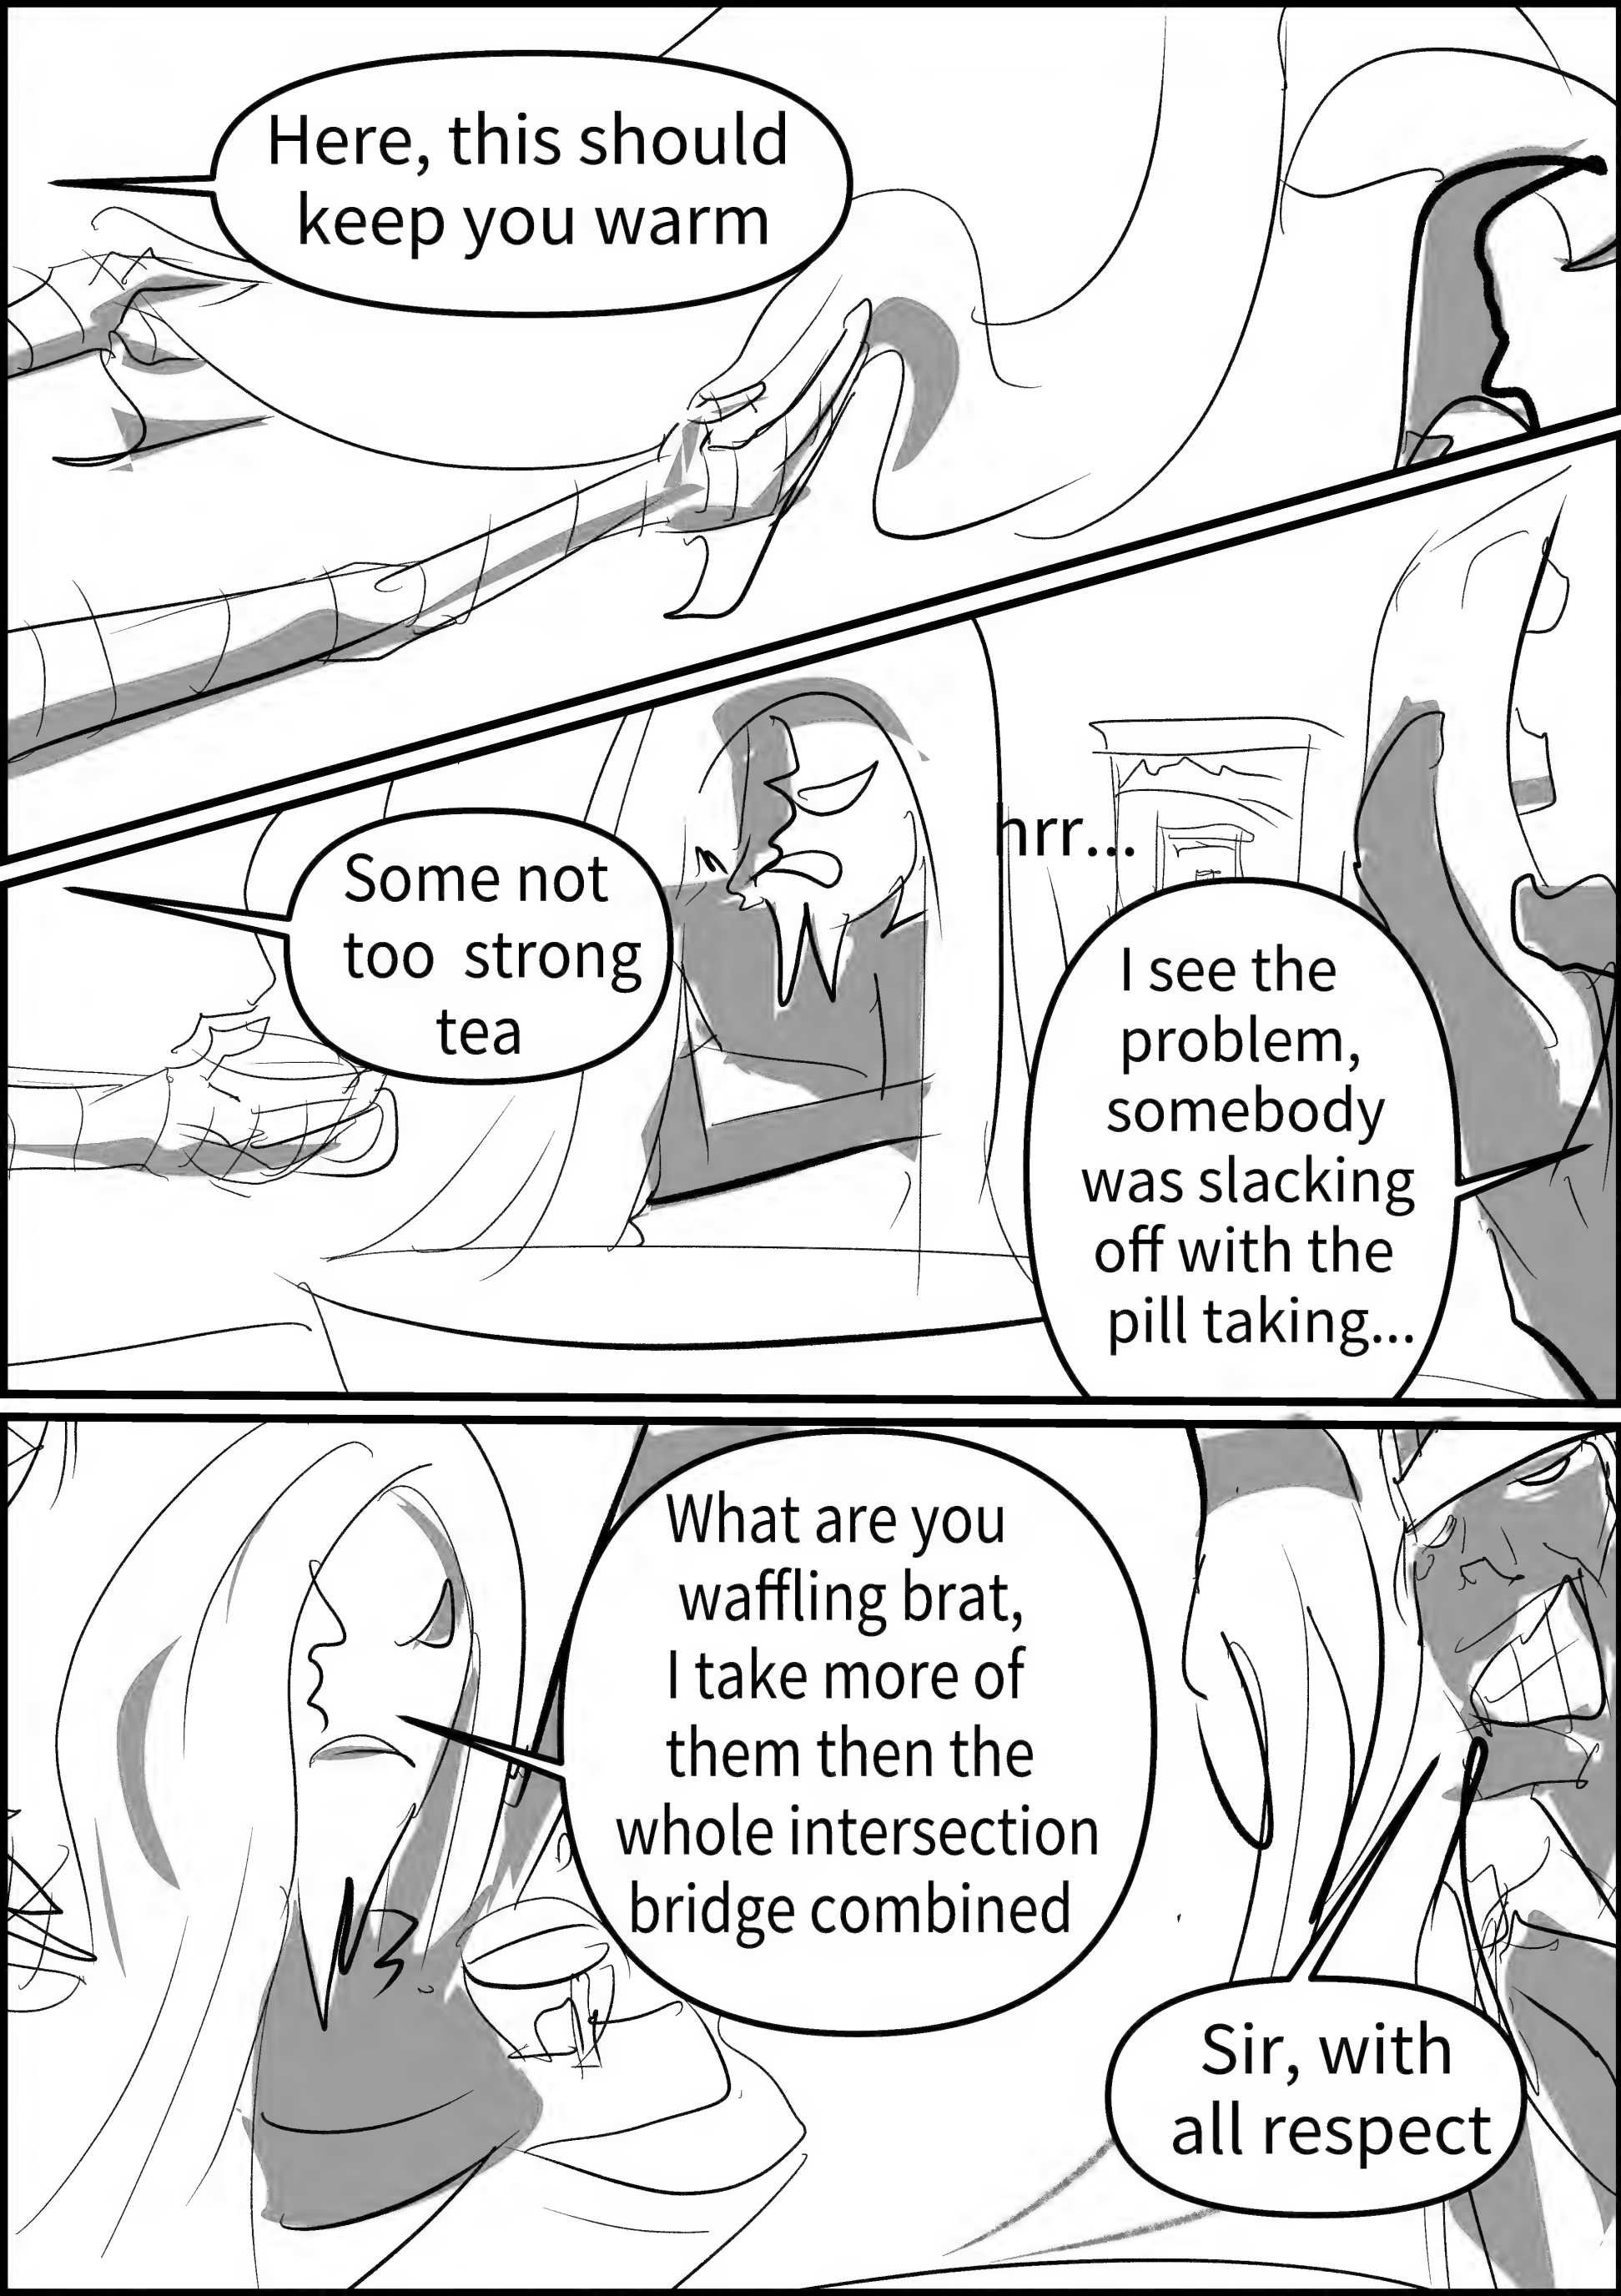

A hand is shown holding a small, dark-colored cup. The cup is being offered to someone. The background is a simple line drawing of a person's head and shoulders.

Here, this should keep you warm

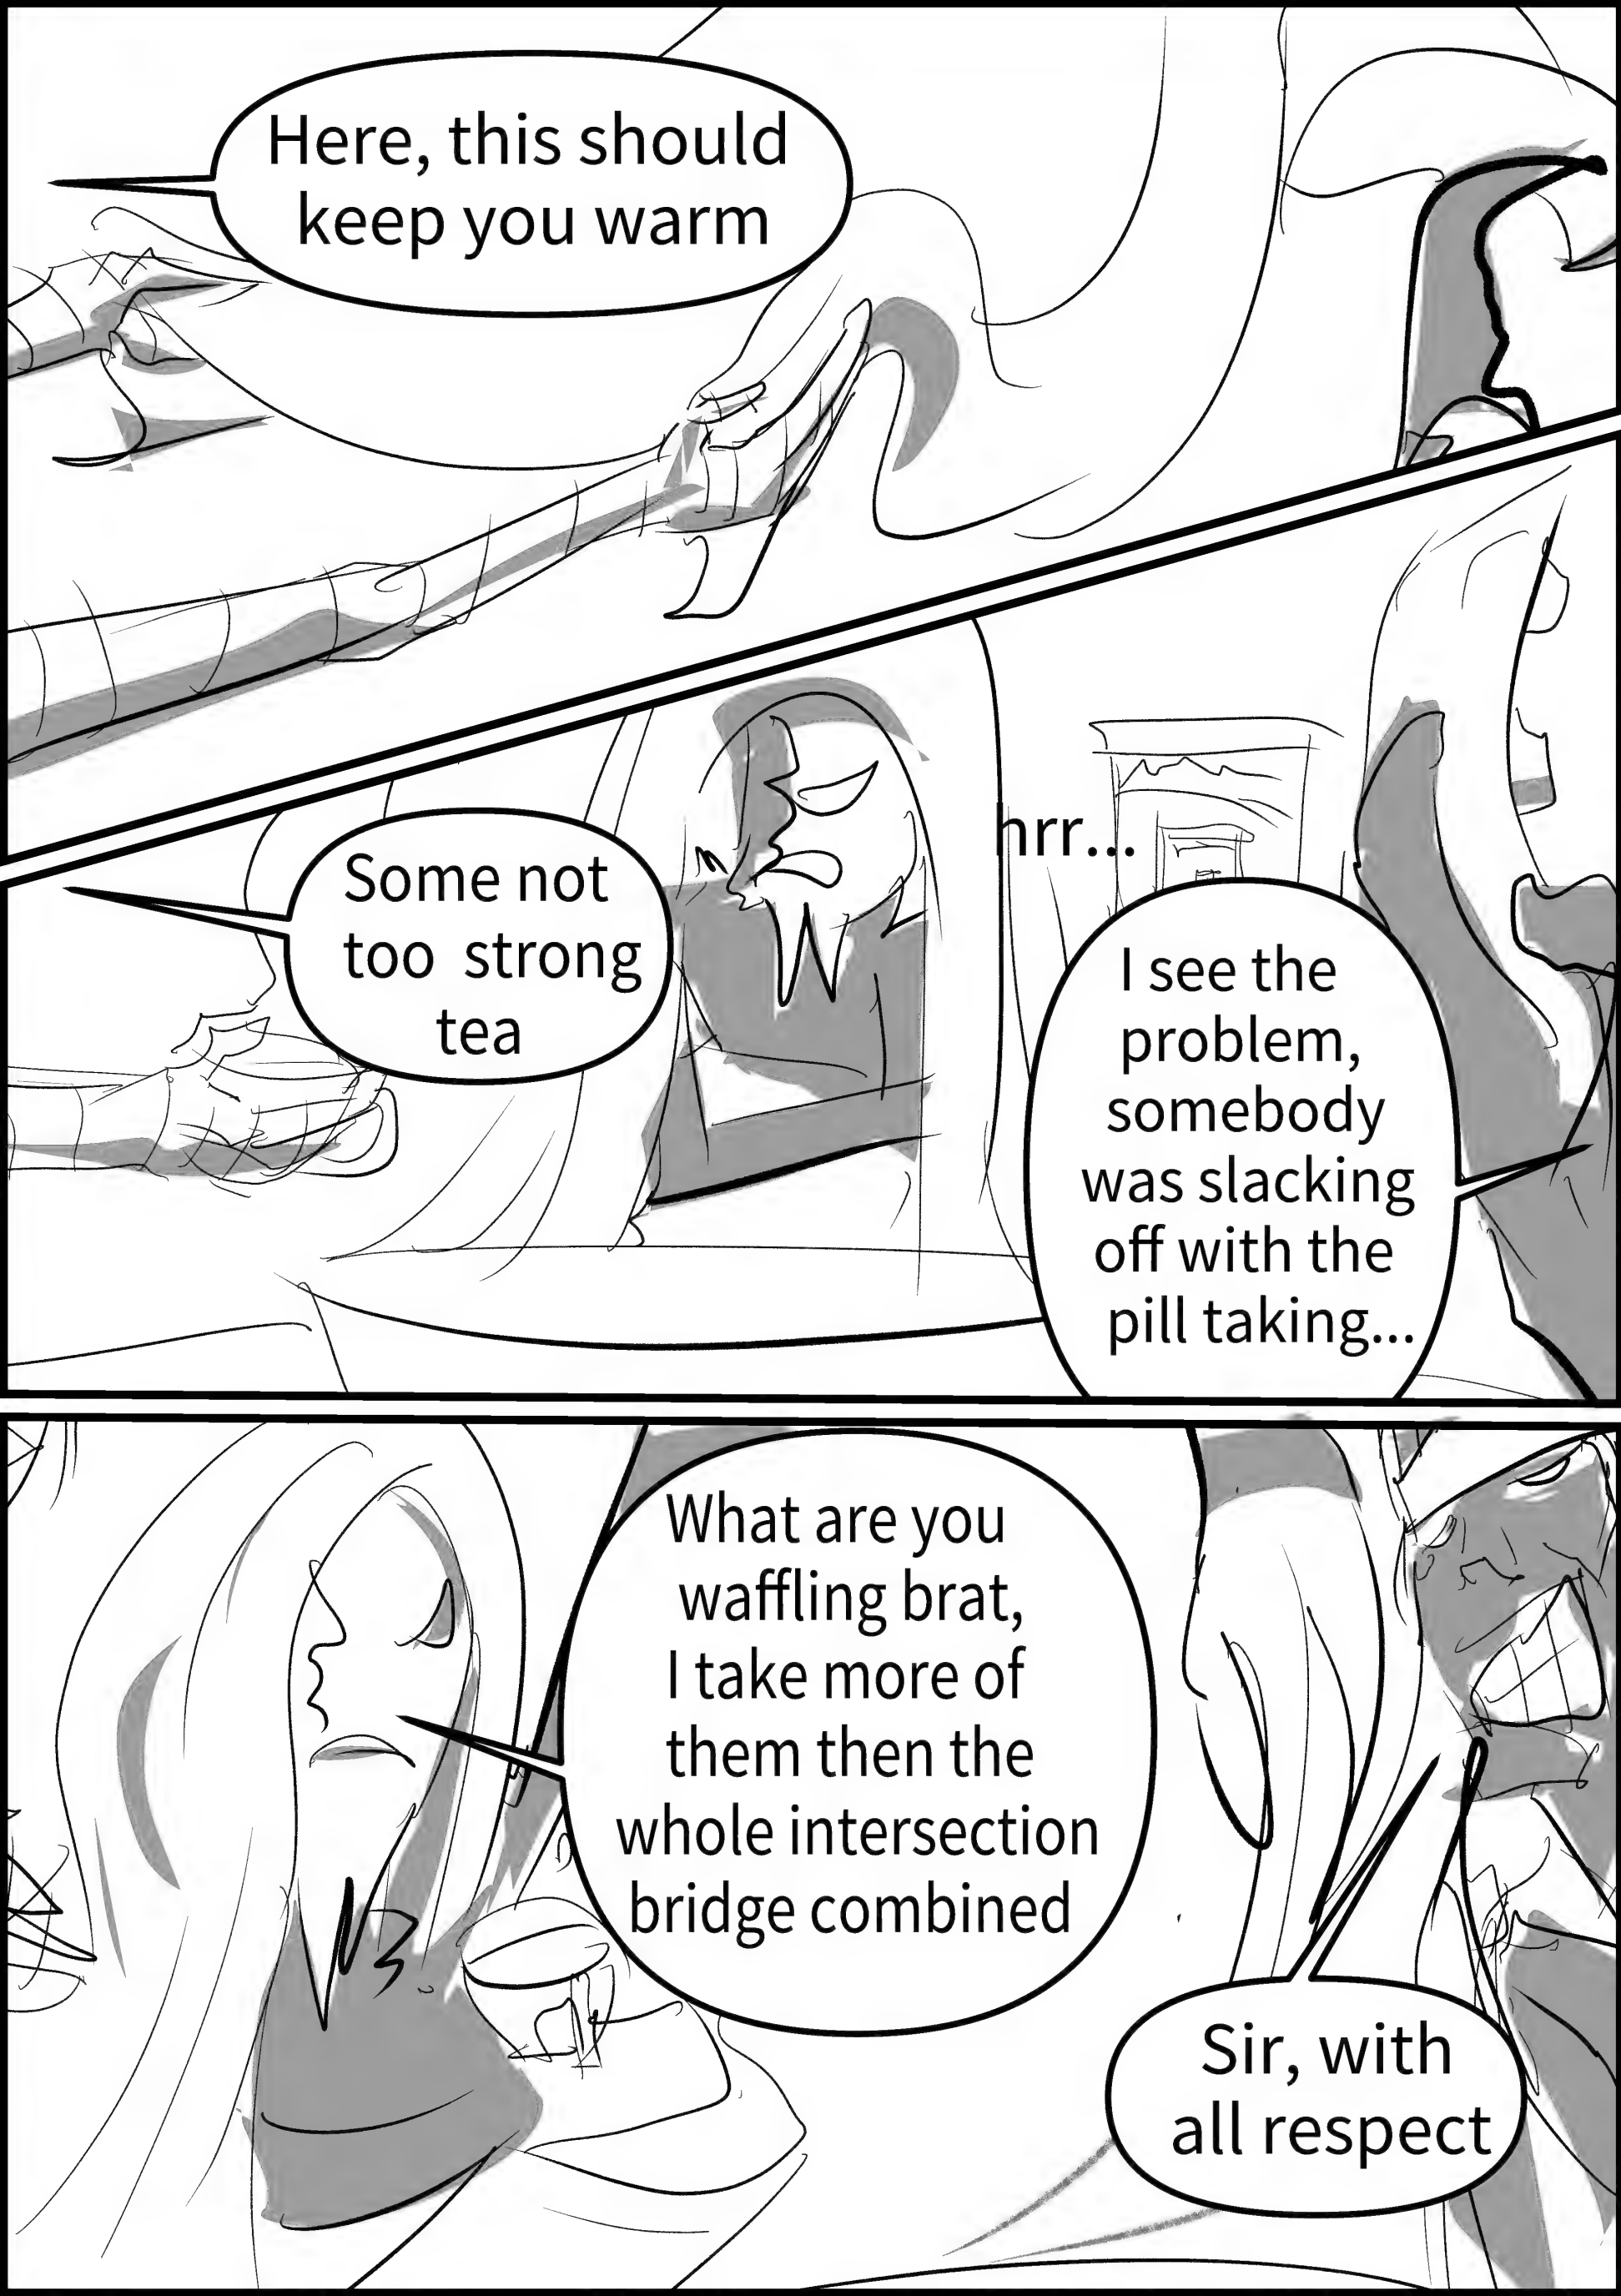

A person is shown drinking from a cup. The cup is held up to their mouth. The background is a simple line drawing of a person's head and shoulders.

Some not too strong tea

hrrr...

A person is shown looking at a cup. The cup is held up to their mouth. The background is a simple line drawing of a person's head and shoulders.

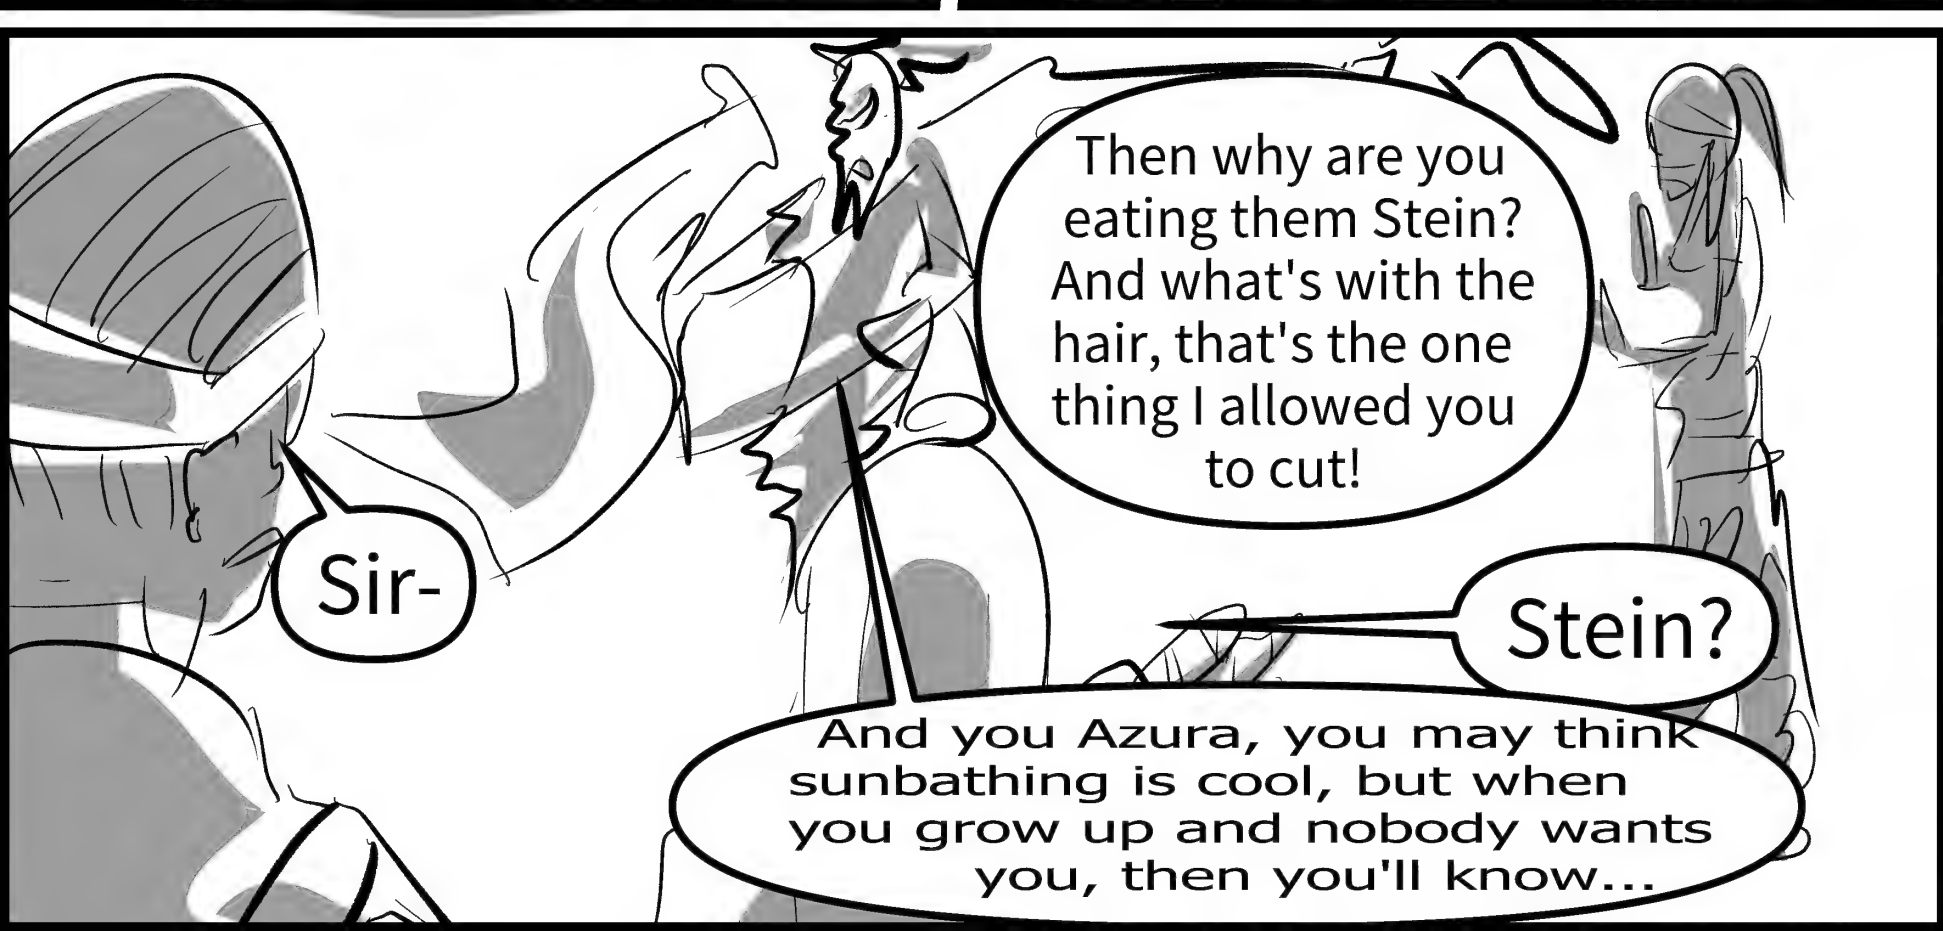

I see the problem, somebody was slacking off with the pill taking...

A person is shown looking at a cup. The cup is held up to their mouth. The background is a simple line drawing of a person's head and shoulders.

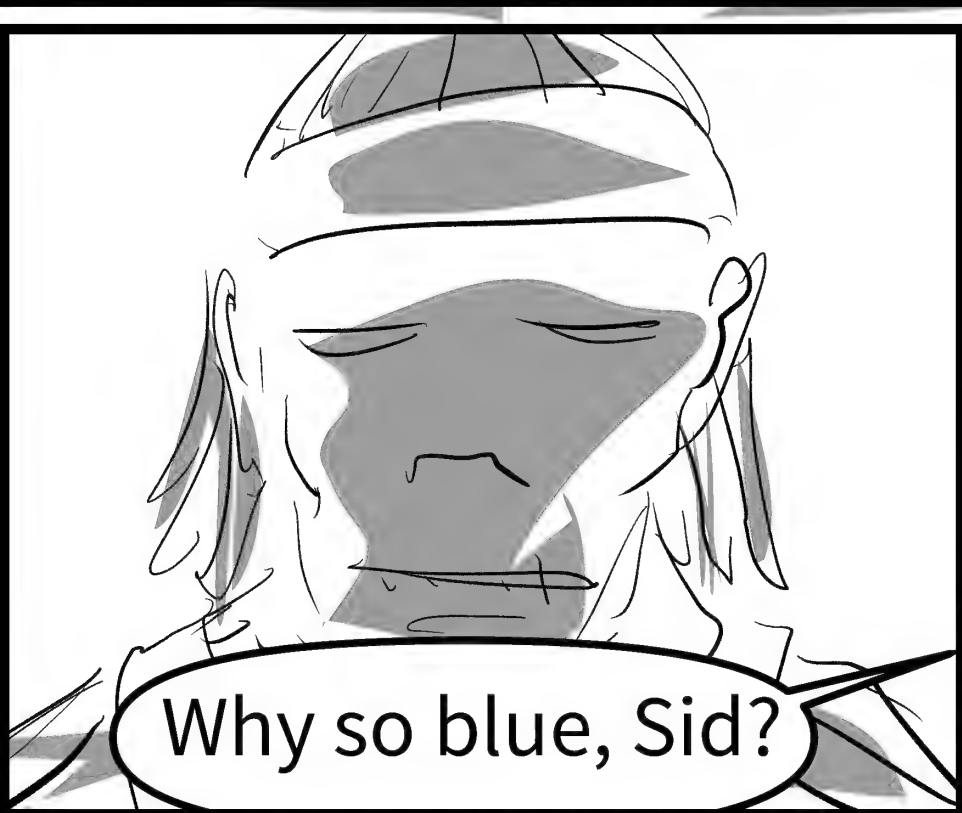

What are you waffling brat, I take more of them then the whole intersection bridge combined

A person is shown looking at a cup. The cup is held up to their mouth. The background is a simple line drawing of a person's head and shoulders.

Sir, with all respect

Why so blue, Sid?

Sir, I have been a zombie for quite some time, don't you remember?

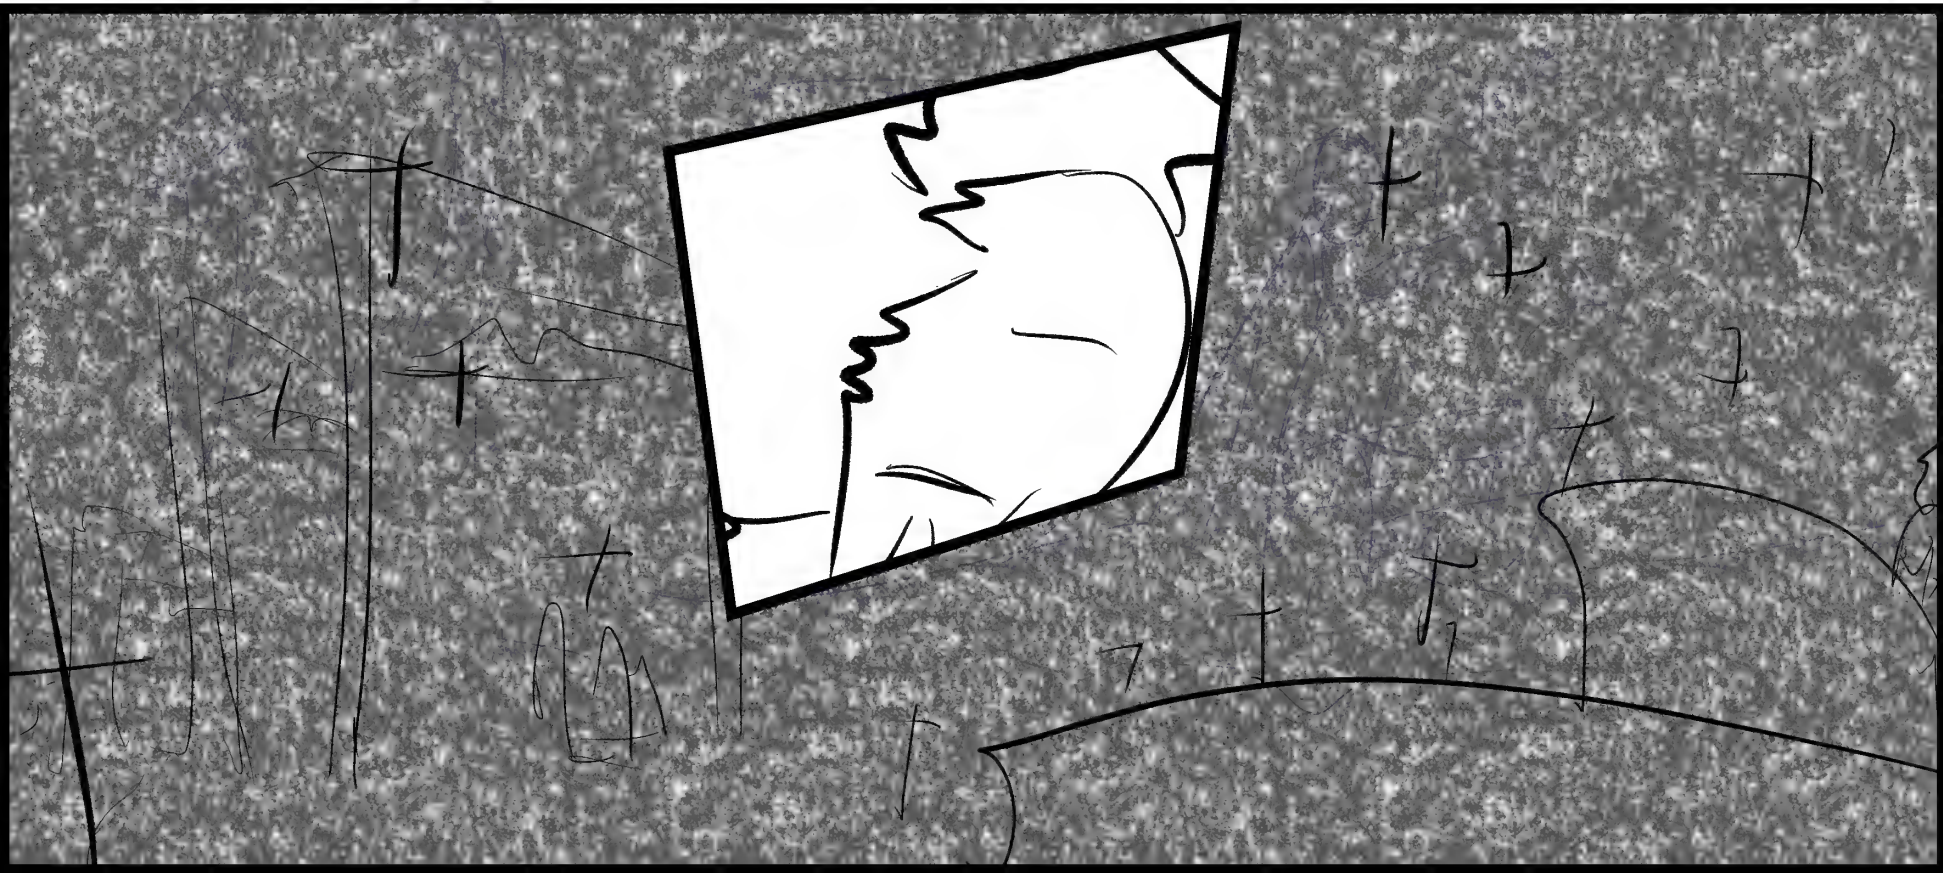

Ofcourse, I'm just joking, haha!

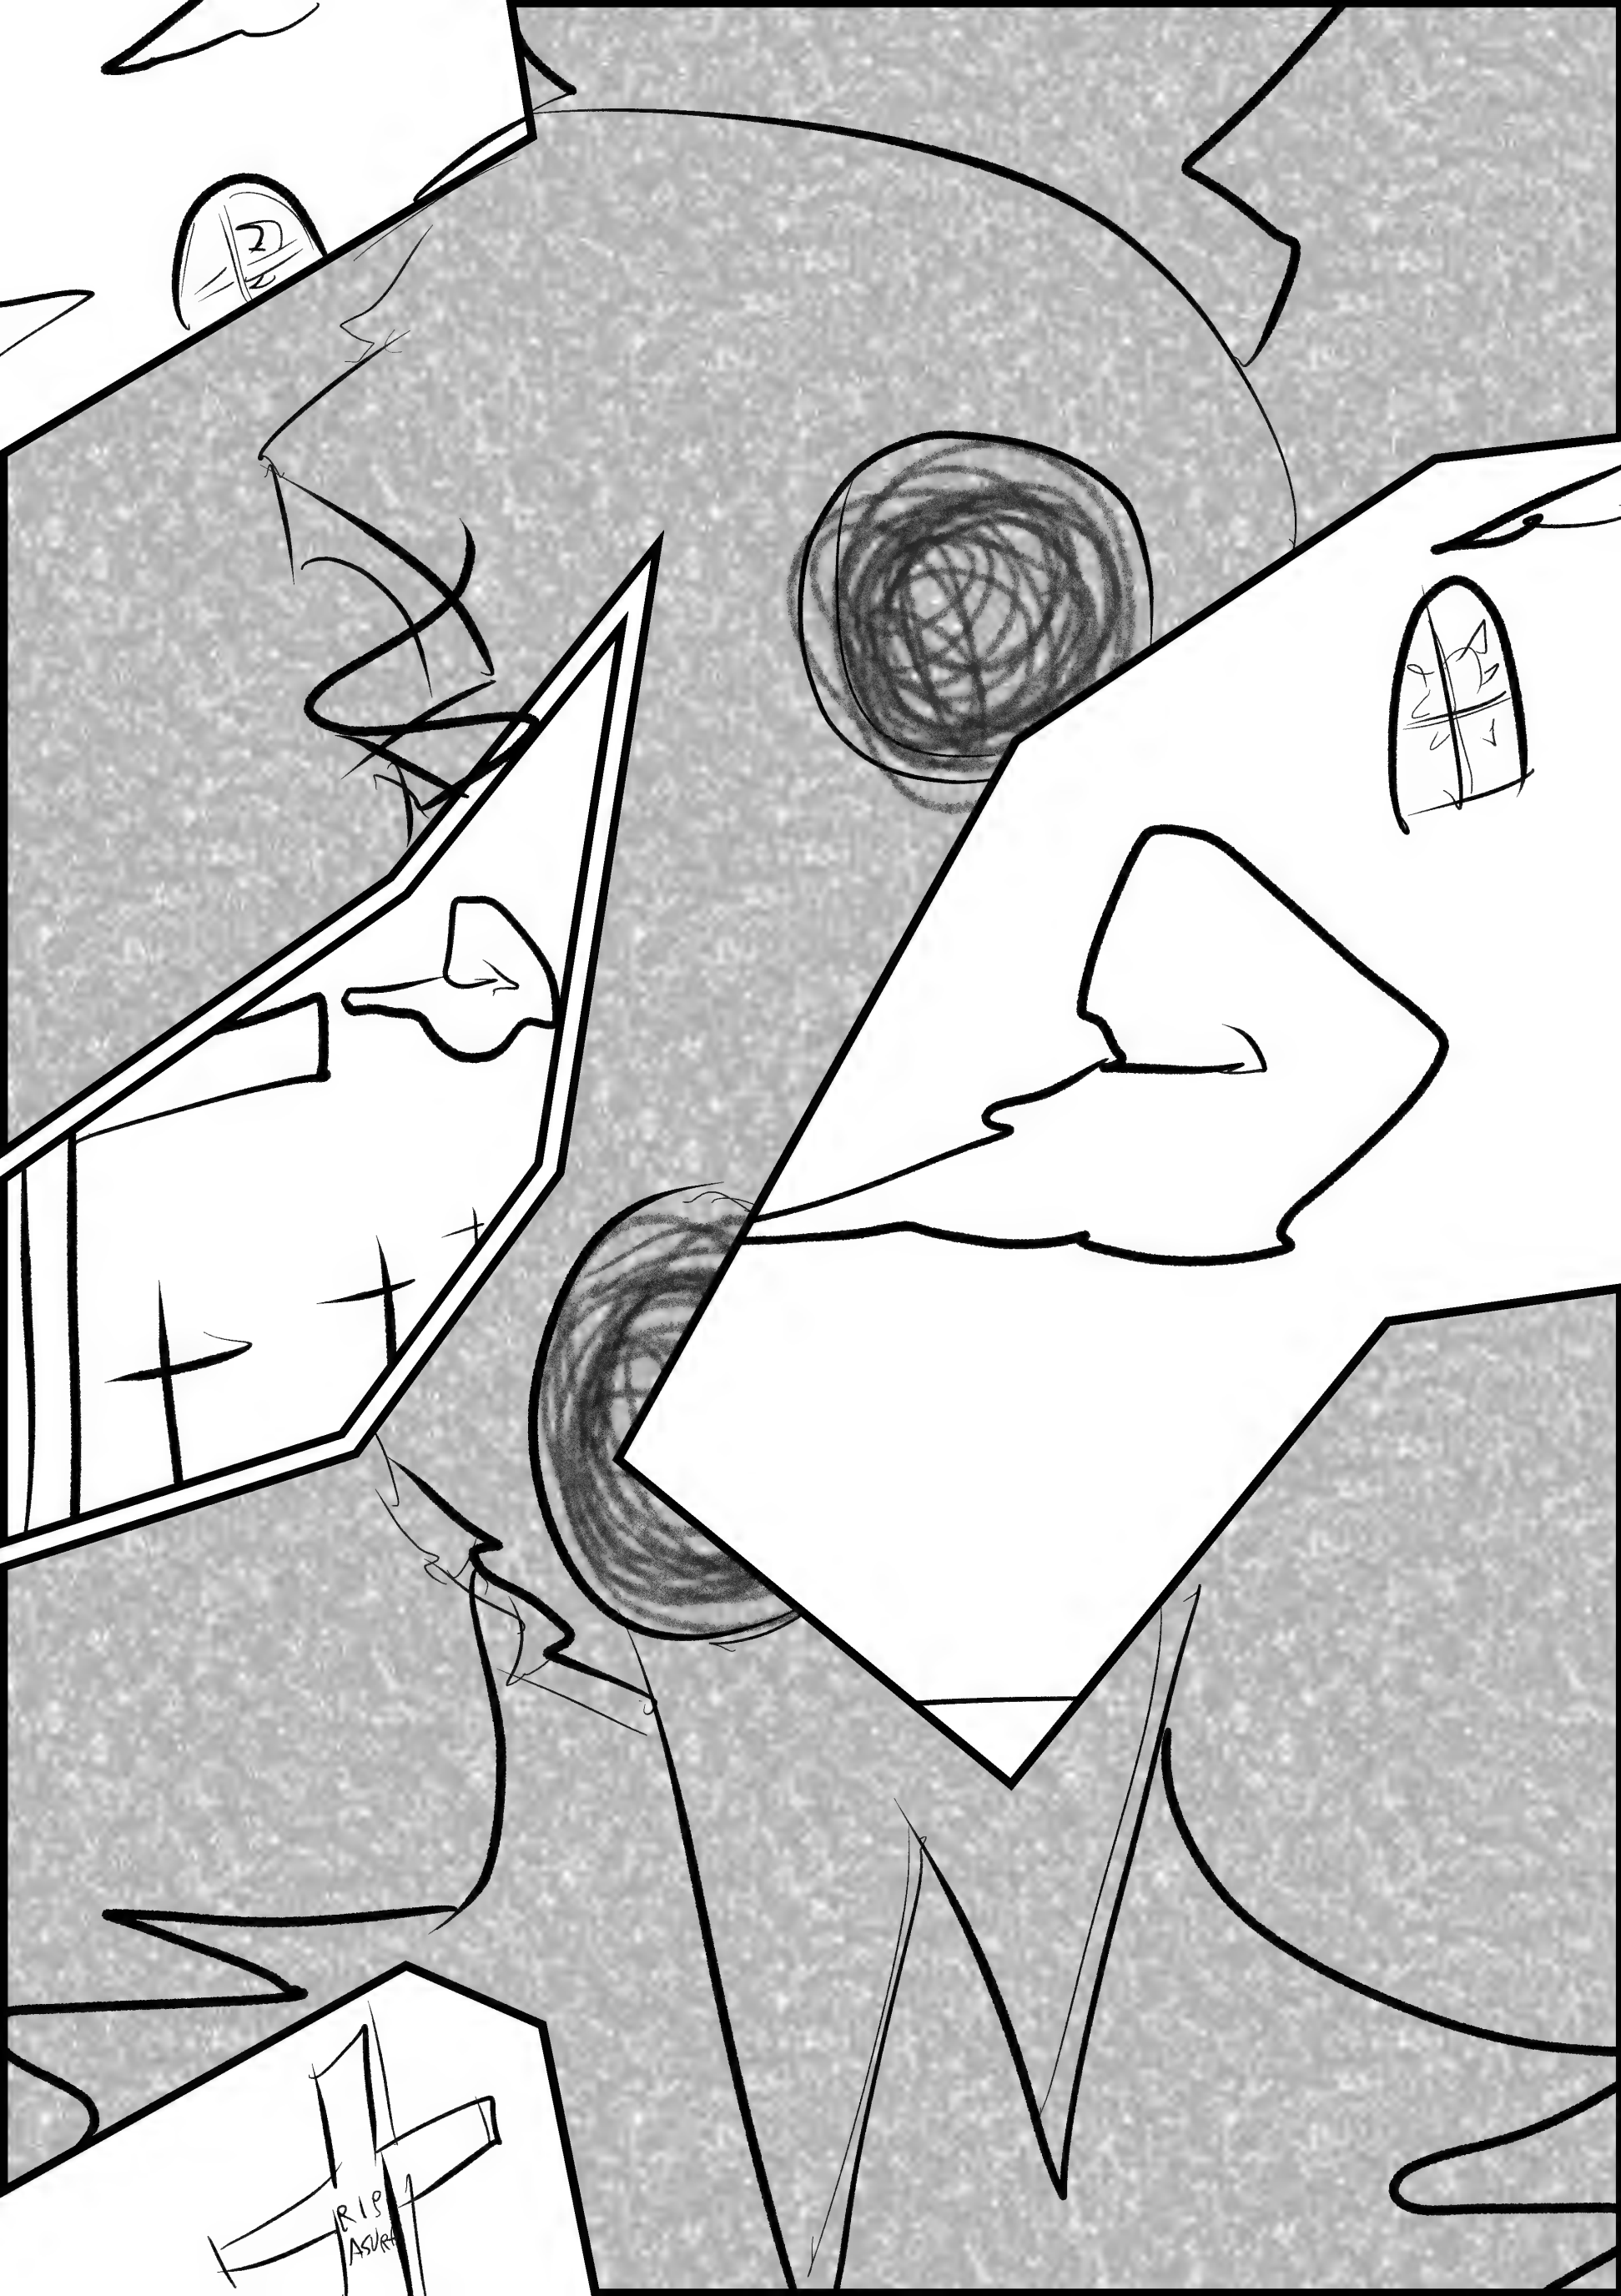

About everything?

Well...  
Who doesn't mix up some small details sometimes?

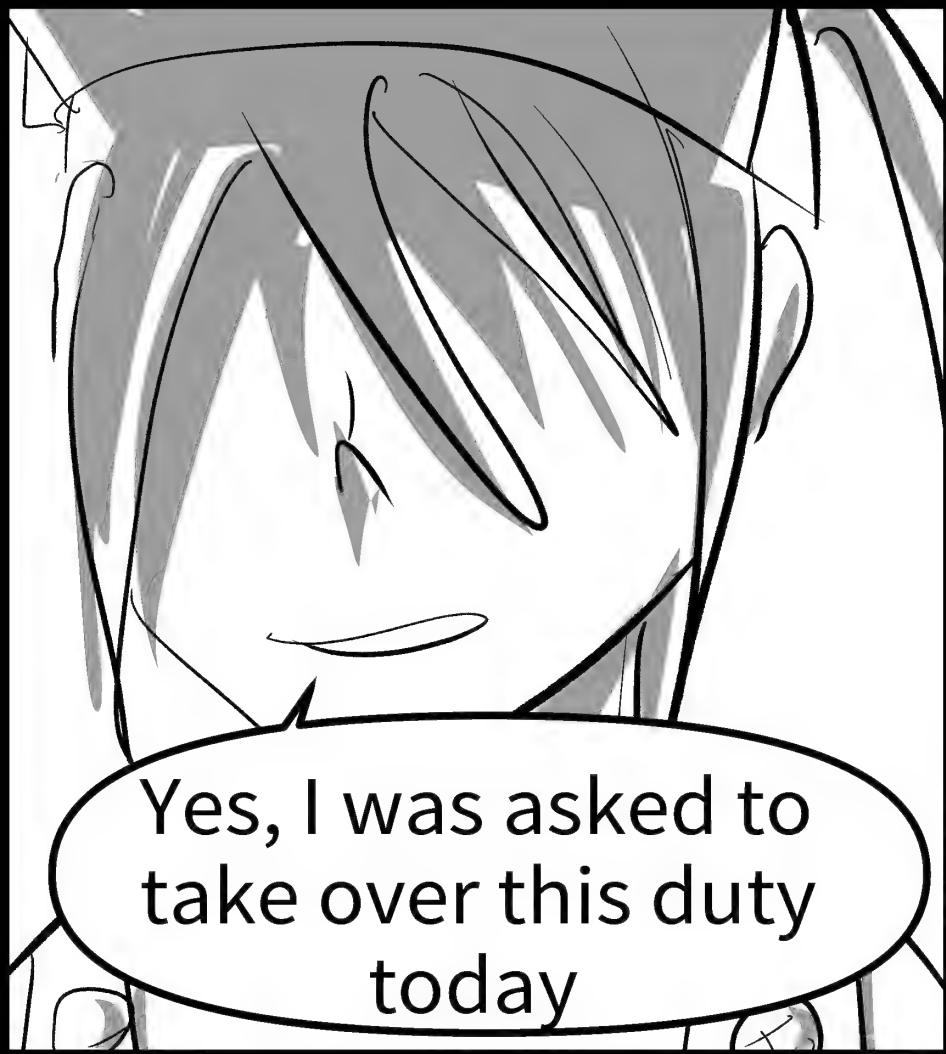

Requesting

entrance

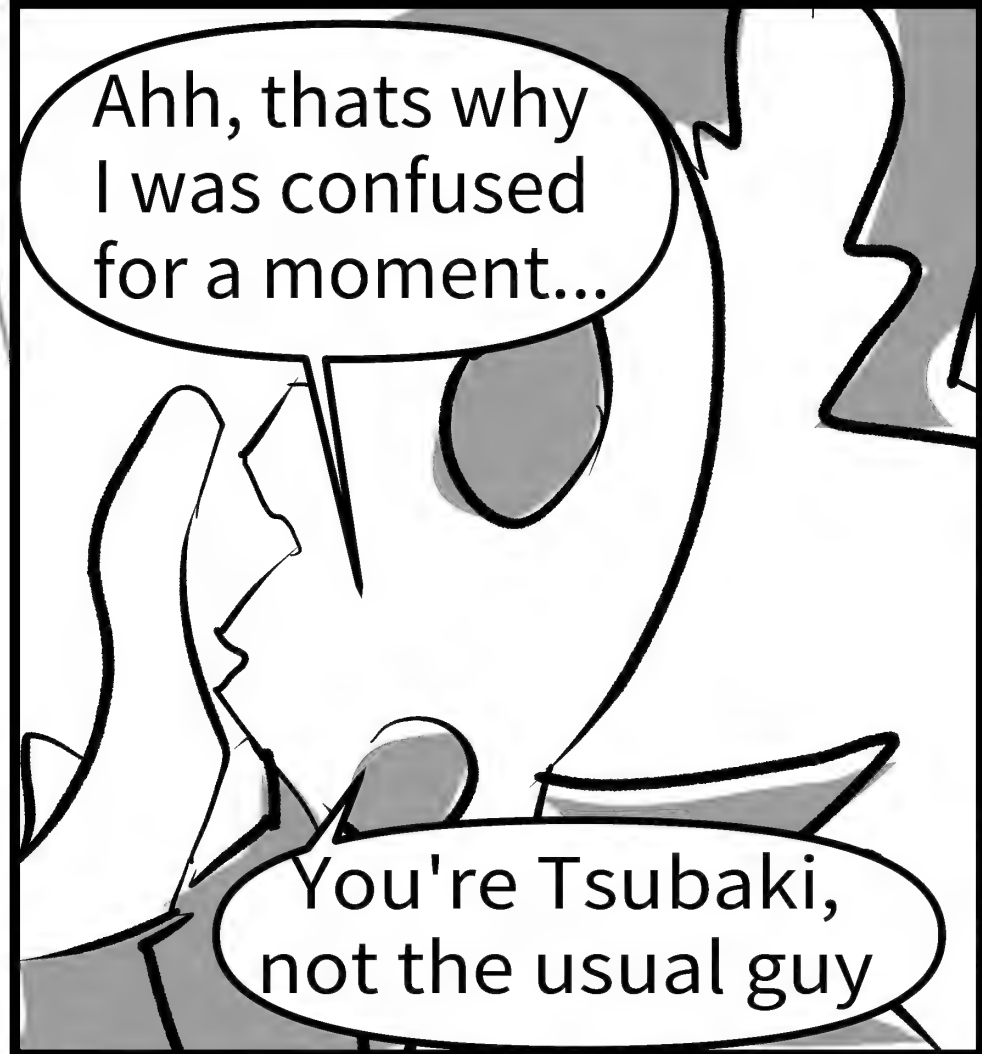

huh?

Your  
coffee  
delivery

Coffee?

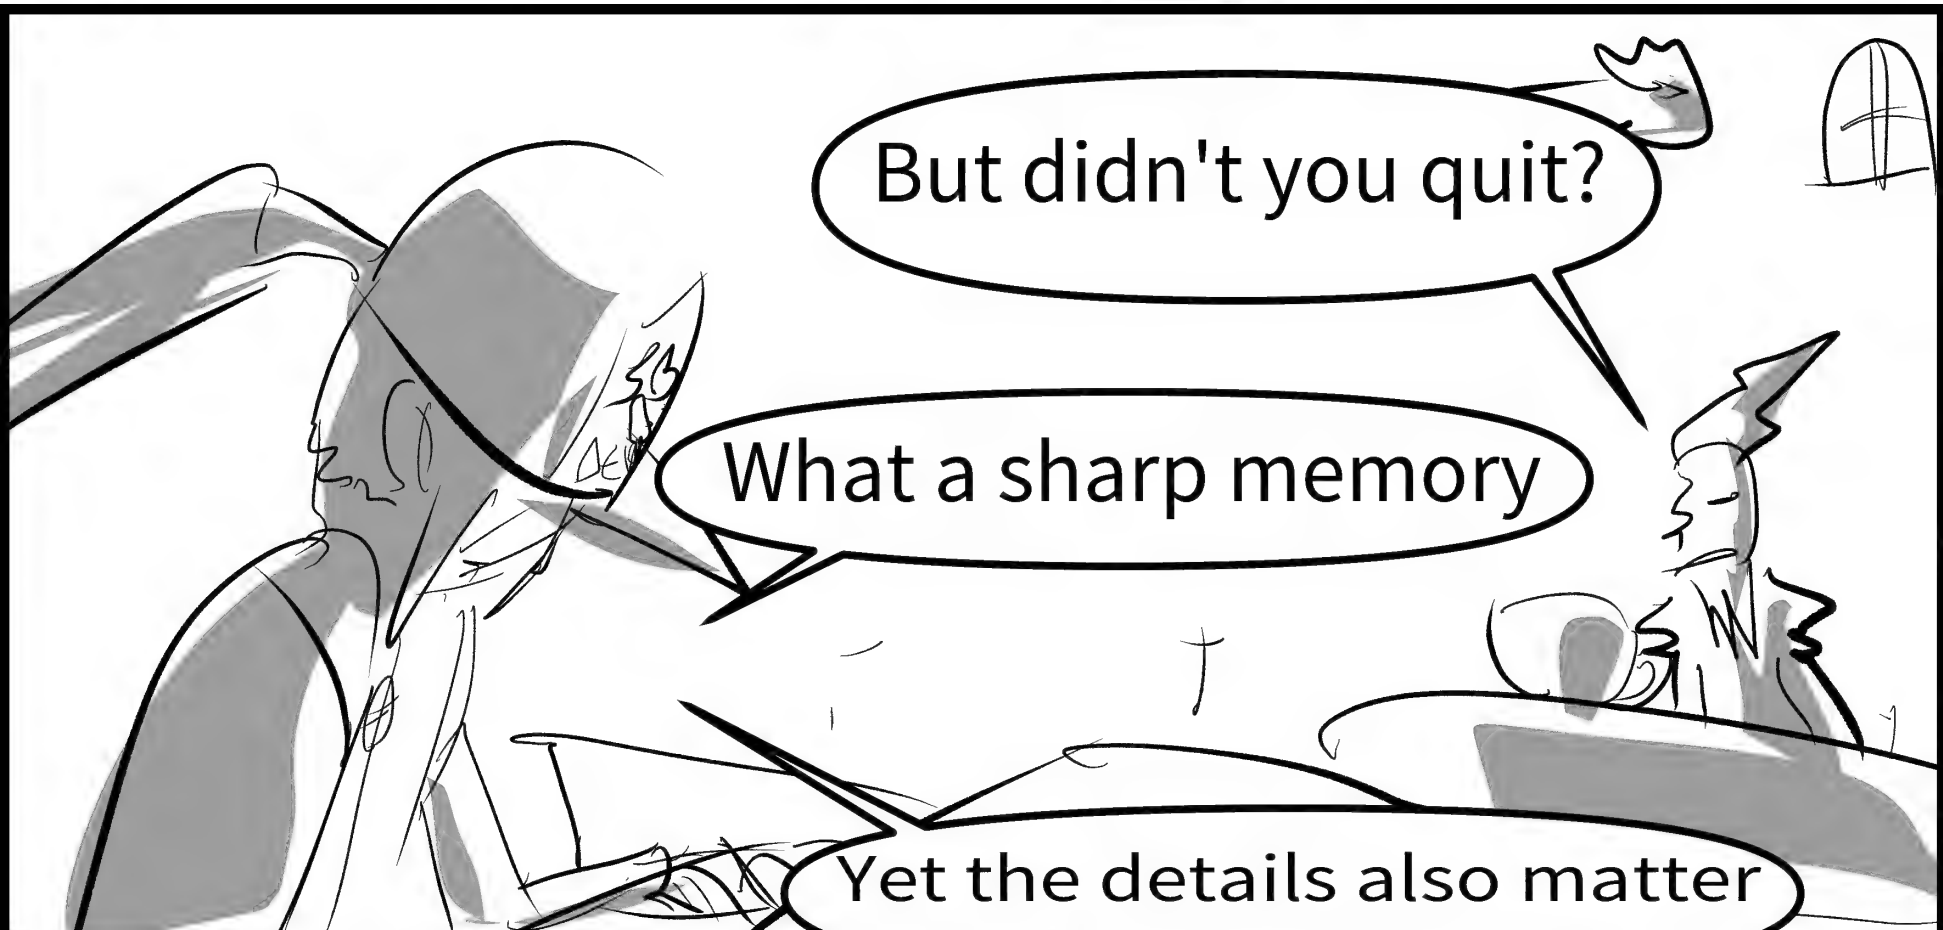

Yes, I was asked to  
take over this duty  
today

Ahh, thats why  
I was confused  
for a moment...

You're Tsubaki,  
not the usual guy

But didn't you quit?

What a sharp memory

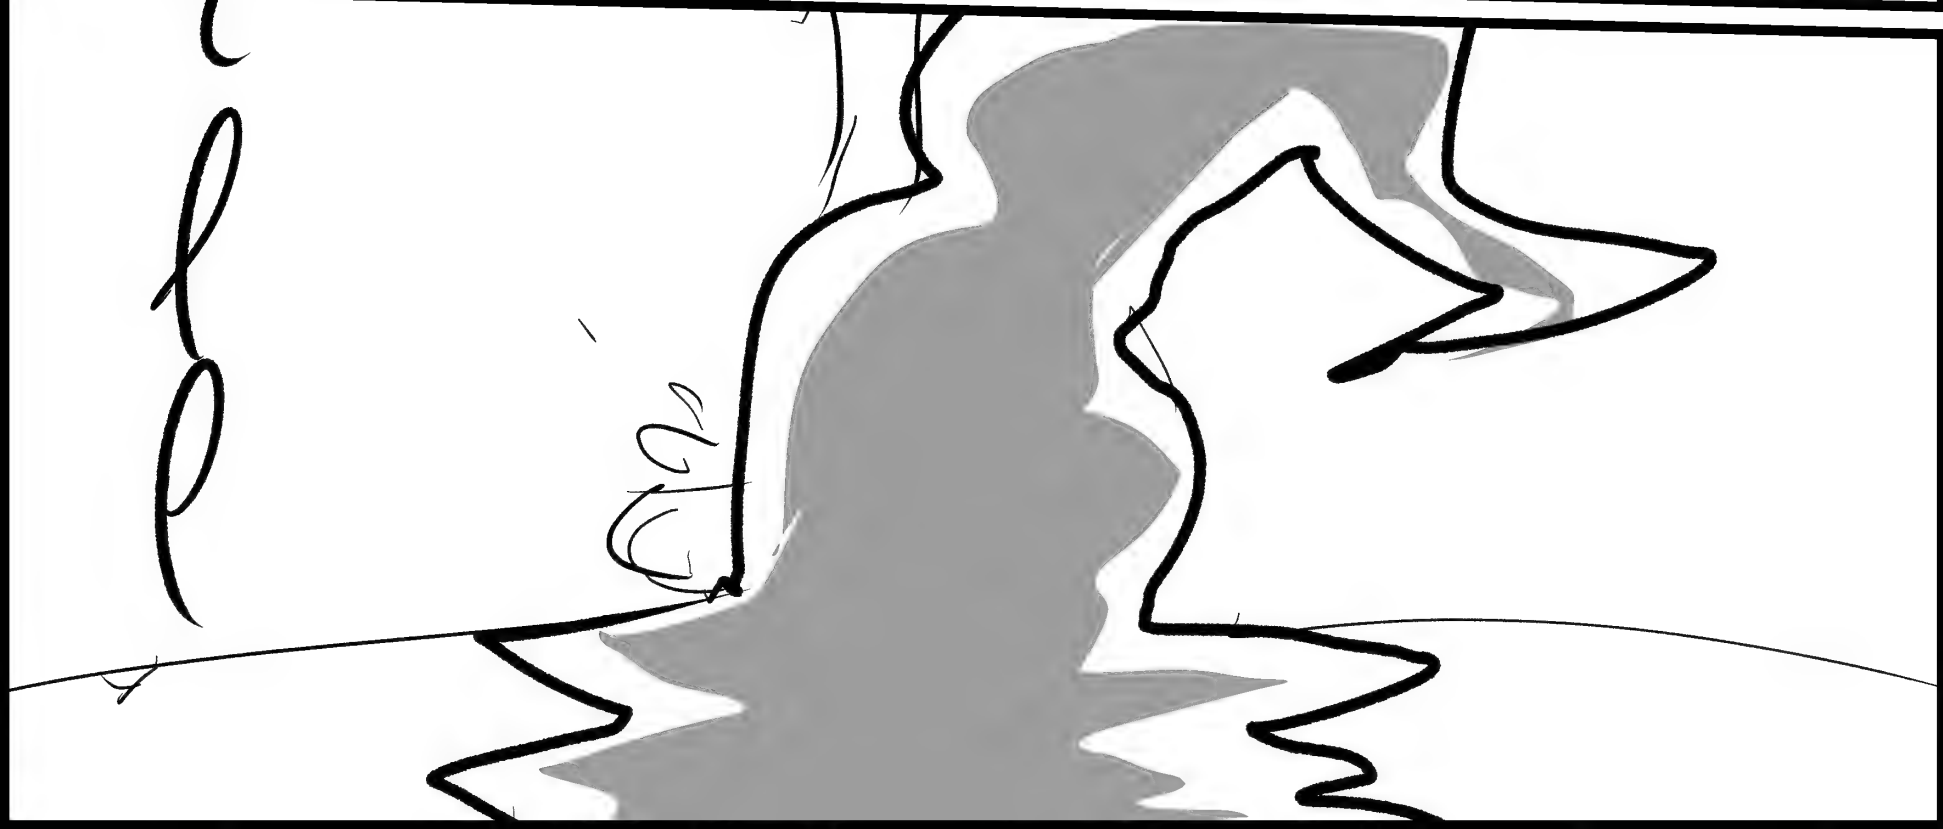

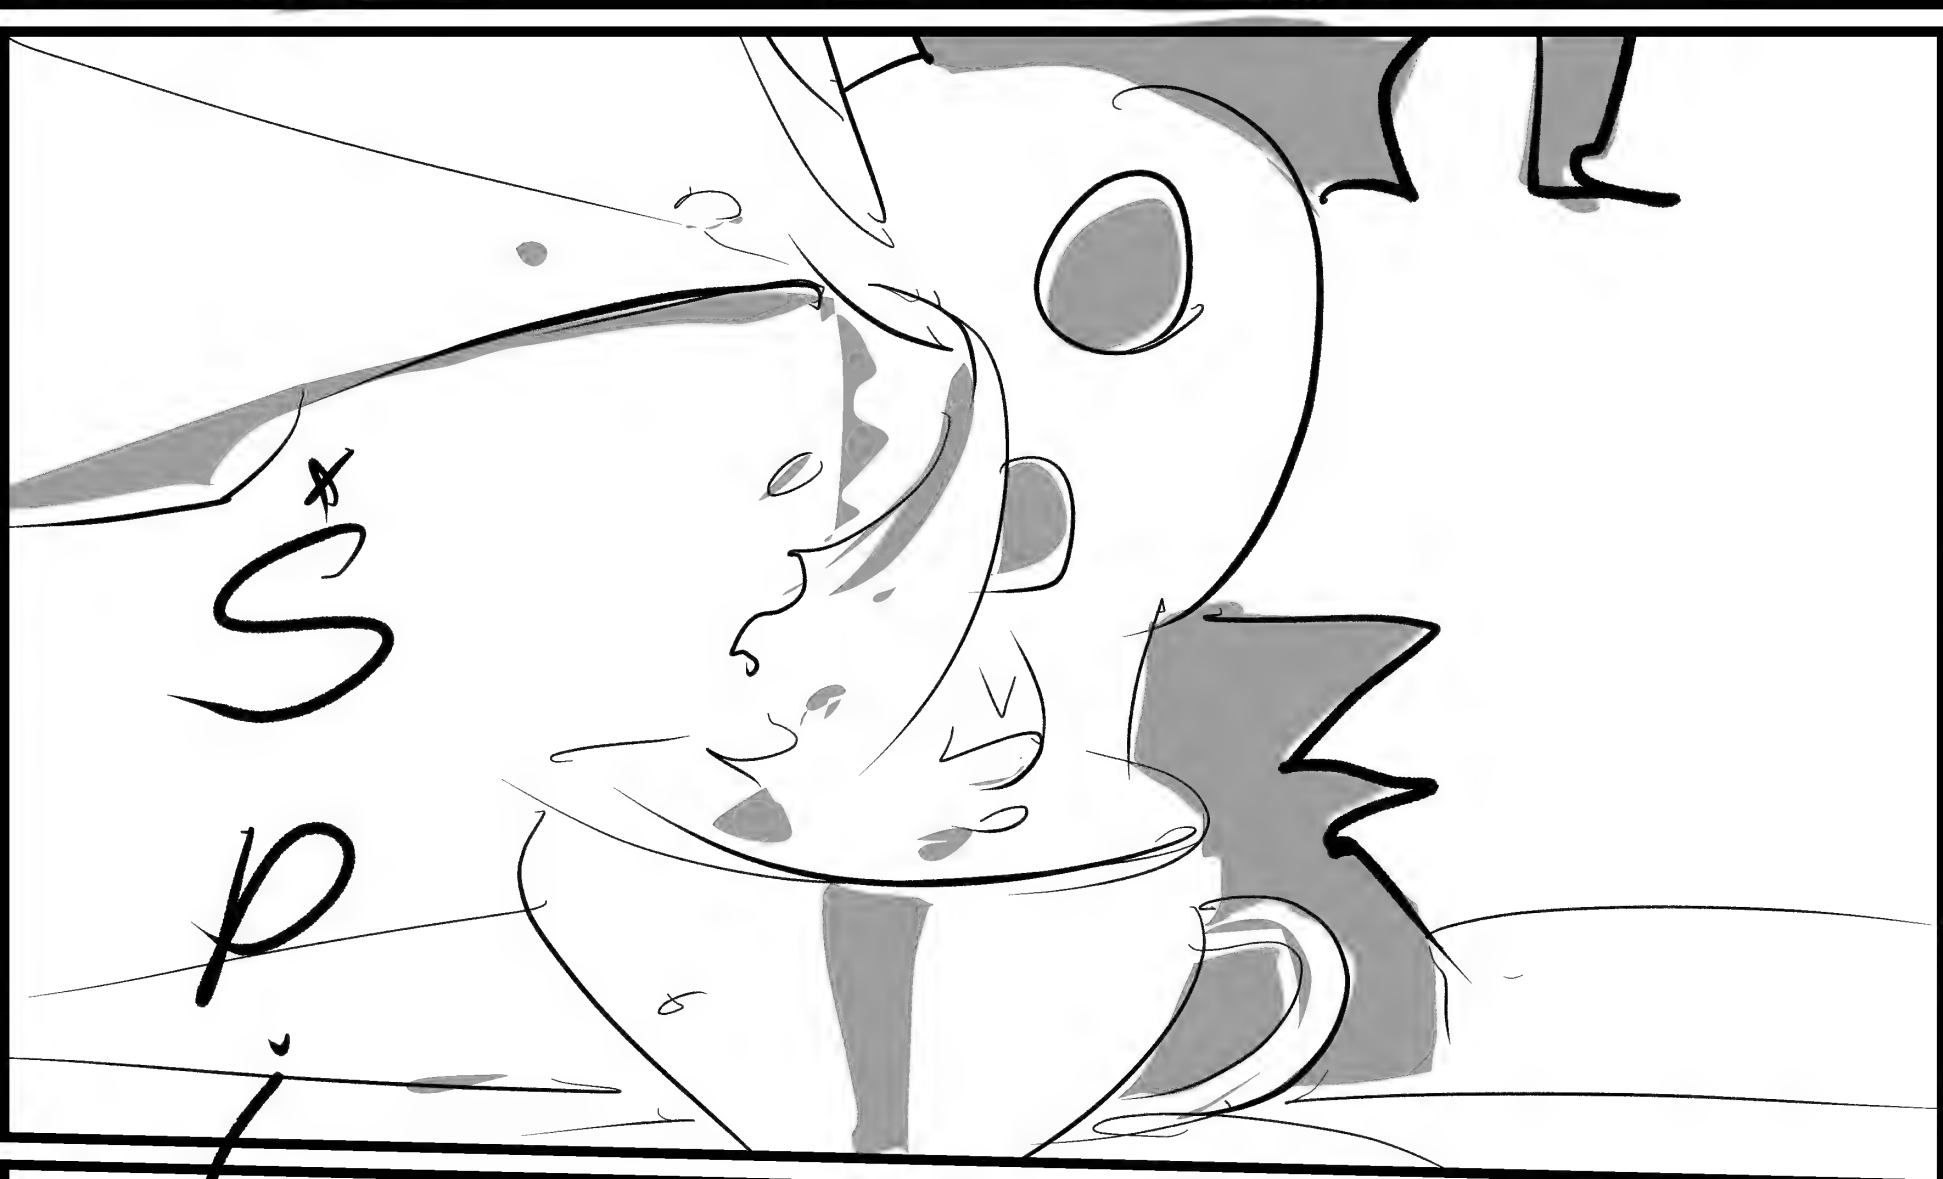

Yet the details also matter

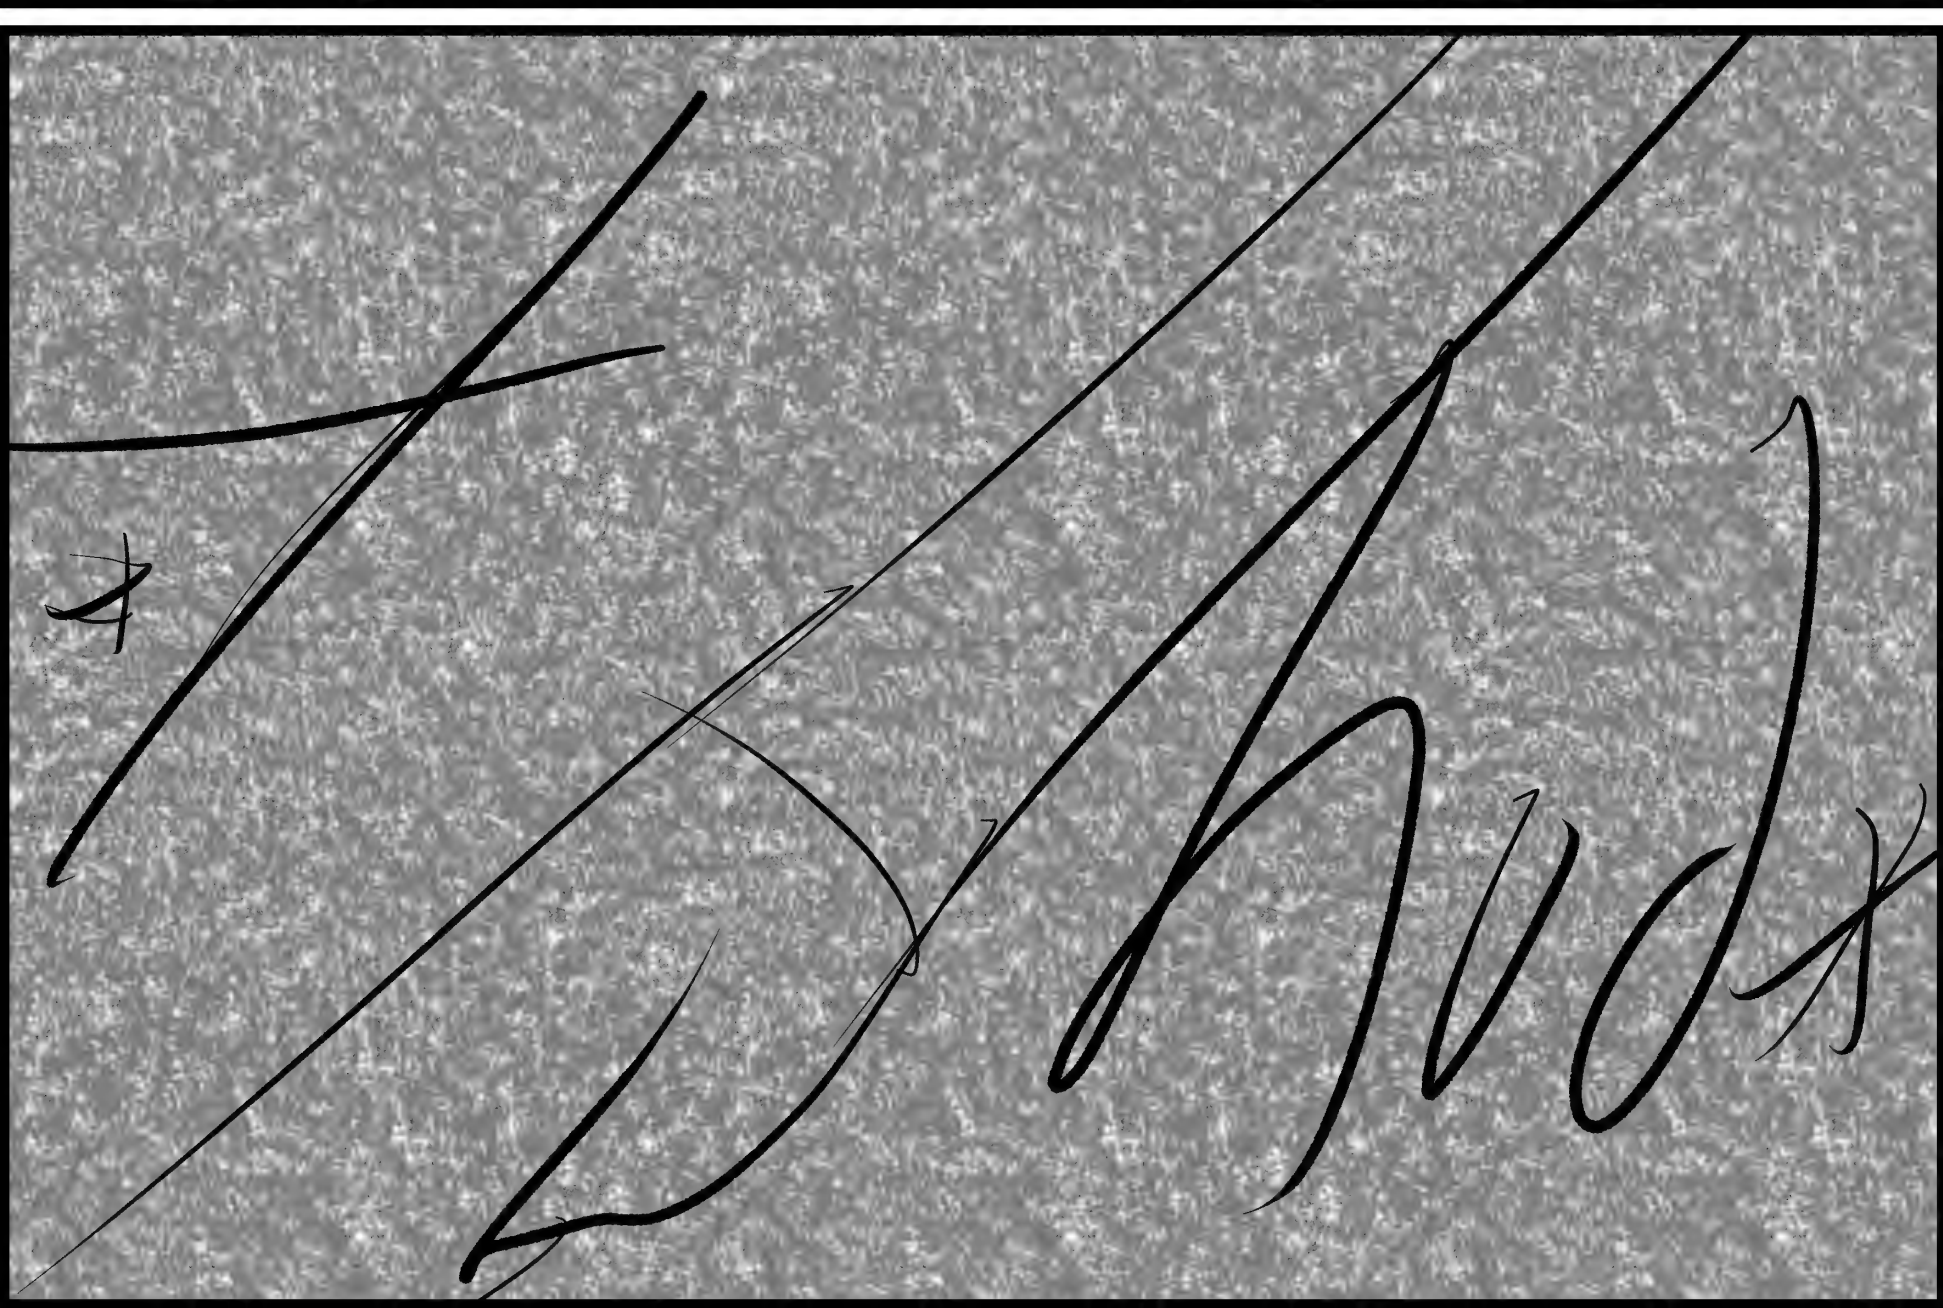

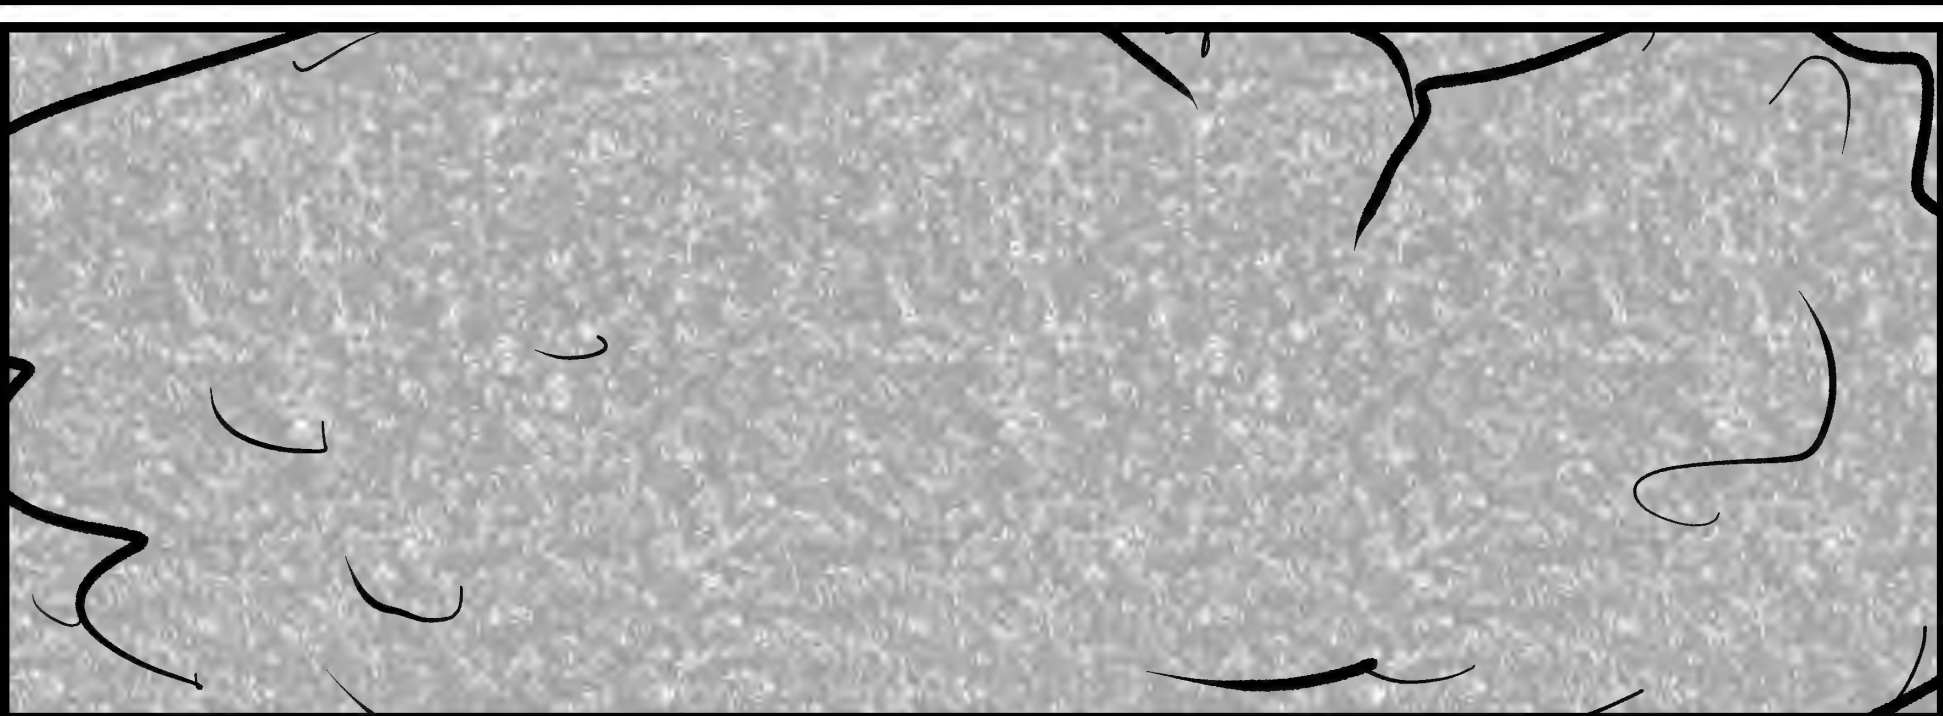

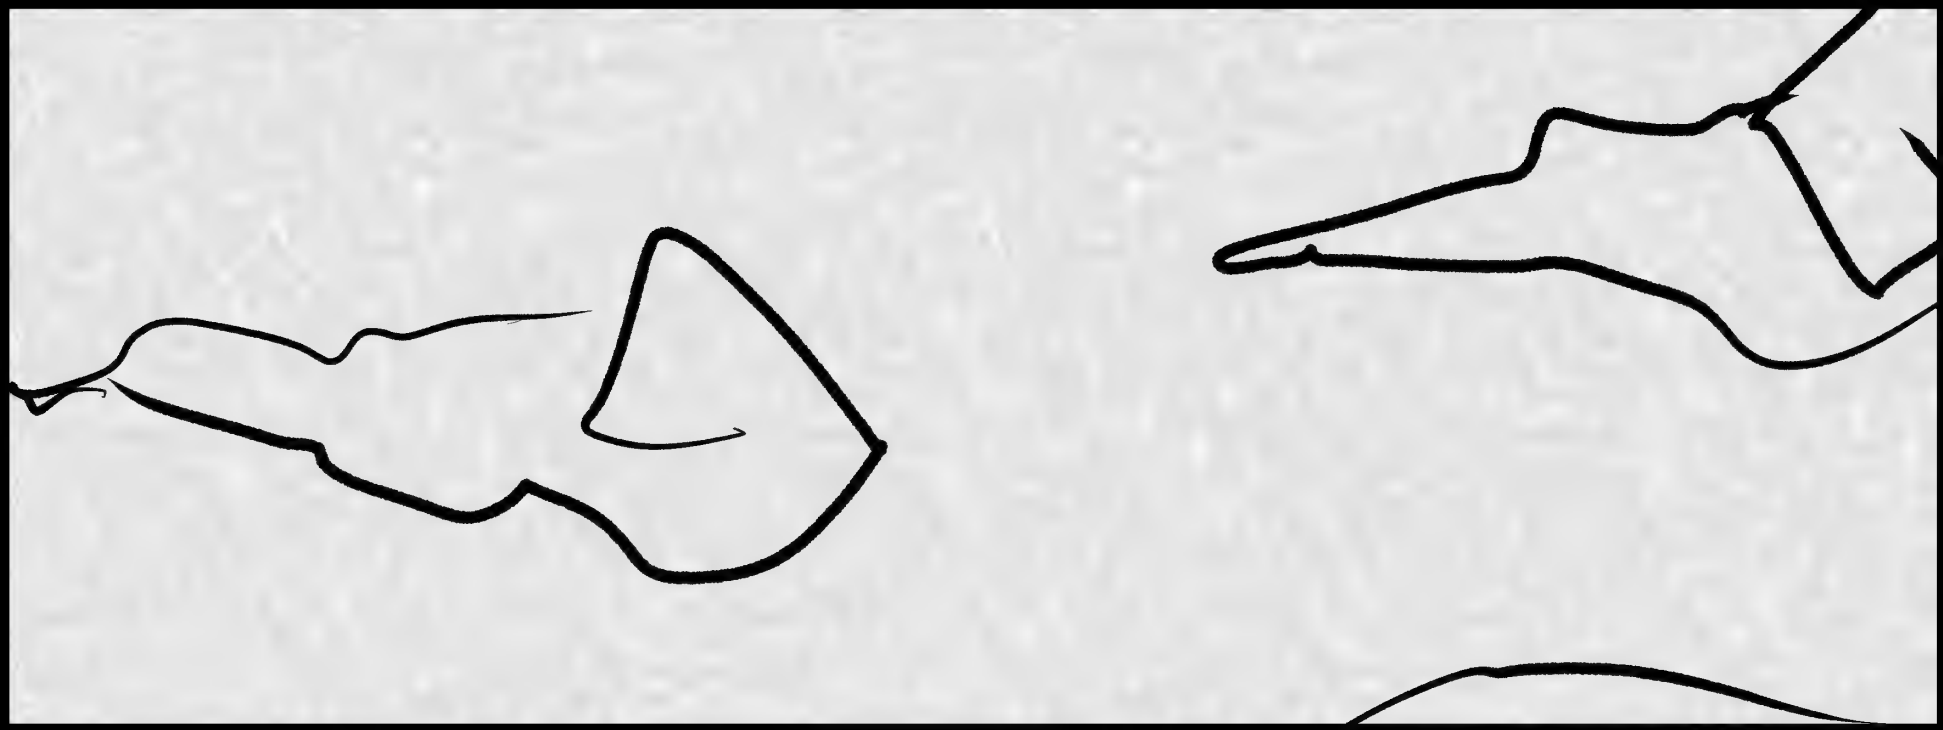

I still live,  
work and  
fight for this  
city

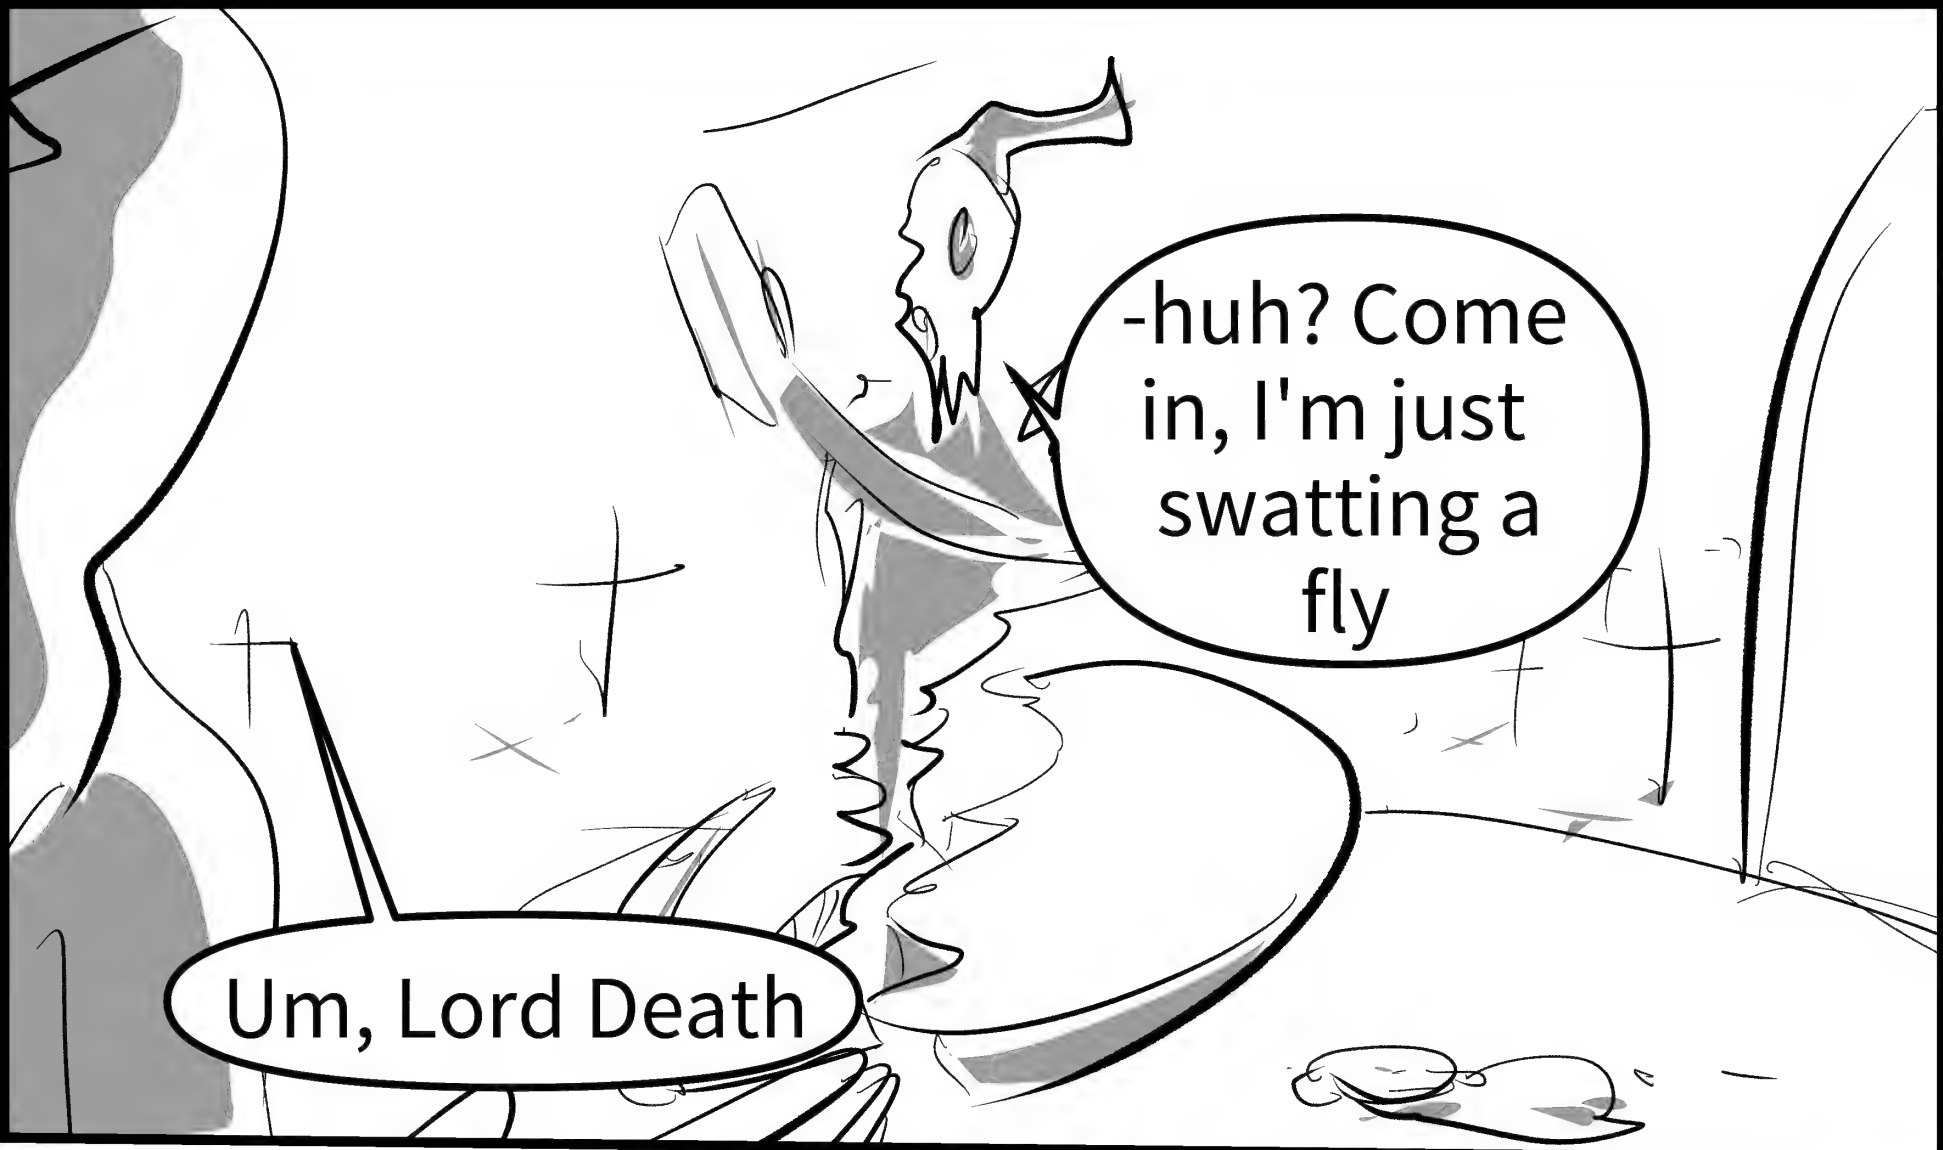

So even if I  
may be disliked  
by some grumpy  
individuals...

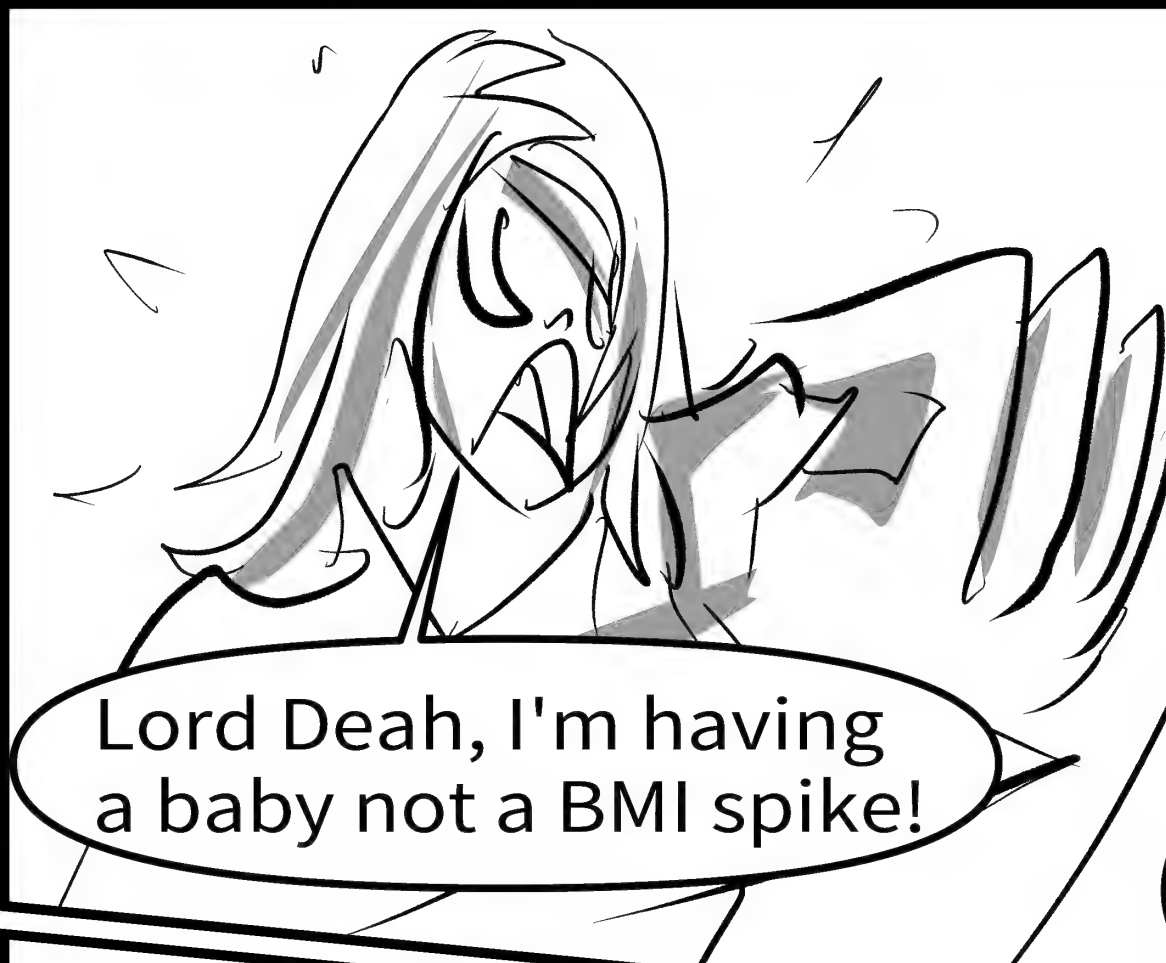

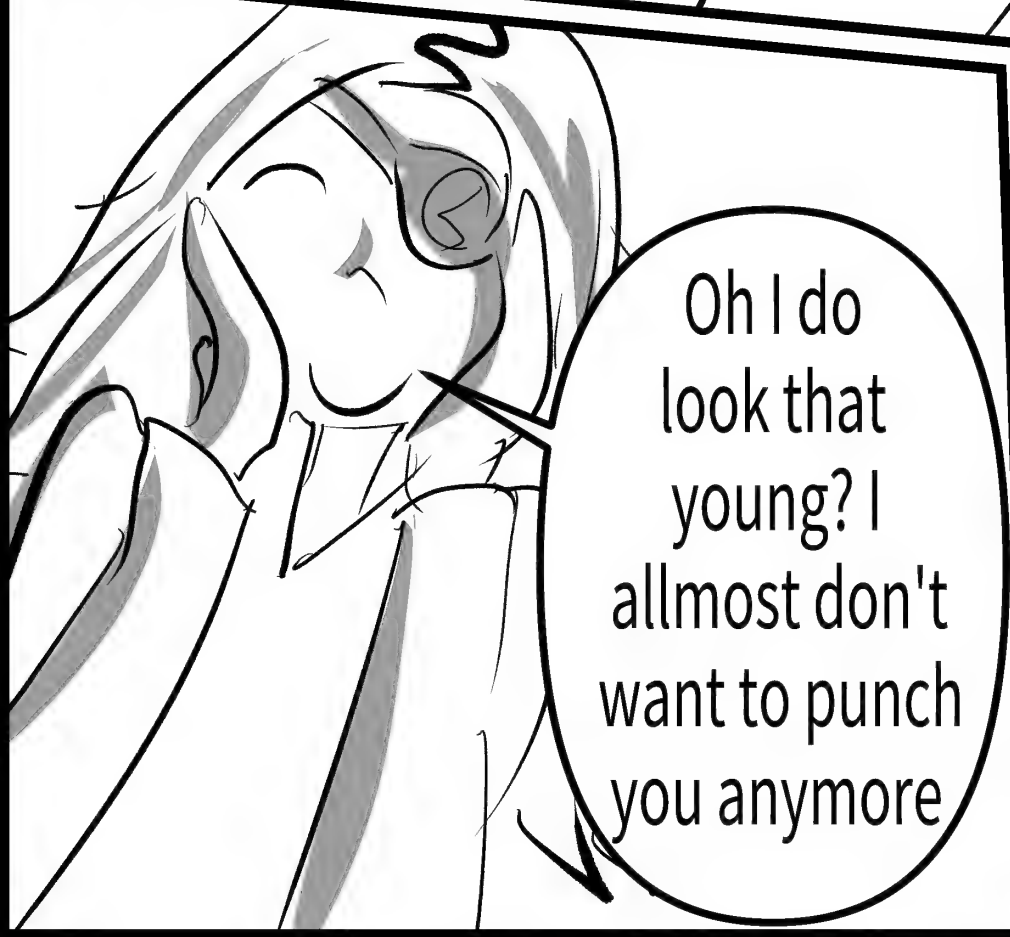

Lord Deah, I'm having  
a baby not a BMI spike!

Teen pregnancy?  
That's even worse!

Oh I do  
look that  
young? I  
almost don't  
want to punch  
you anymore

Oh wait-

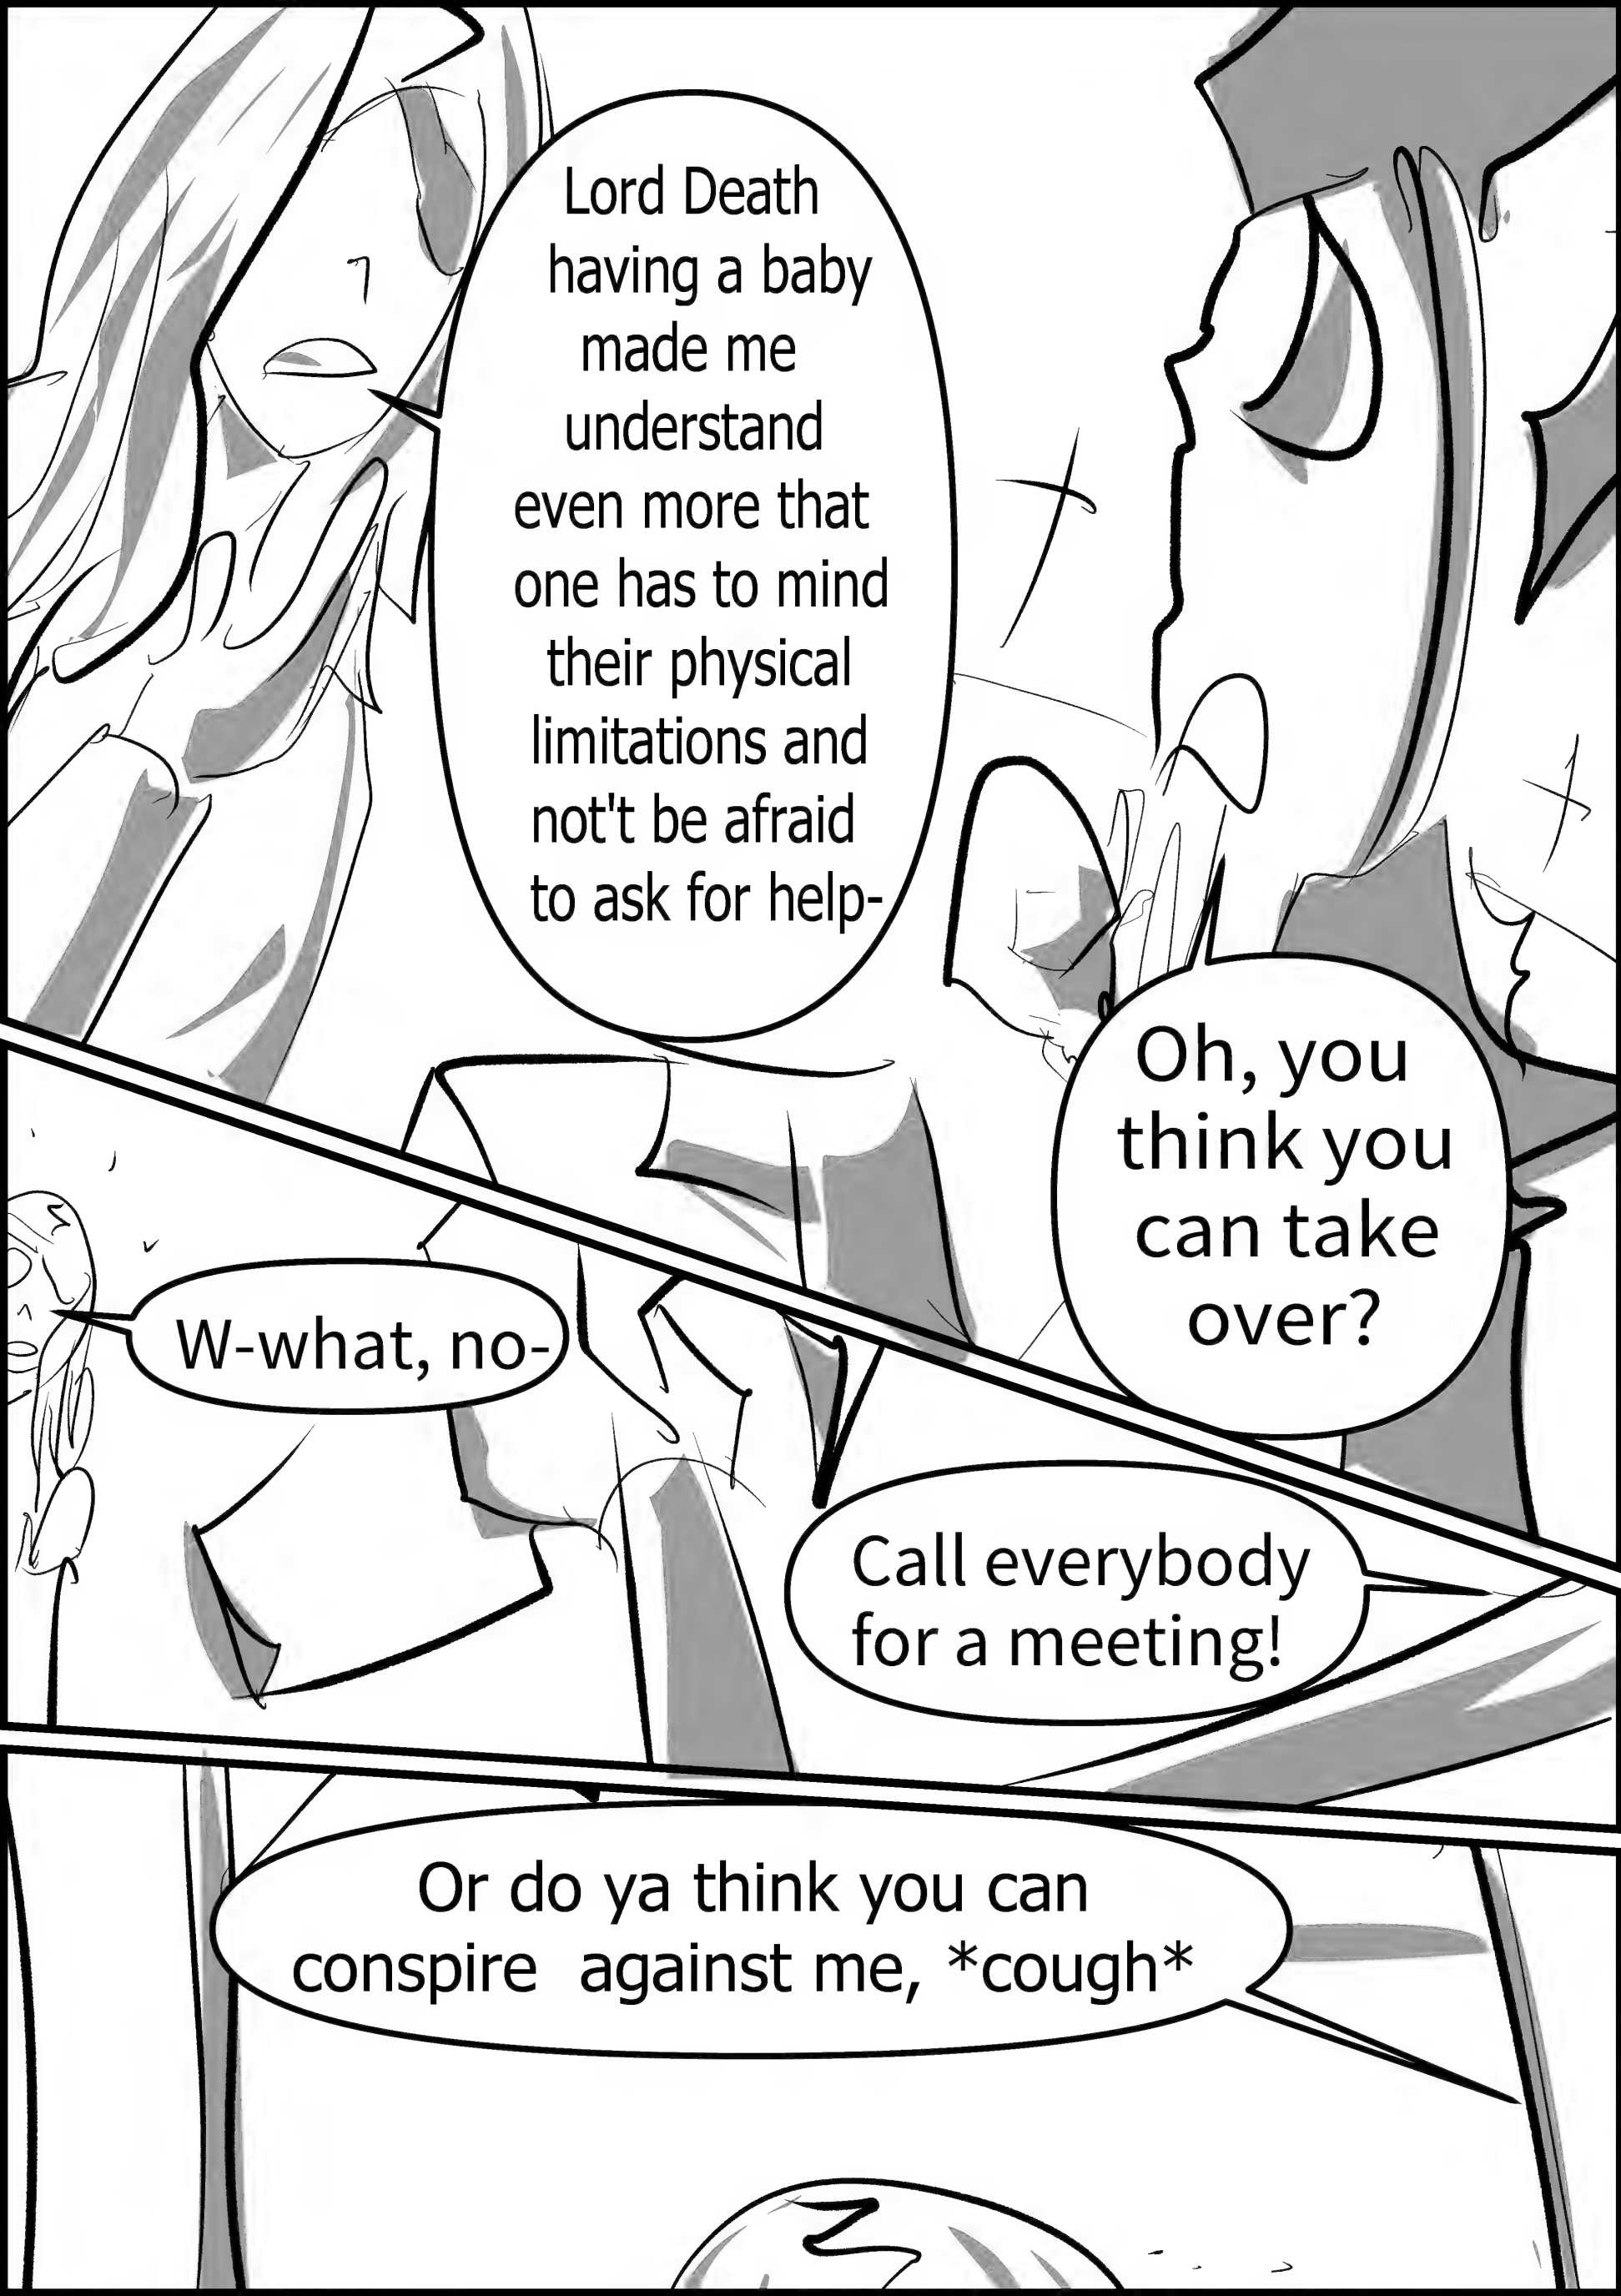

I mixed  
something  
up again...

Is everytghing  
allright sir?!

Maybe a fever?!

No, I'm  
eternal  
and  
powerful  
and  
\*cough\*

Lord Death  
having a baby  
made me  
understand  
even more that  
one has to mind  
their physical  
limitations and  
not't be afraid  
to ask for help-

Oh, you  
think you  
can take  
over?

W-what, no-

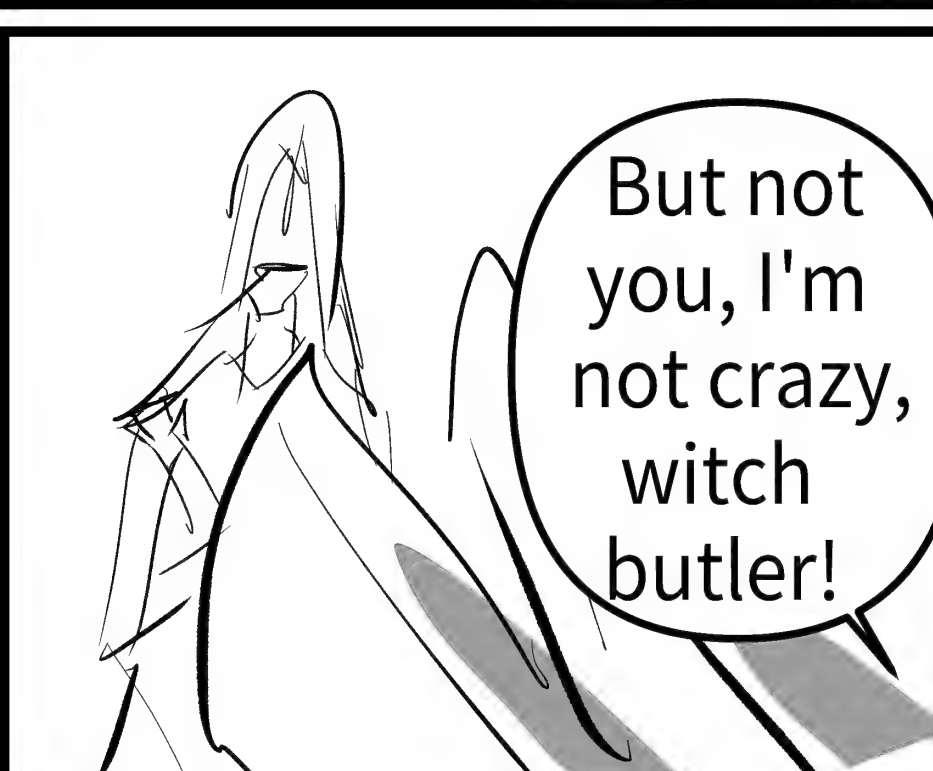

Call everybody  
for a meeting!

Or do ya think you can  
conspire against me, \*cough\*

a few minutes later...

Here is a mission for you folks!

But not  
you, I'm  
not crazy,  
witch  
butler!

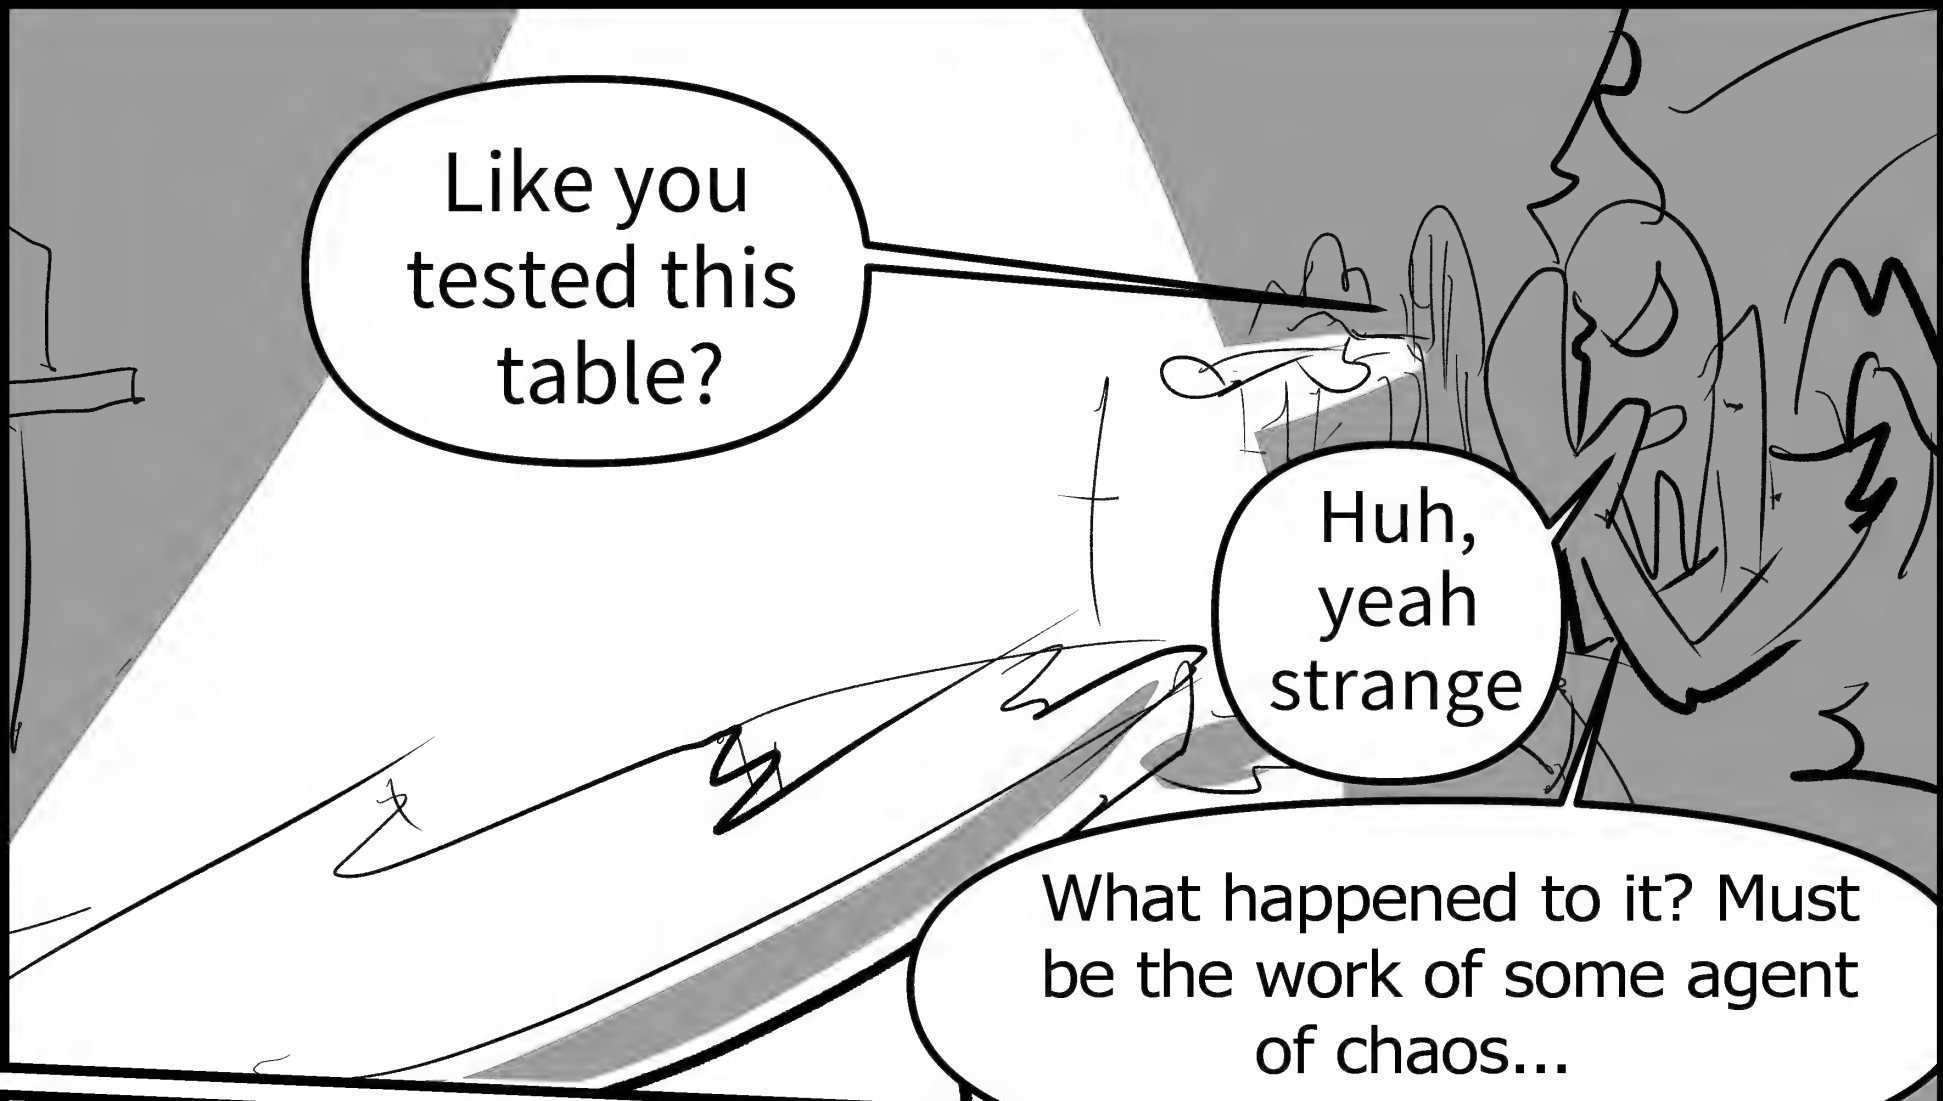

I  
doubt  
that

I'm a  
mercifull  
God

but don't  
\*cough\*  
test me

Like you  
tested this  
table?

Huh,  
yeah  
strange

What happened to it? Must  
be the work of some agent  
of chaos...

So now do what I wrrote  
on the sheets, and bye!

Sir, is it really prudent to  
leave the city unprotected-

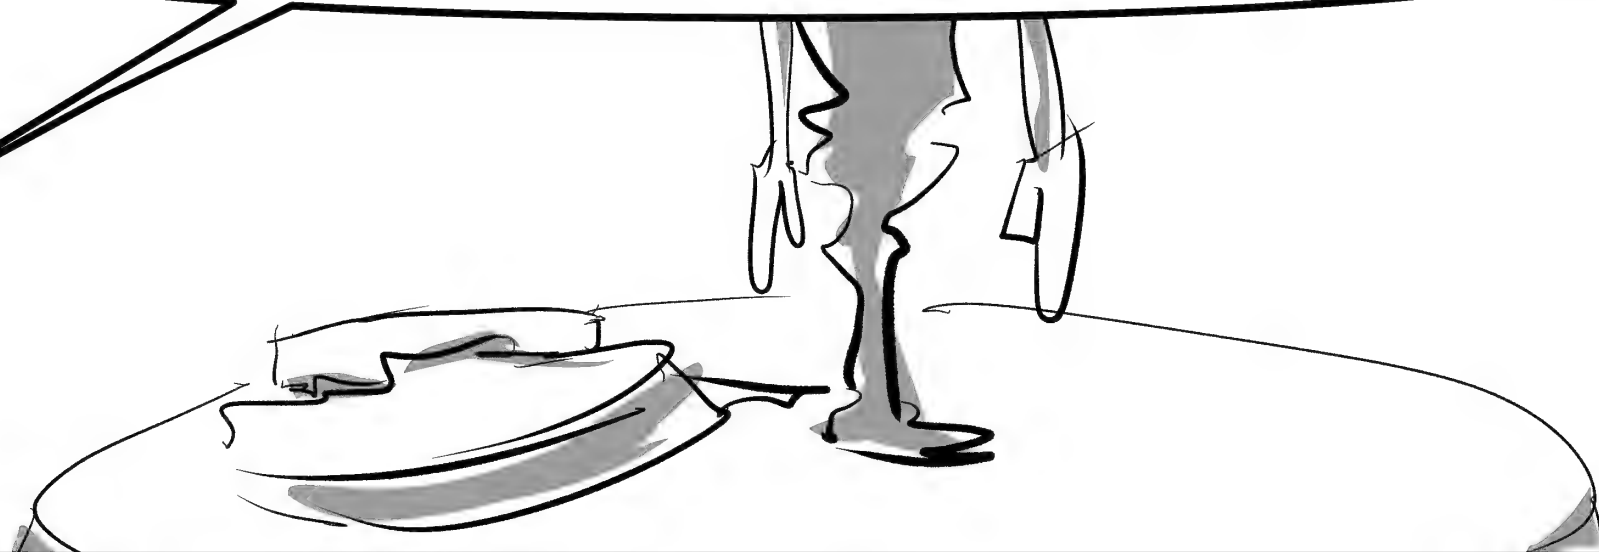

**BYE!**

Let's hope his forgetfullnes  
makes him forget the details  
of his "new order" and we can  
leave some students here  
for defense...

Don't worry, even if a bit more eccentric than in the past, I'm still sure he knows what he's doing

Chod

...

Huh,  
where is  
everyone?

What  
happened  
to my  
coffee?

I'm not sure...

I fear, that once Stein and Spirit are back we'll have to make some tough calls for the DWMA's future...

Hhm... A sad state of affairs

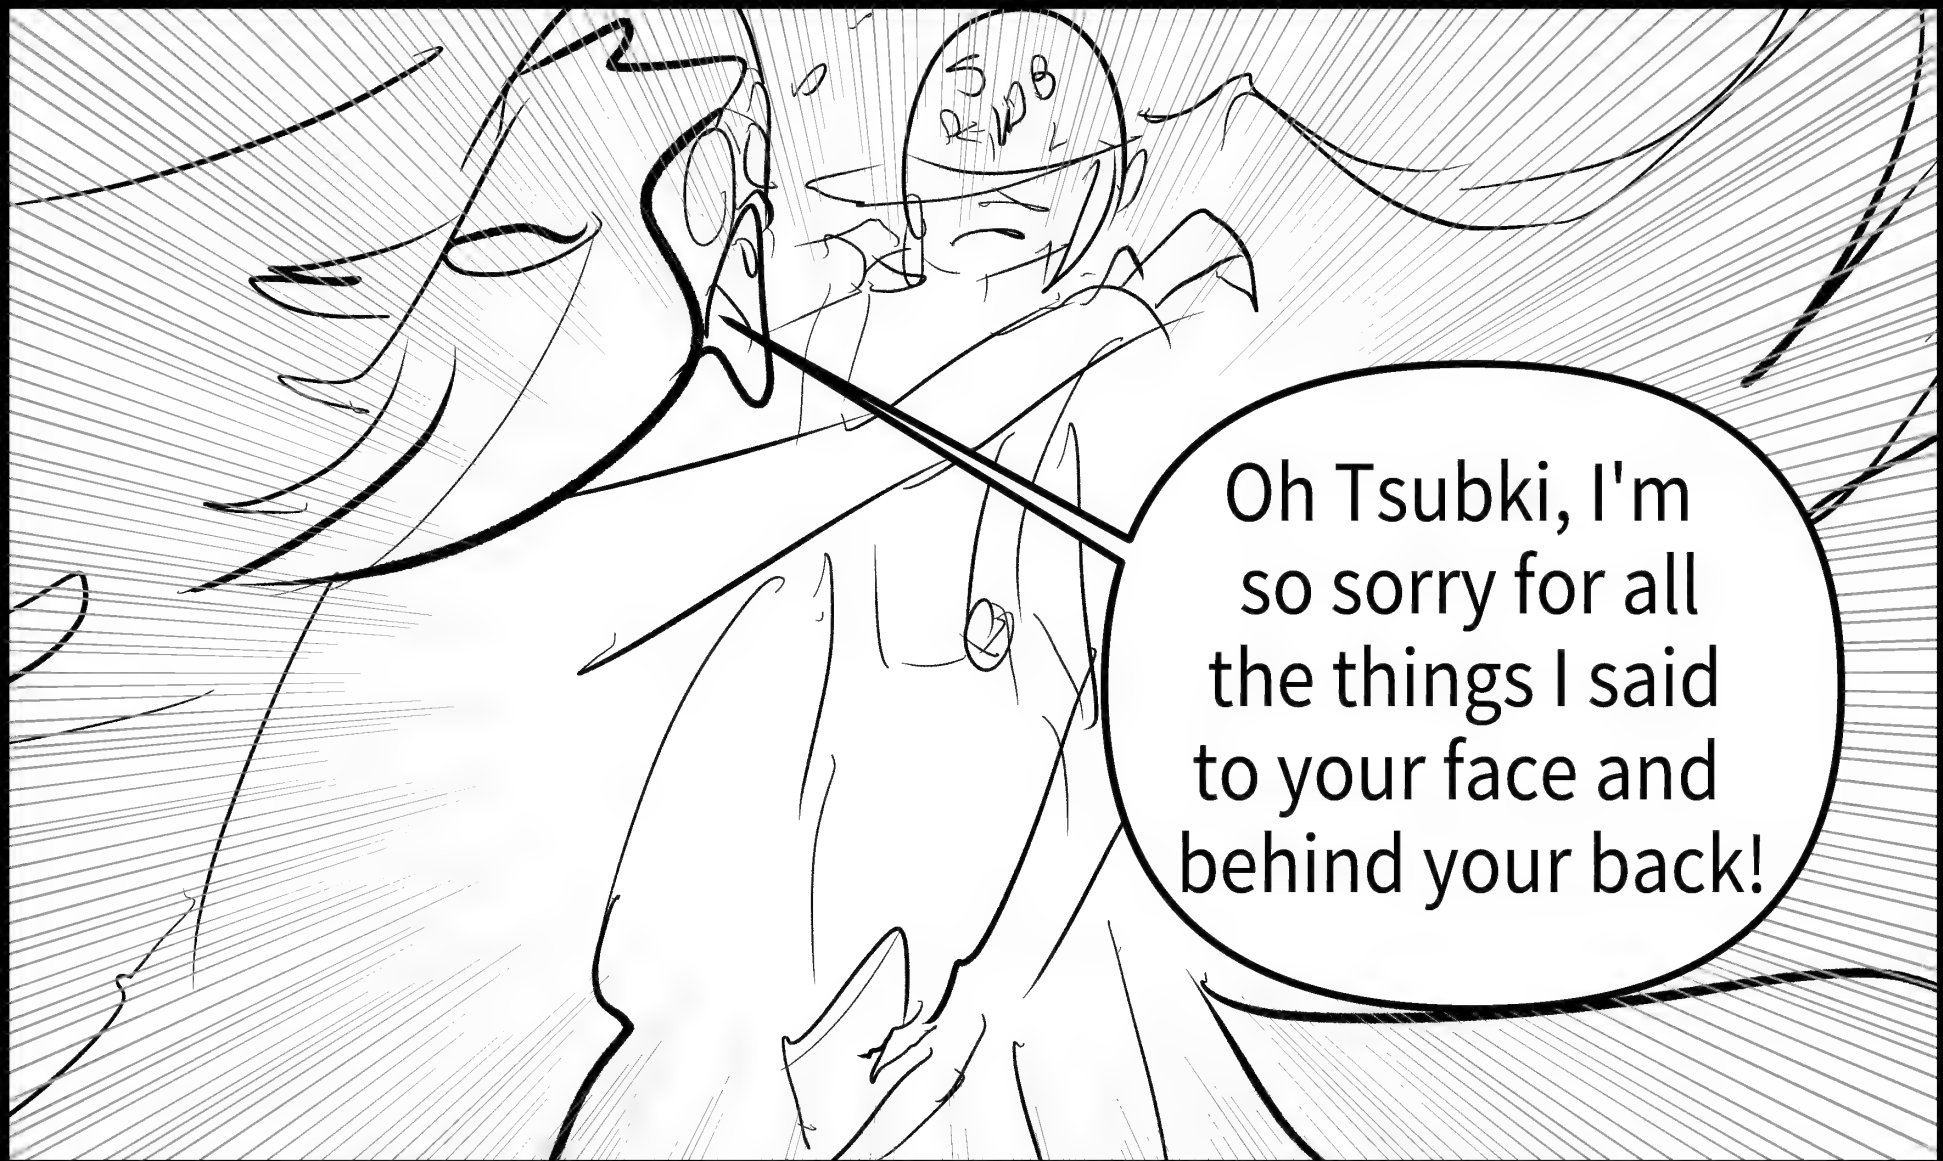

huh, who's-

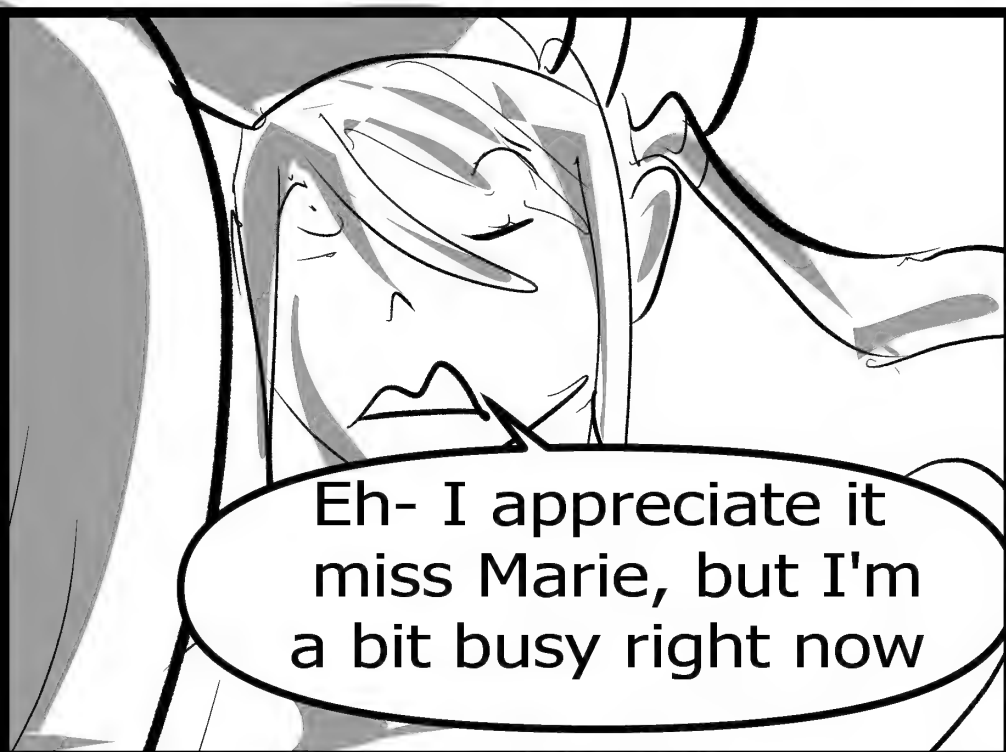

Tsubaki!

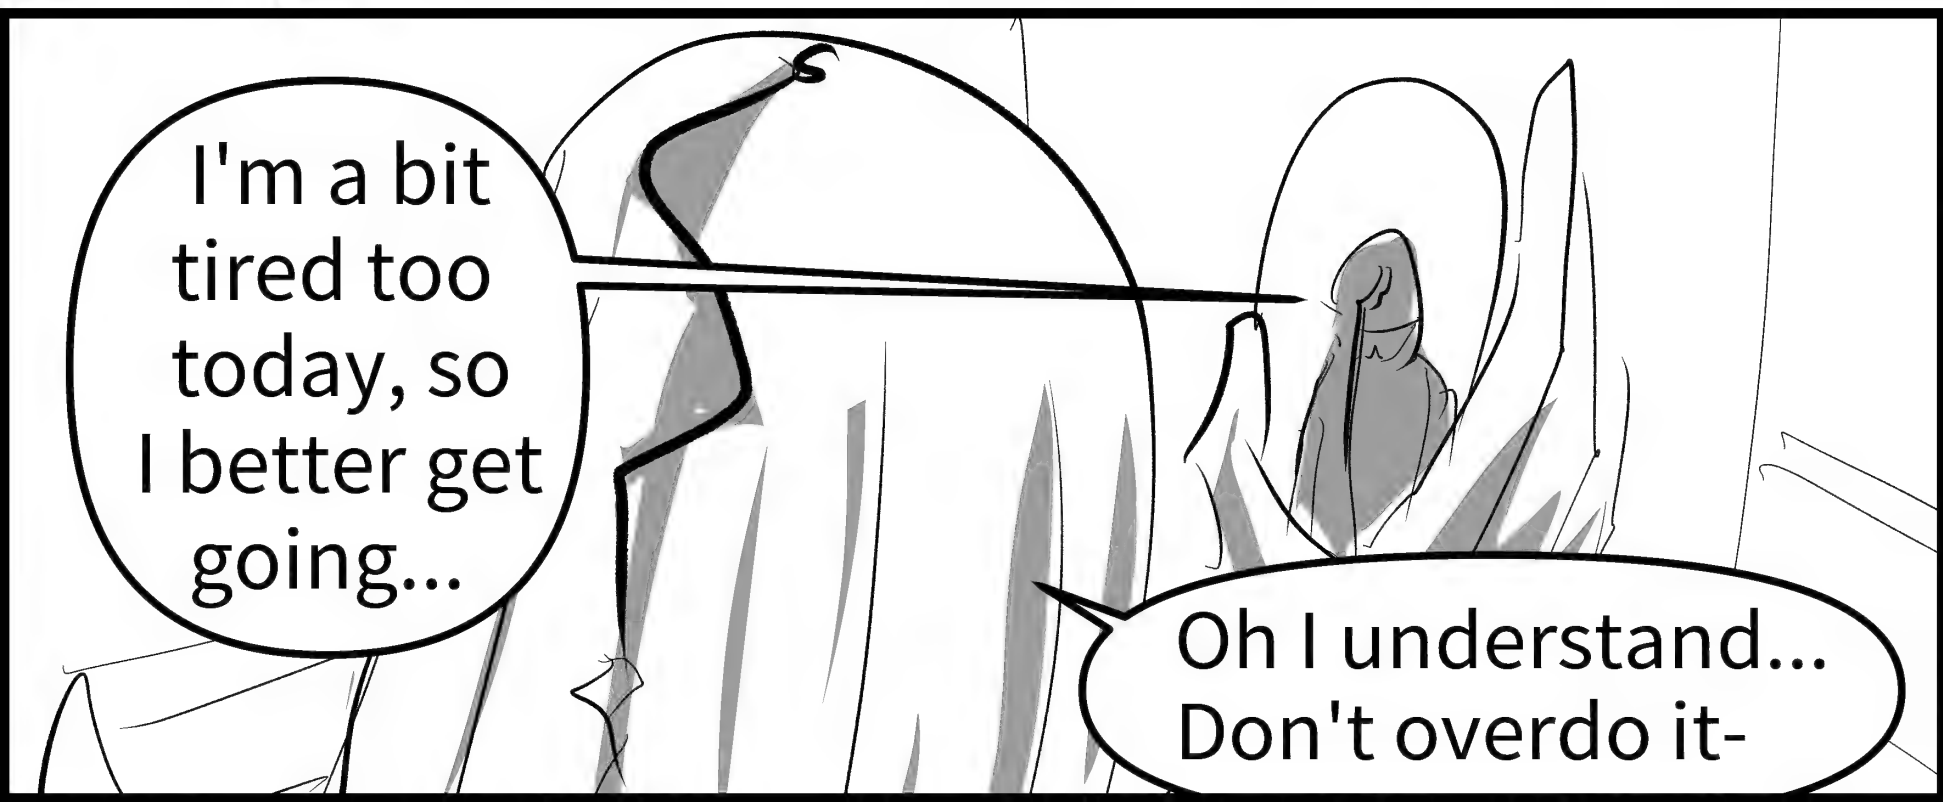

Oh Tsubki, I'm  
so sorry for all  
the things I said  
to your face and  
behind your back!

Eh- I appreciate it  
miss Marie, but I'm  
a bit busy right now

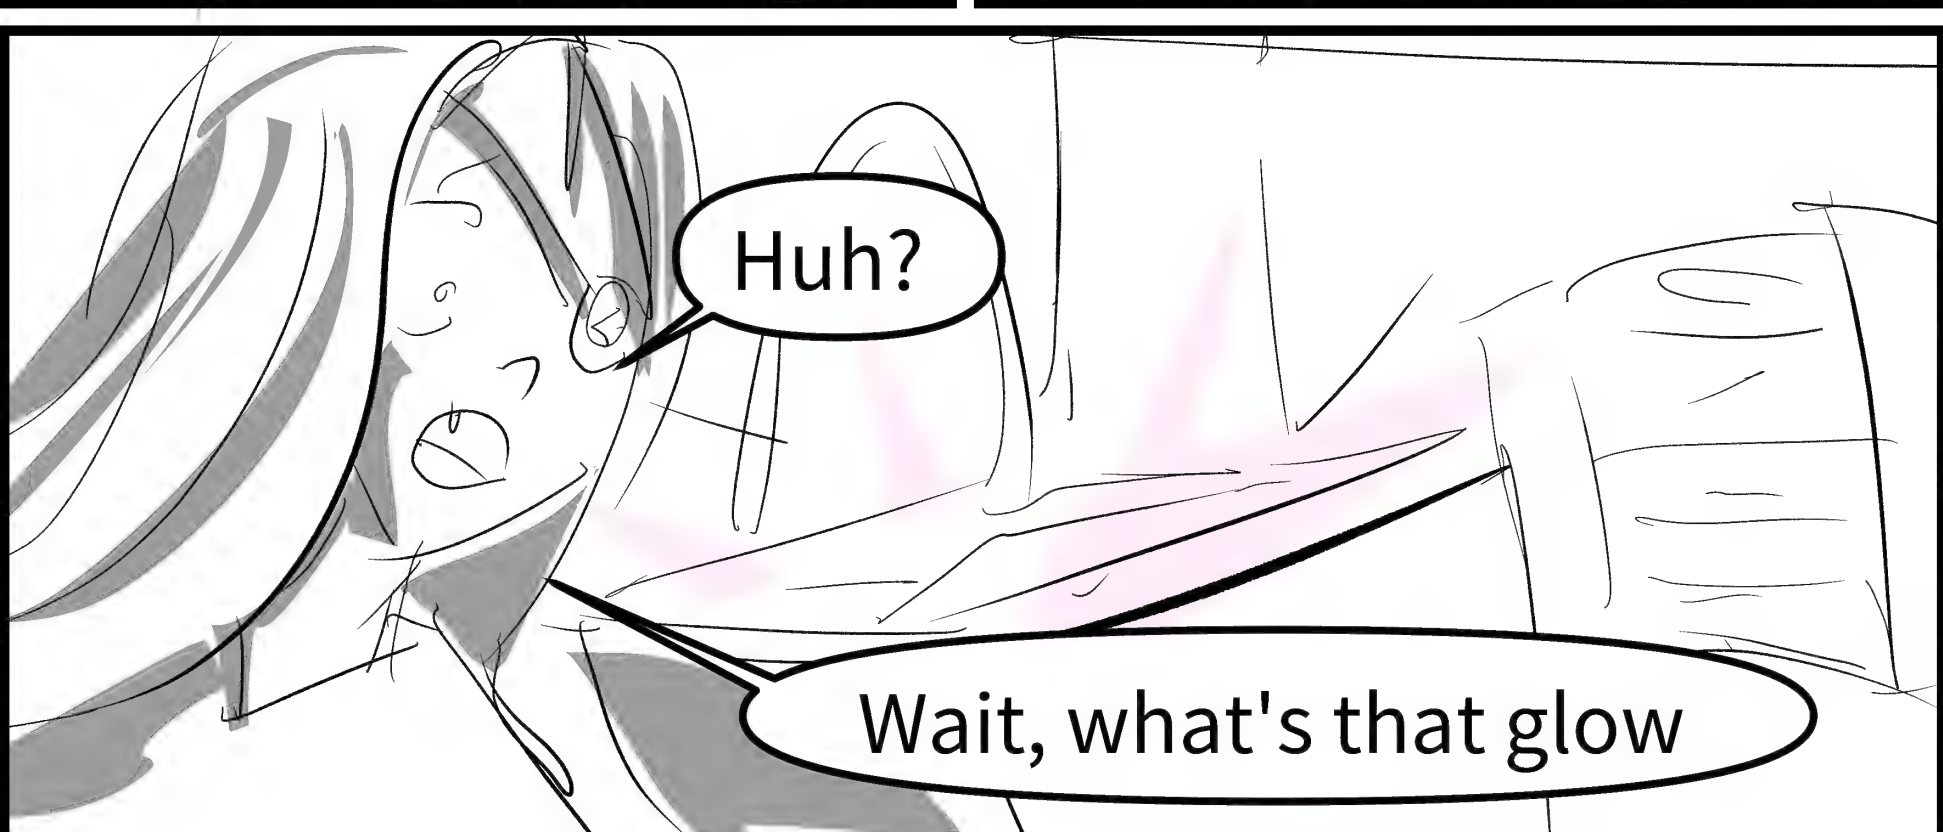

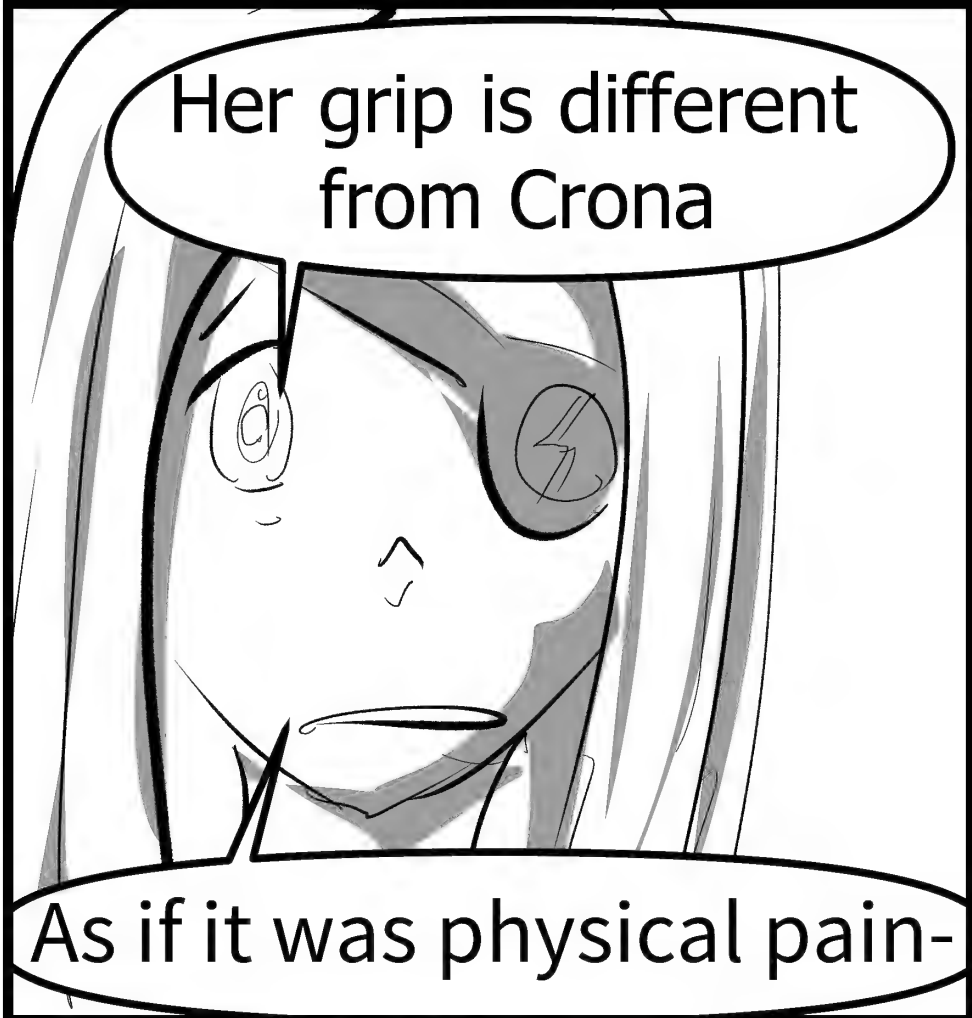

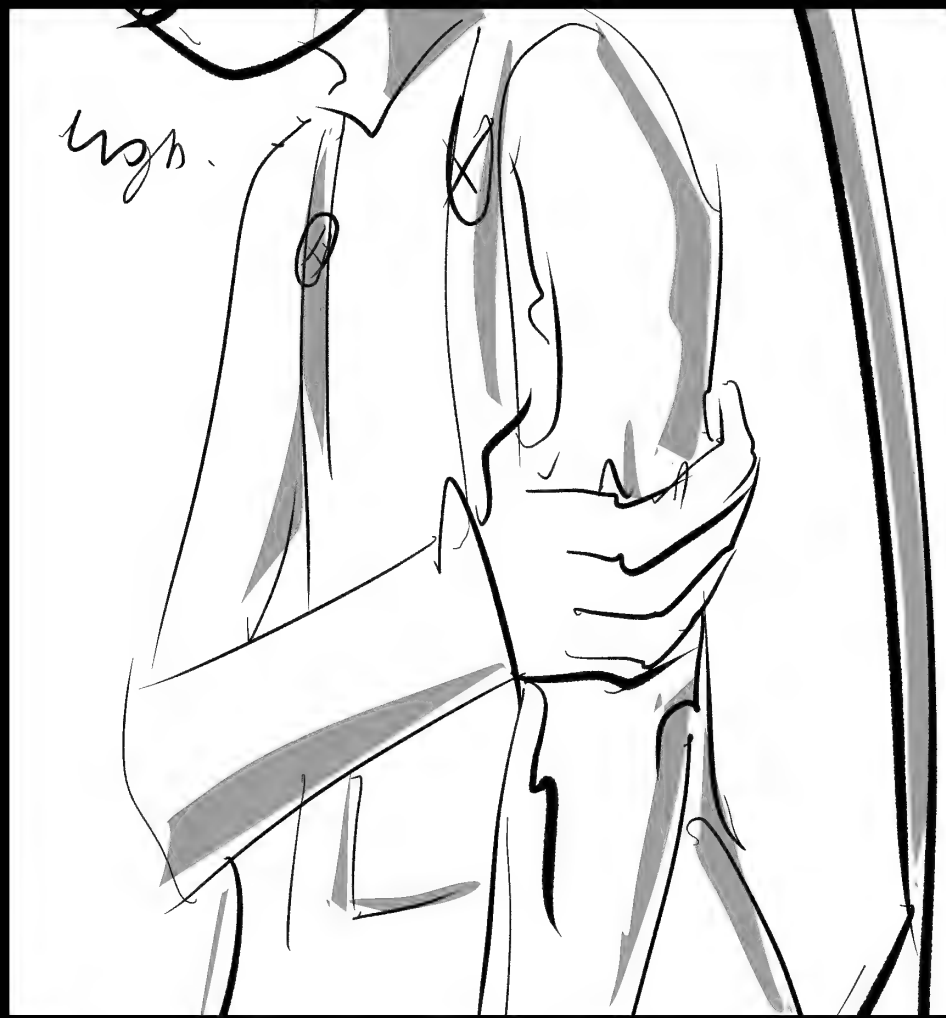

I have to clear  
out all the mail  
boxes that haven't  
been opened for  
a long time

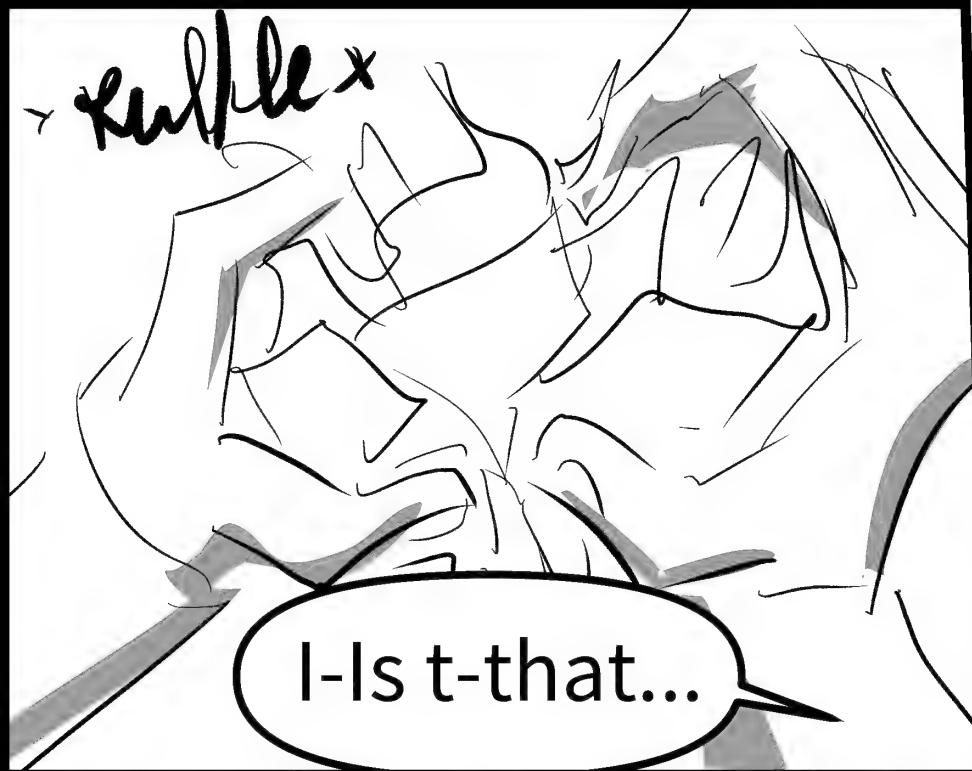

I'm a bit  
tired too  
today, so  
I better get  
going...

Oh I understand...  
Don't overdo it-

I-Is t-that...

A purple soul?!

That must be-

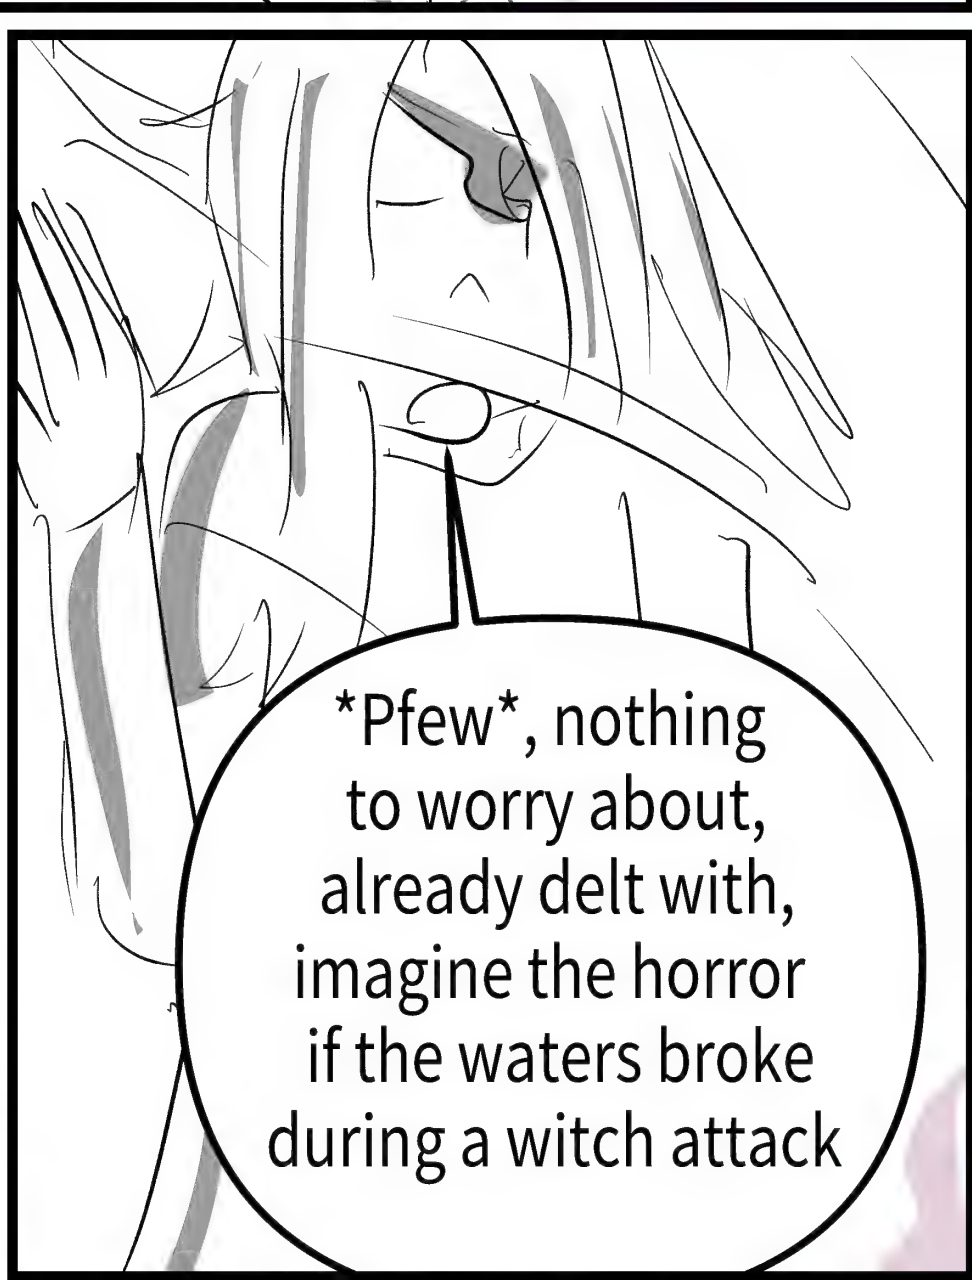

Listen up  
DWMA  
retards:

A witch  
attack?

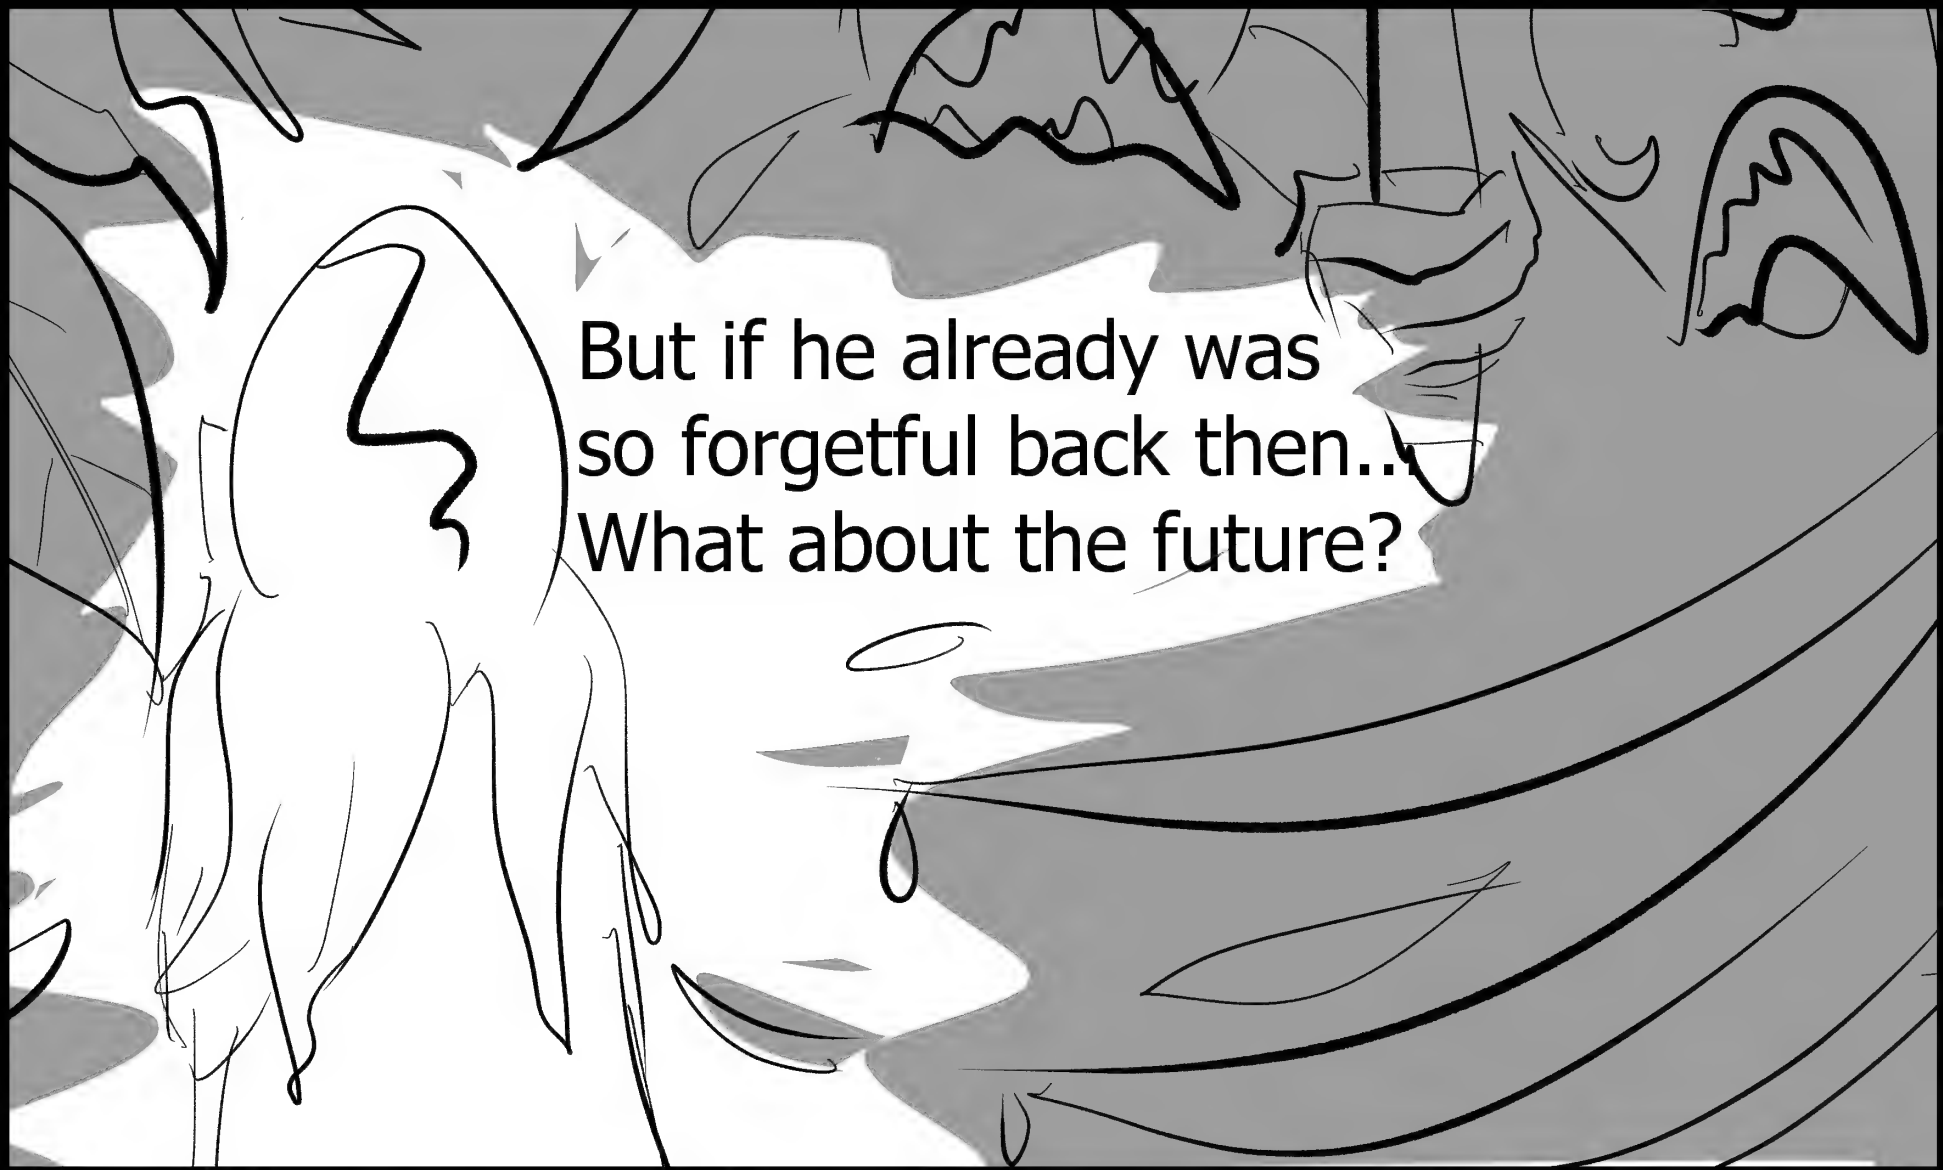

Wait, judging by  
the date it was sent  
months ago...

It must have been  
that horrible attack  
that took Maka, the  
soul is even crumbling  
already...

\*Pfew\*, nothing  
to worry about,  
already delt with,  
imagine the horror  
if the waters broke  
during a witch attack

But if he already was  
so forgetful back then...  
What about the future?

CRUMBLE

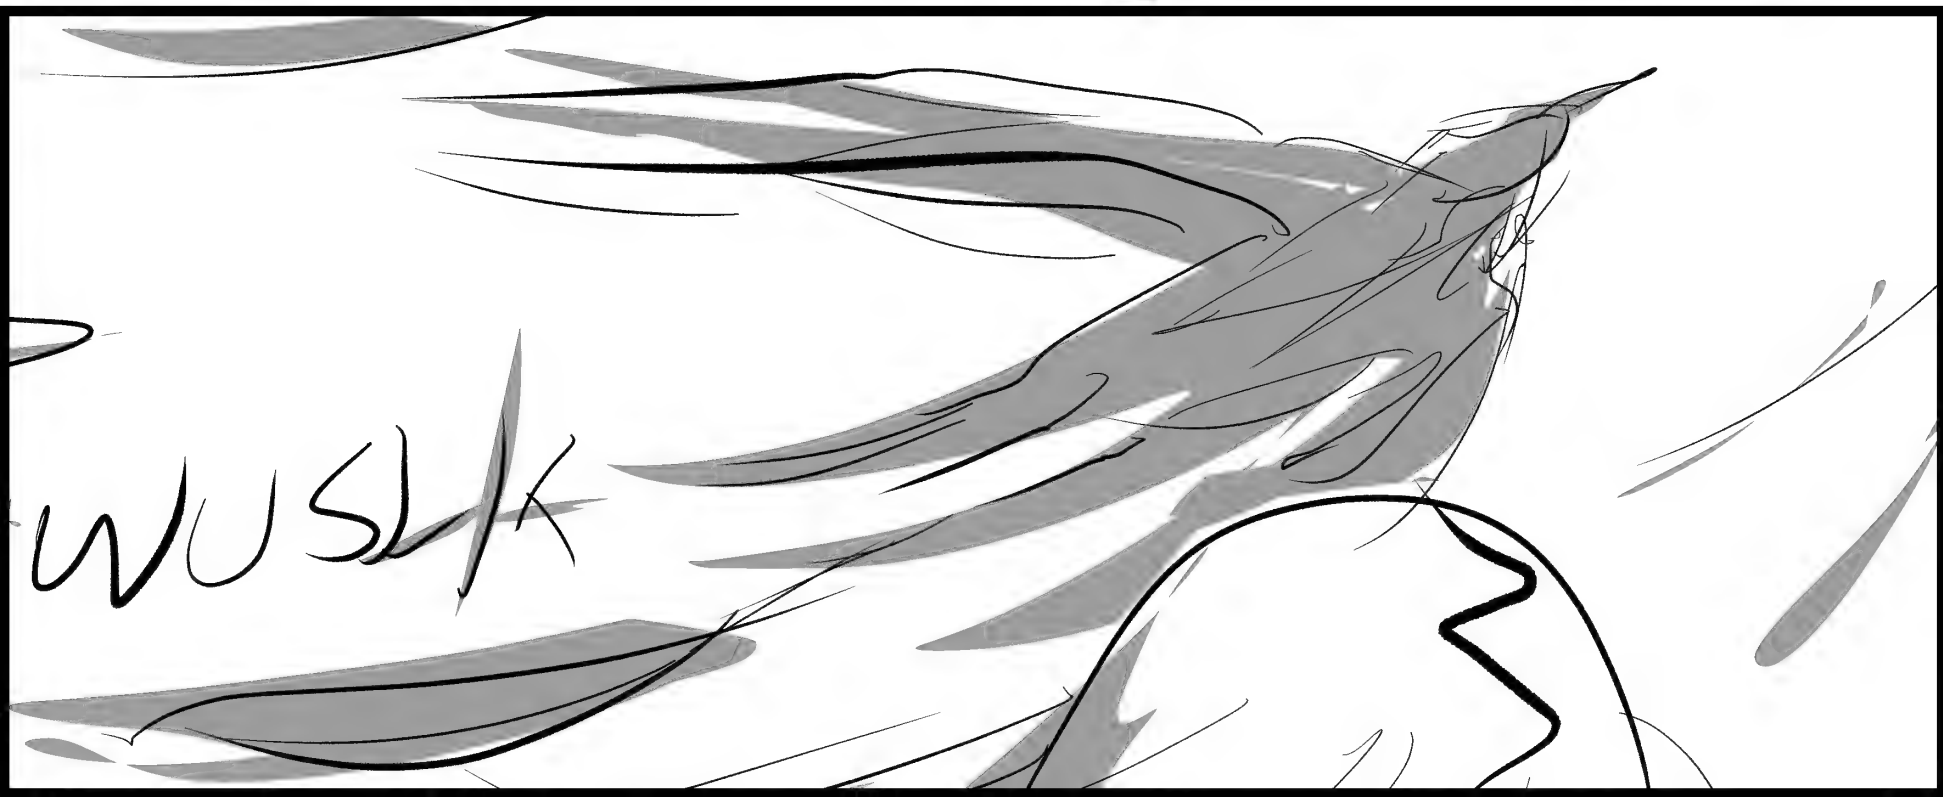

That settles it

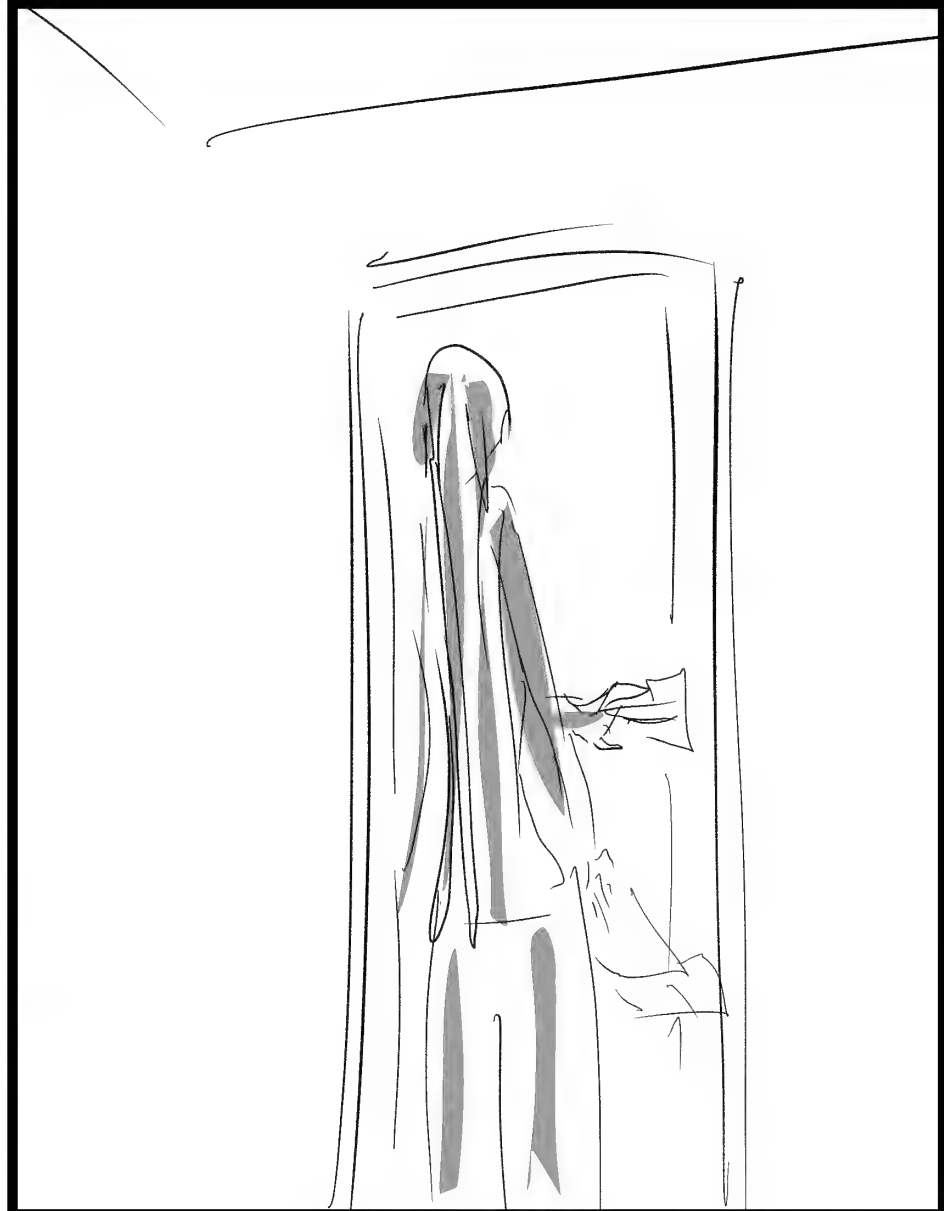

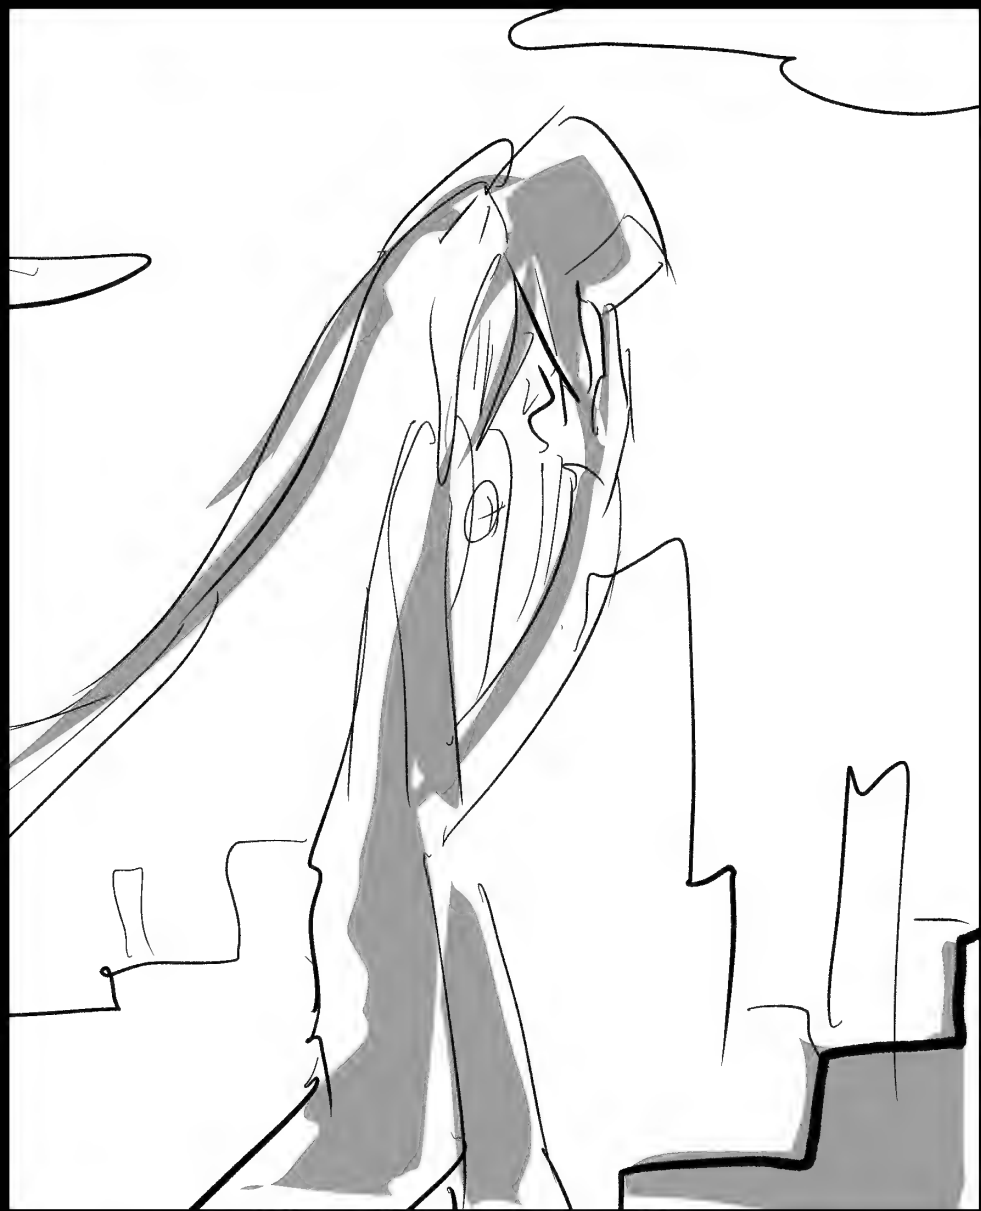

Please Frank,  
come back

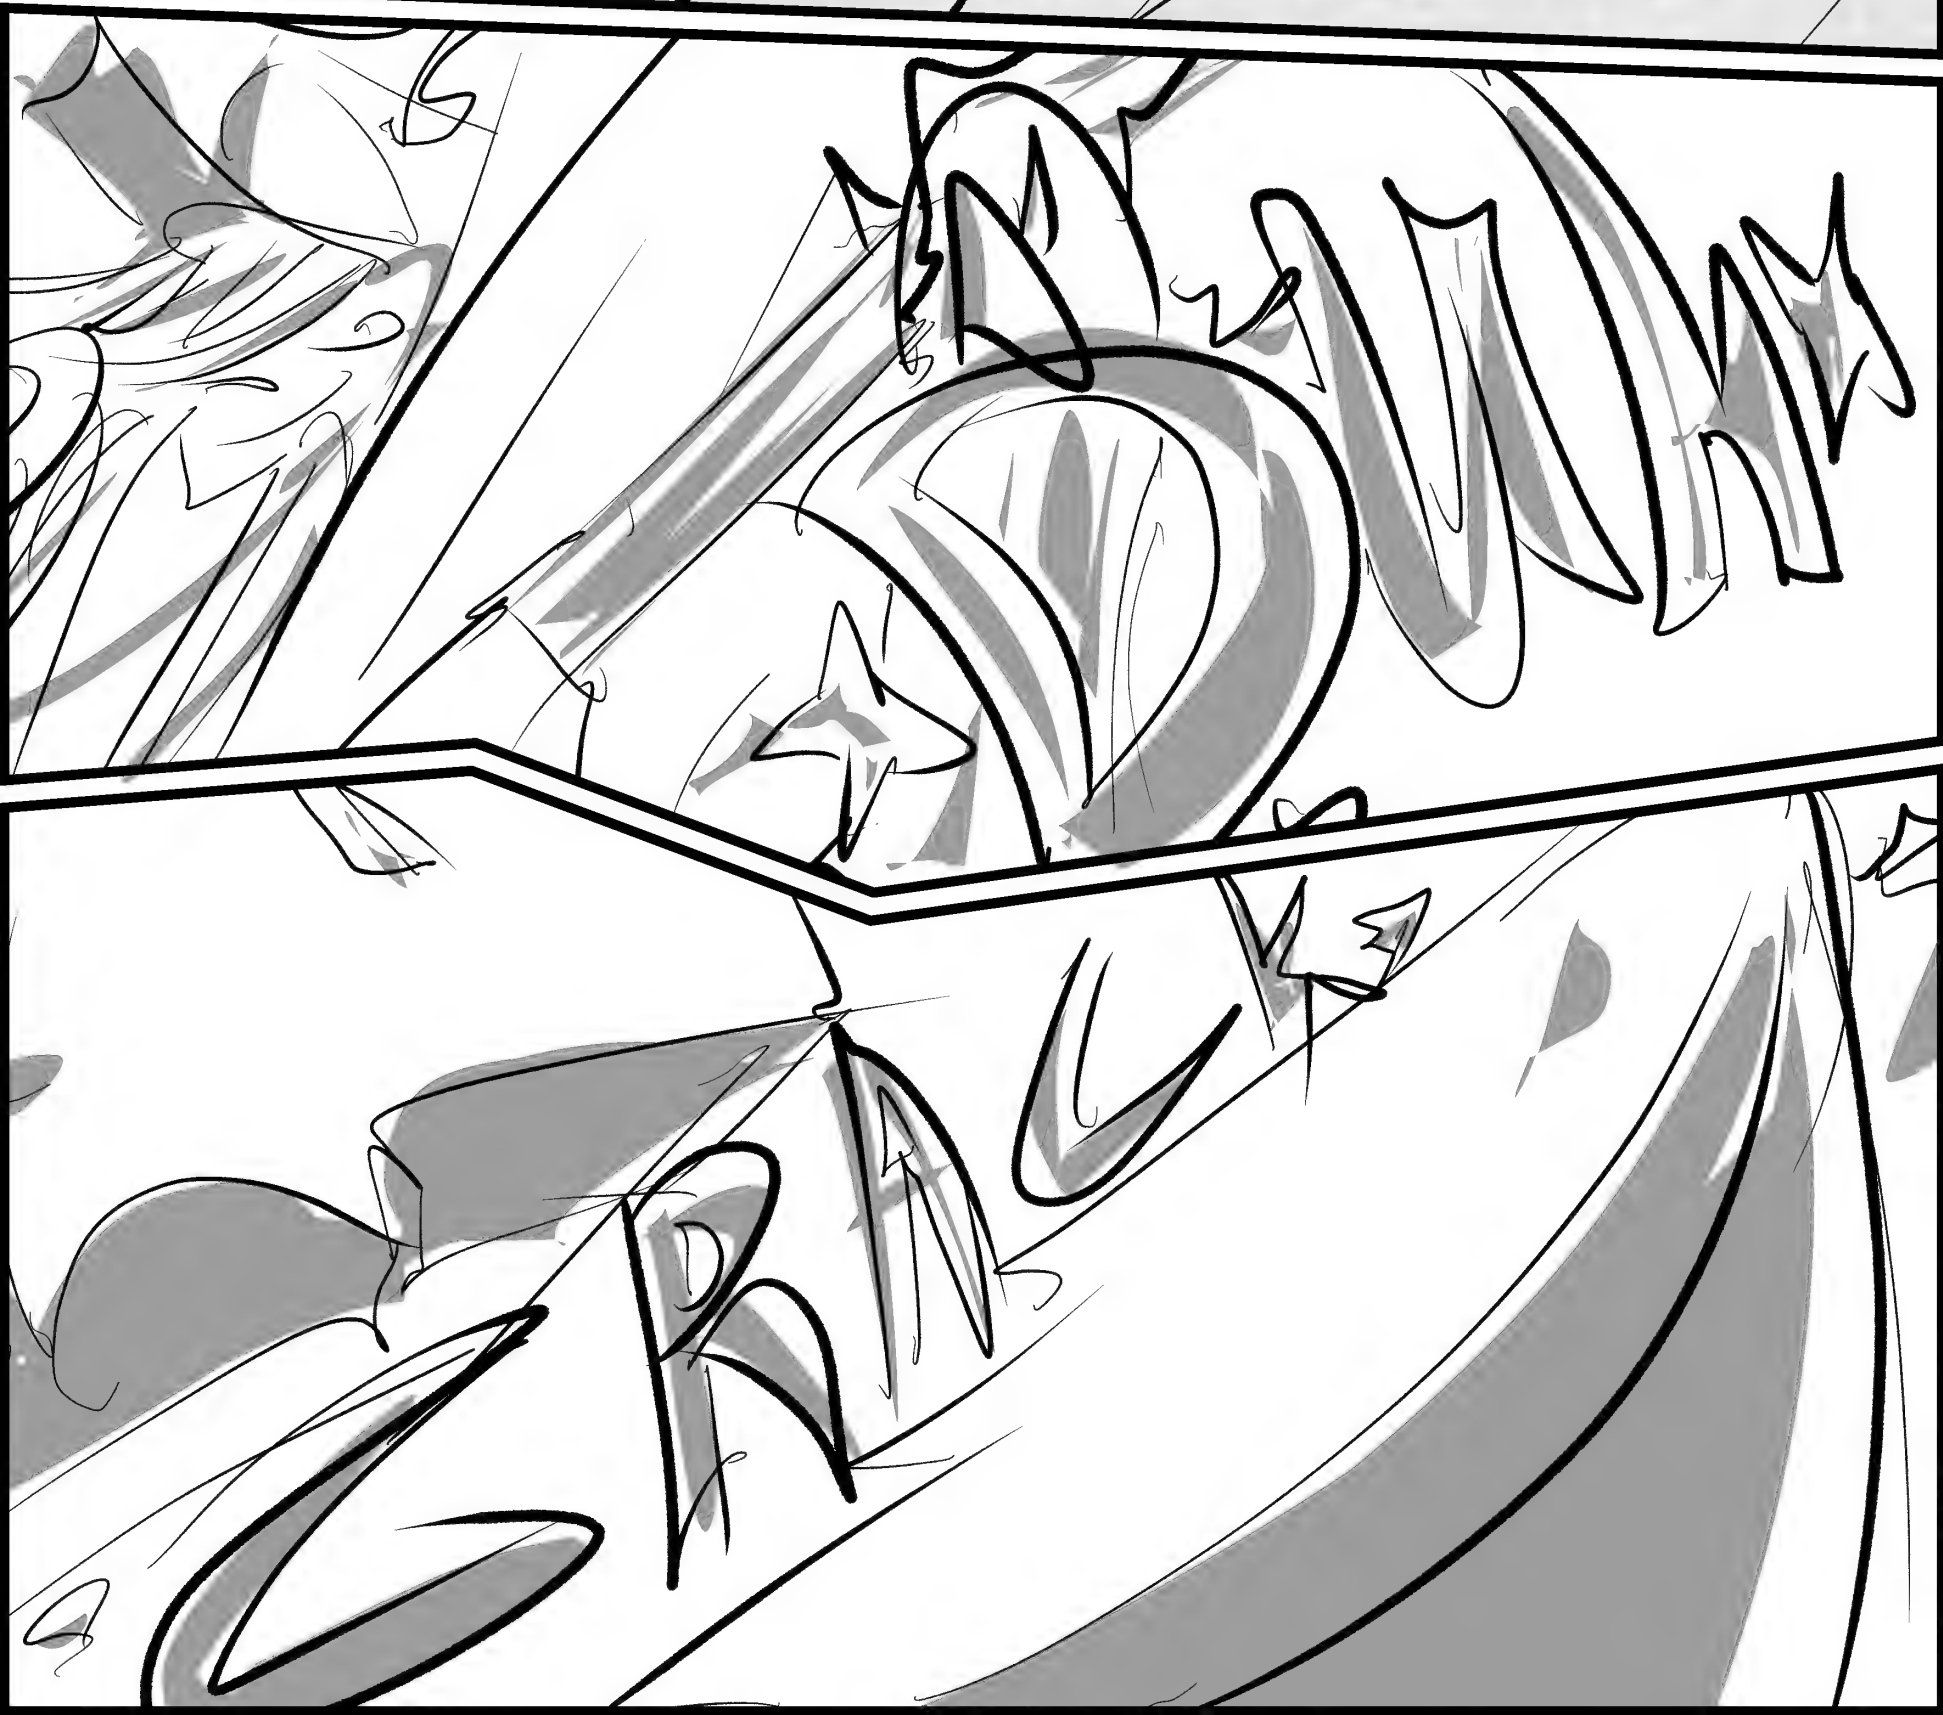

For us all, but especially the baby...

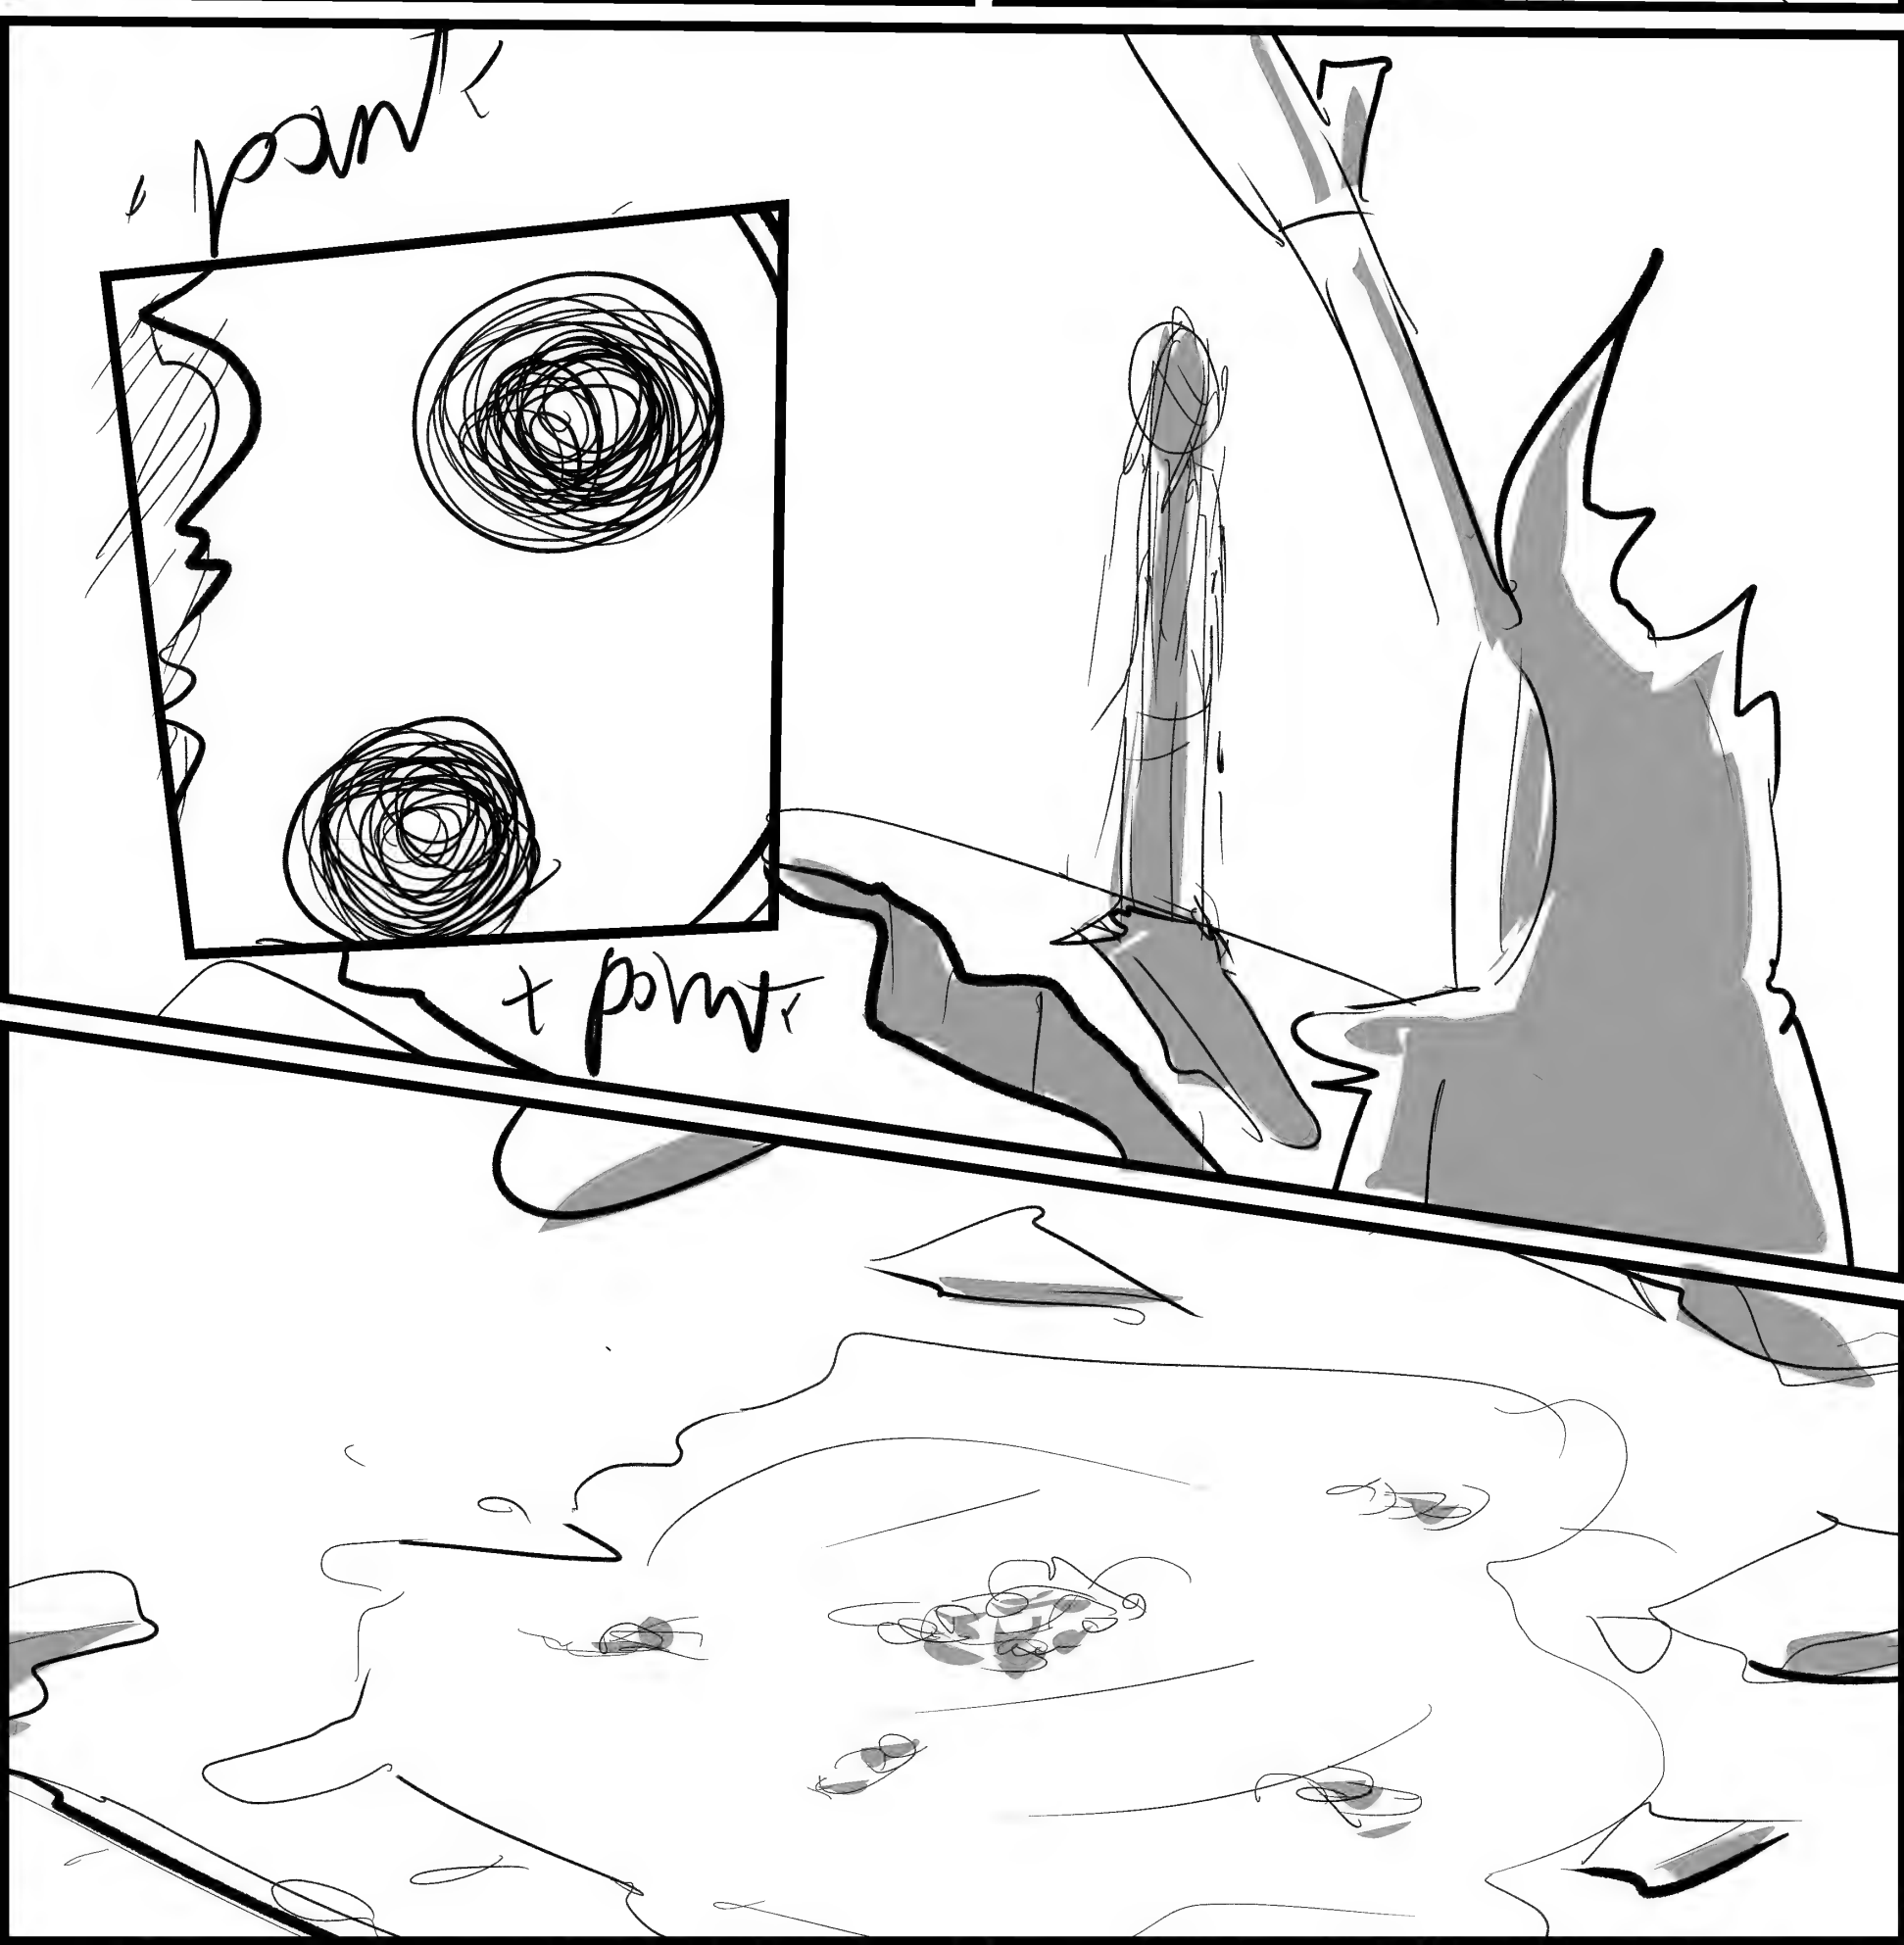

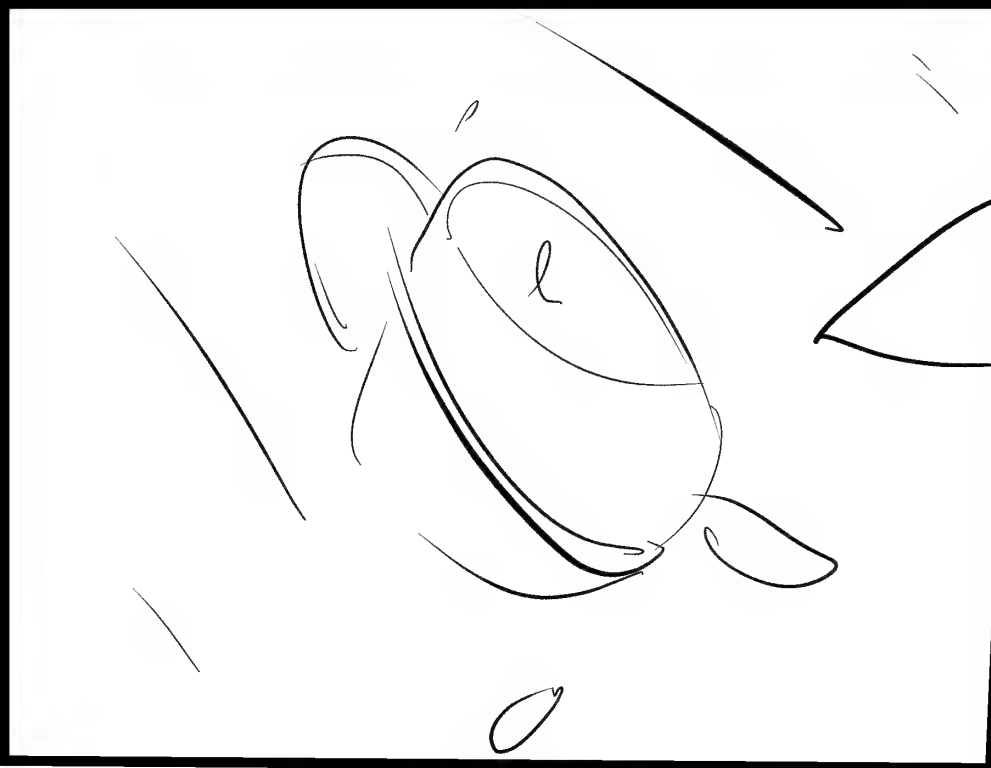

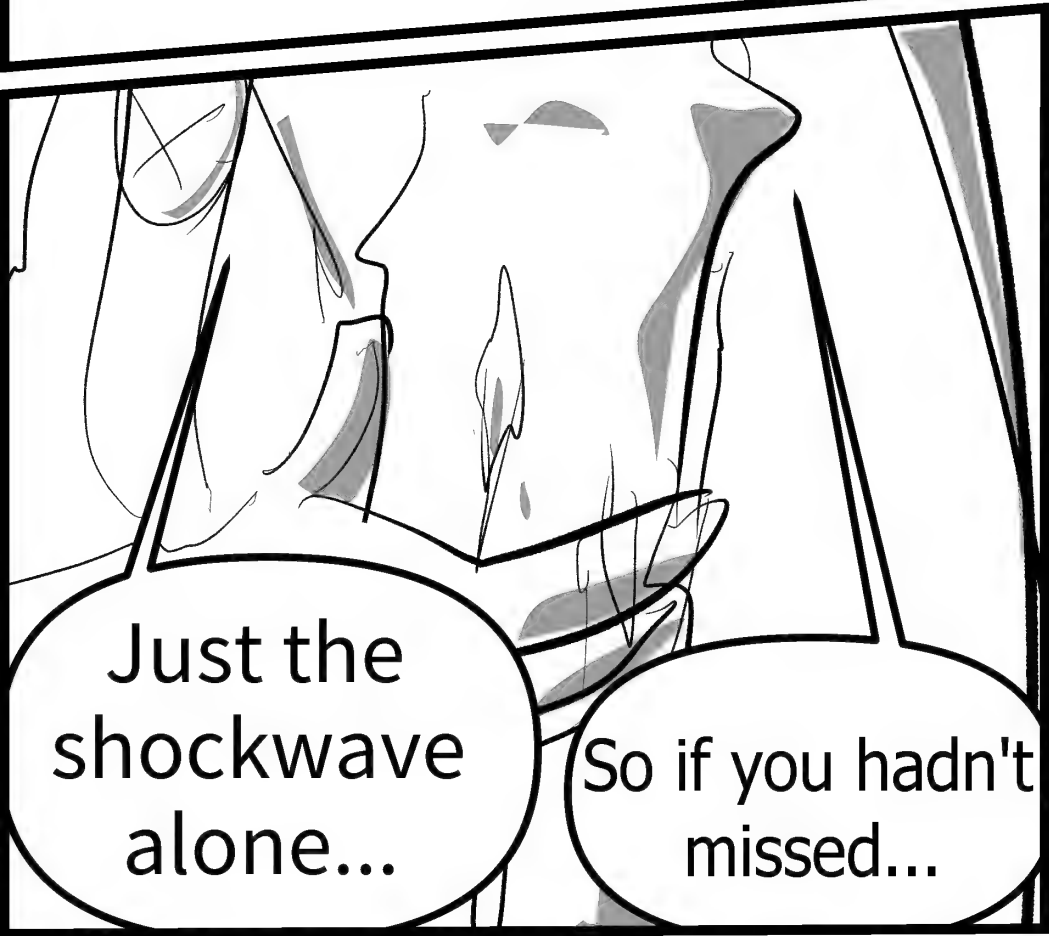

You didn't  
hold back

Just the  
shockwave  
alone...

So if you hadn't  
missed...

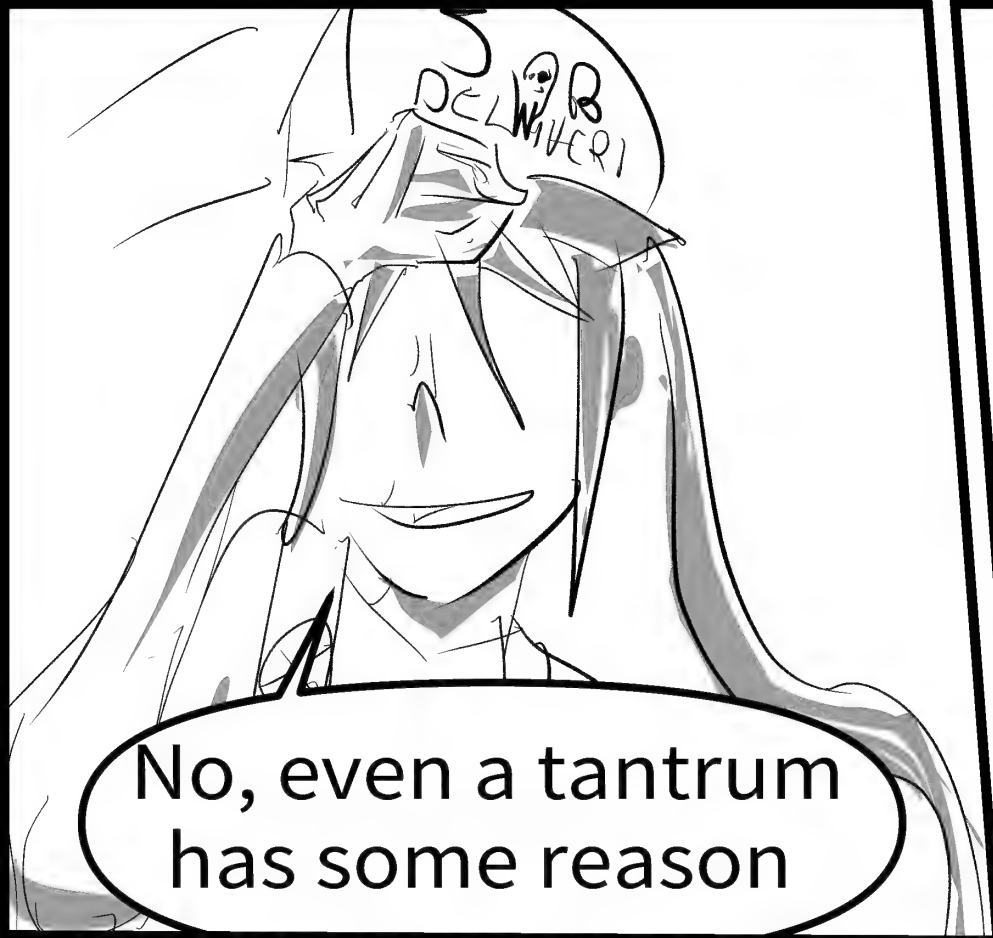

I would have  
perished

The Lord  
of Order

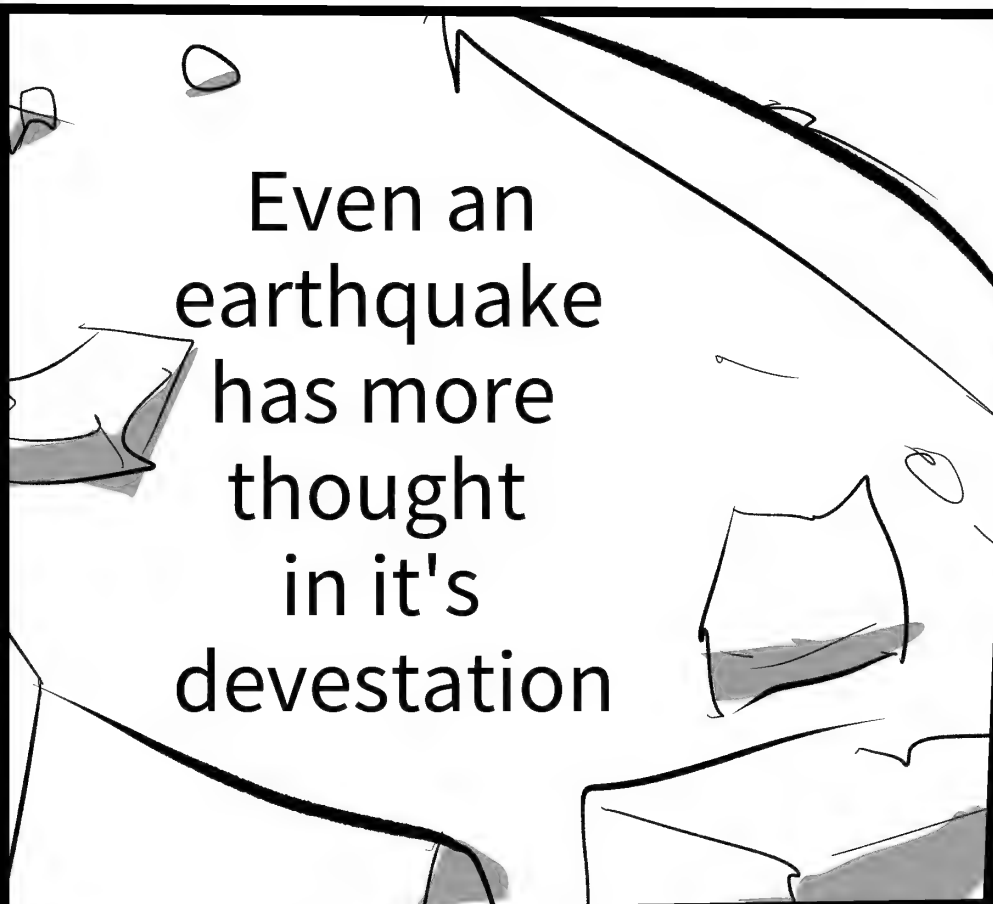

Nearly killed  
me do to a  
tantrum

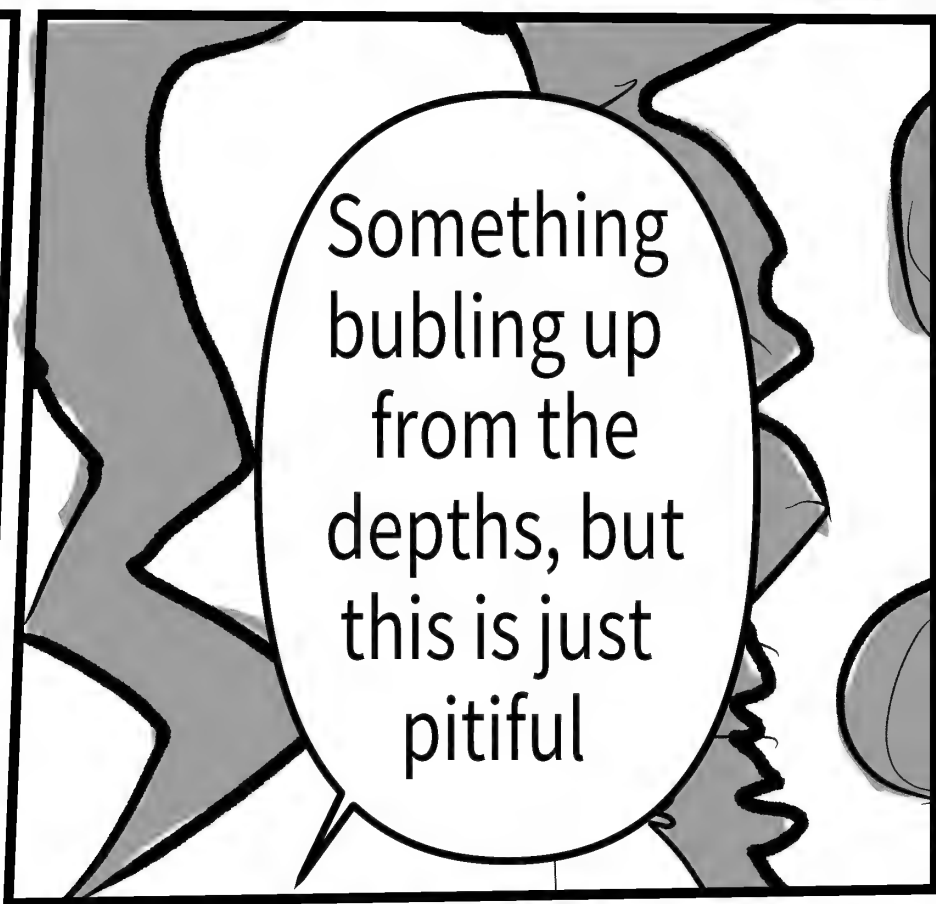

No, even a tantrum has some reason

This was just a random impulse

A mood that went as fast as it appeared...

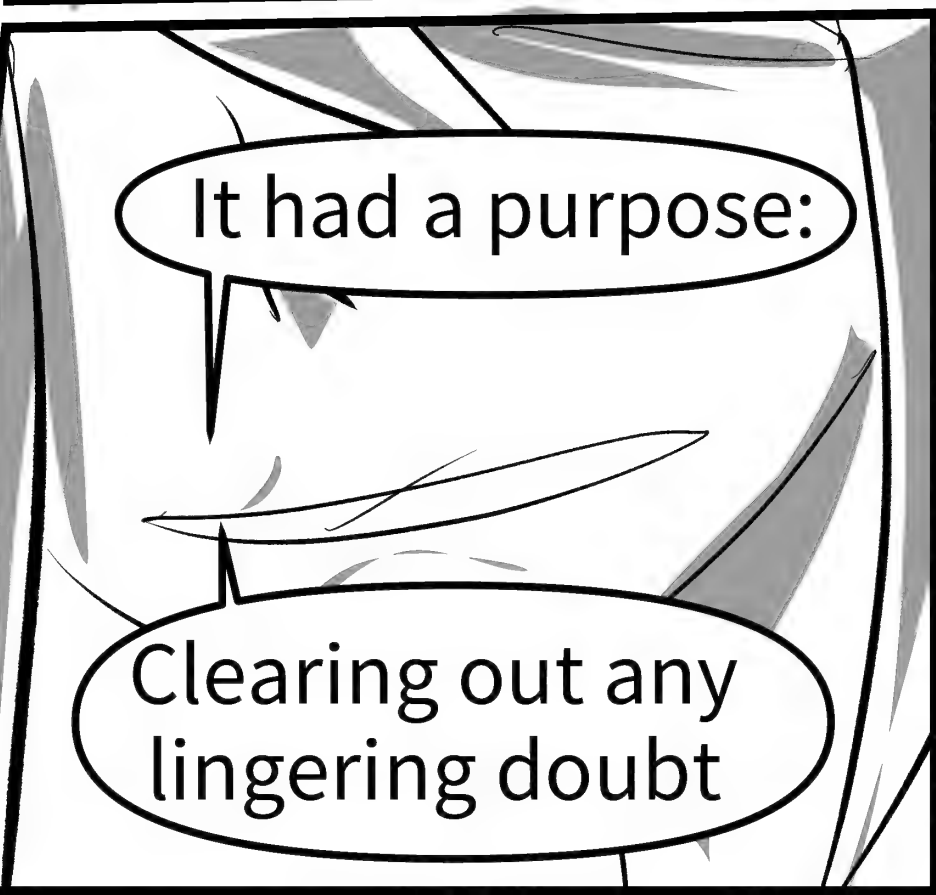

Even an earthquake has more thought in it's devastation

Something bubbling up from the depths, but this is just pitiful

Yet, no, I'm being too rash

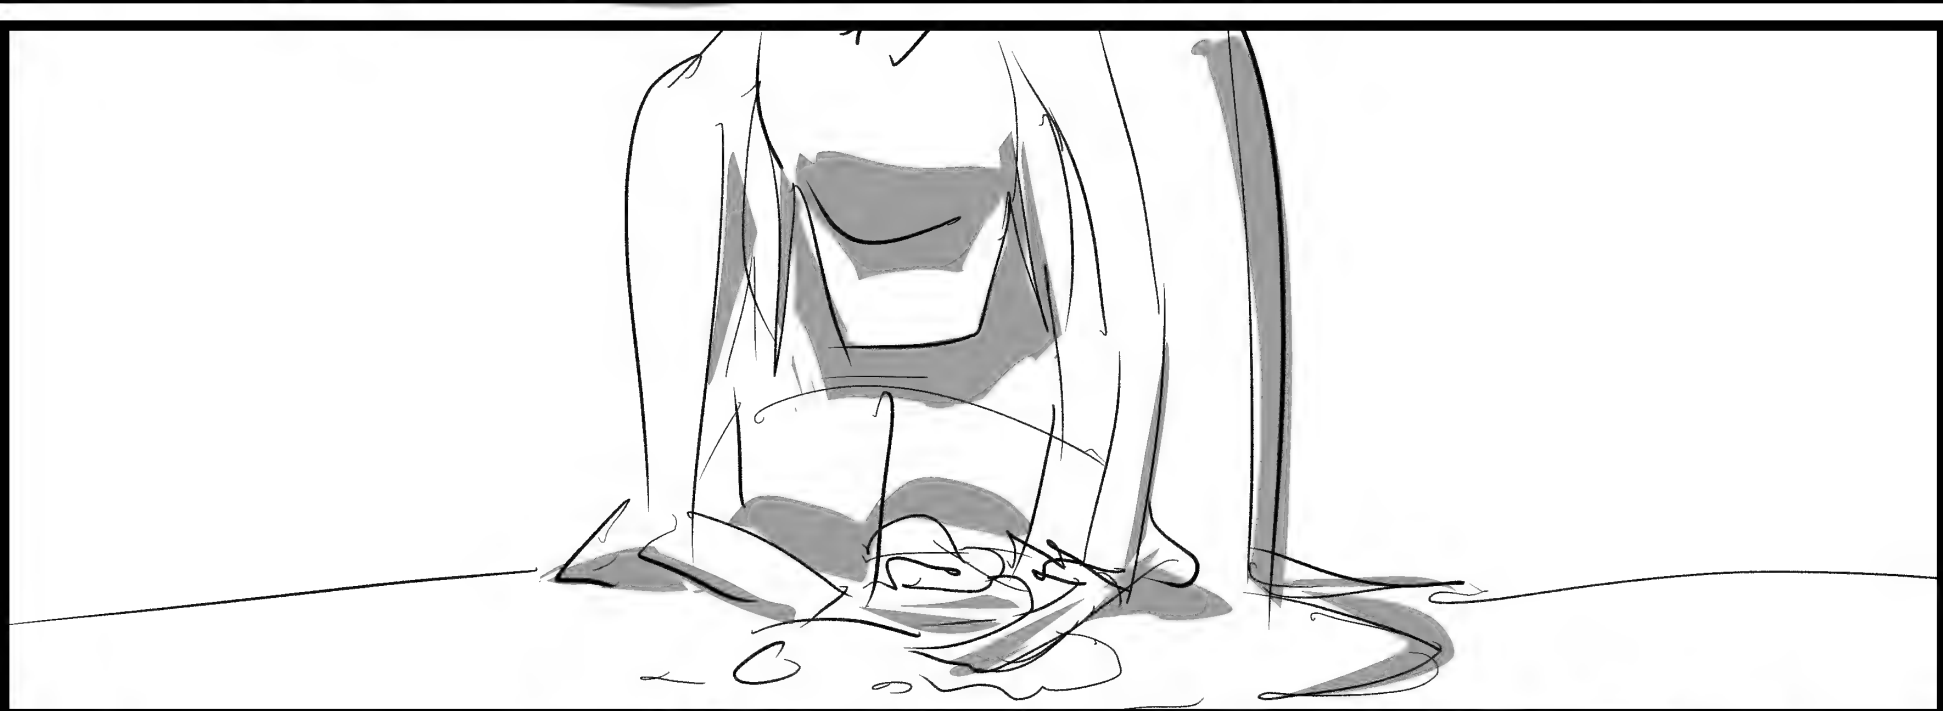

It had a purpose:

Clearing out any lingering doubt

A black and white sketch of a character with long hair kneeling on the ground, facing a figure who is partially visible and holding a long staff or sword. The kneeling character is looking up at the standing figure.

So don't feel  
bad Lord Death

You did us  
all a grand  
favor, for which  
I'm more than  
thankful

A black and white sketch of a character in a dark, shadowy environment. The character is wearing a long, dark robe and has a large, dark, rectangular feature on their forehead. They are looking down at the ground. The background is dark and sketchy, with some vertical lines suggesting a structure or a wall.

And fear not

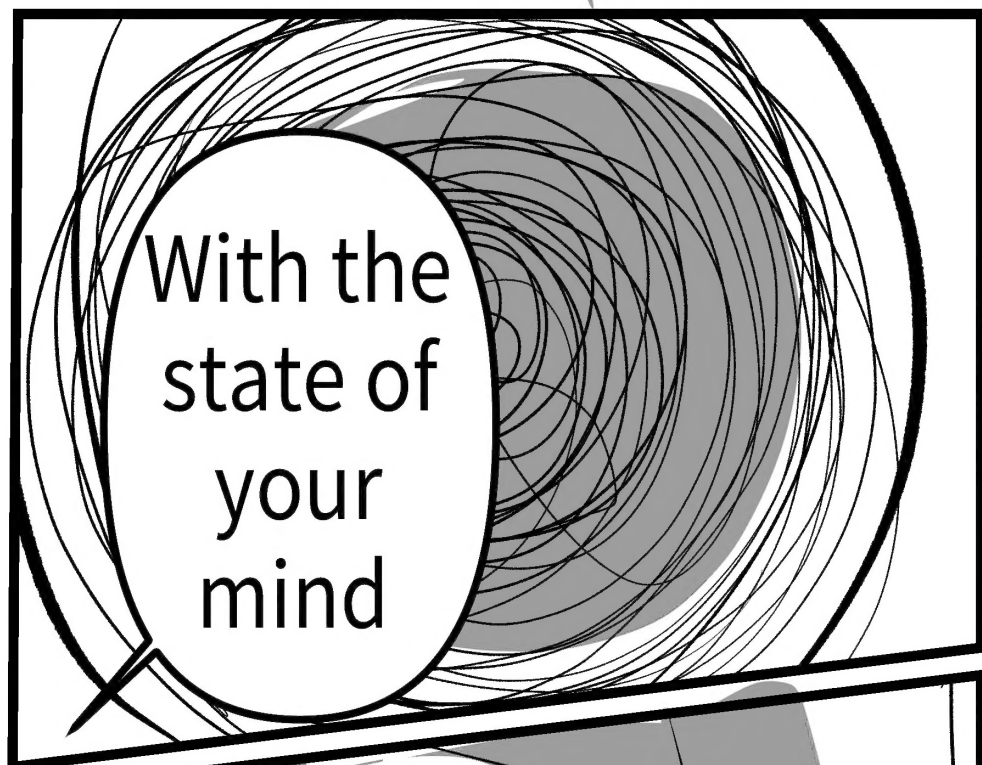

I wont tell anybody

No one except us will know

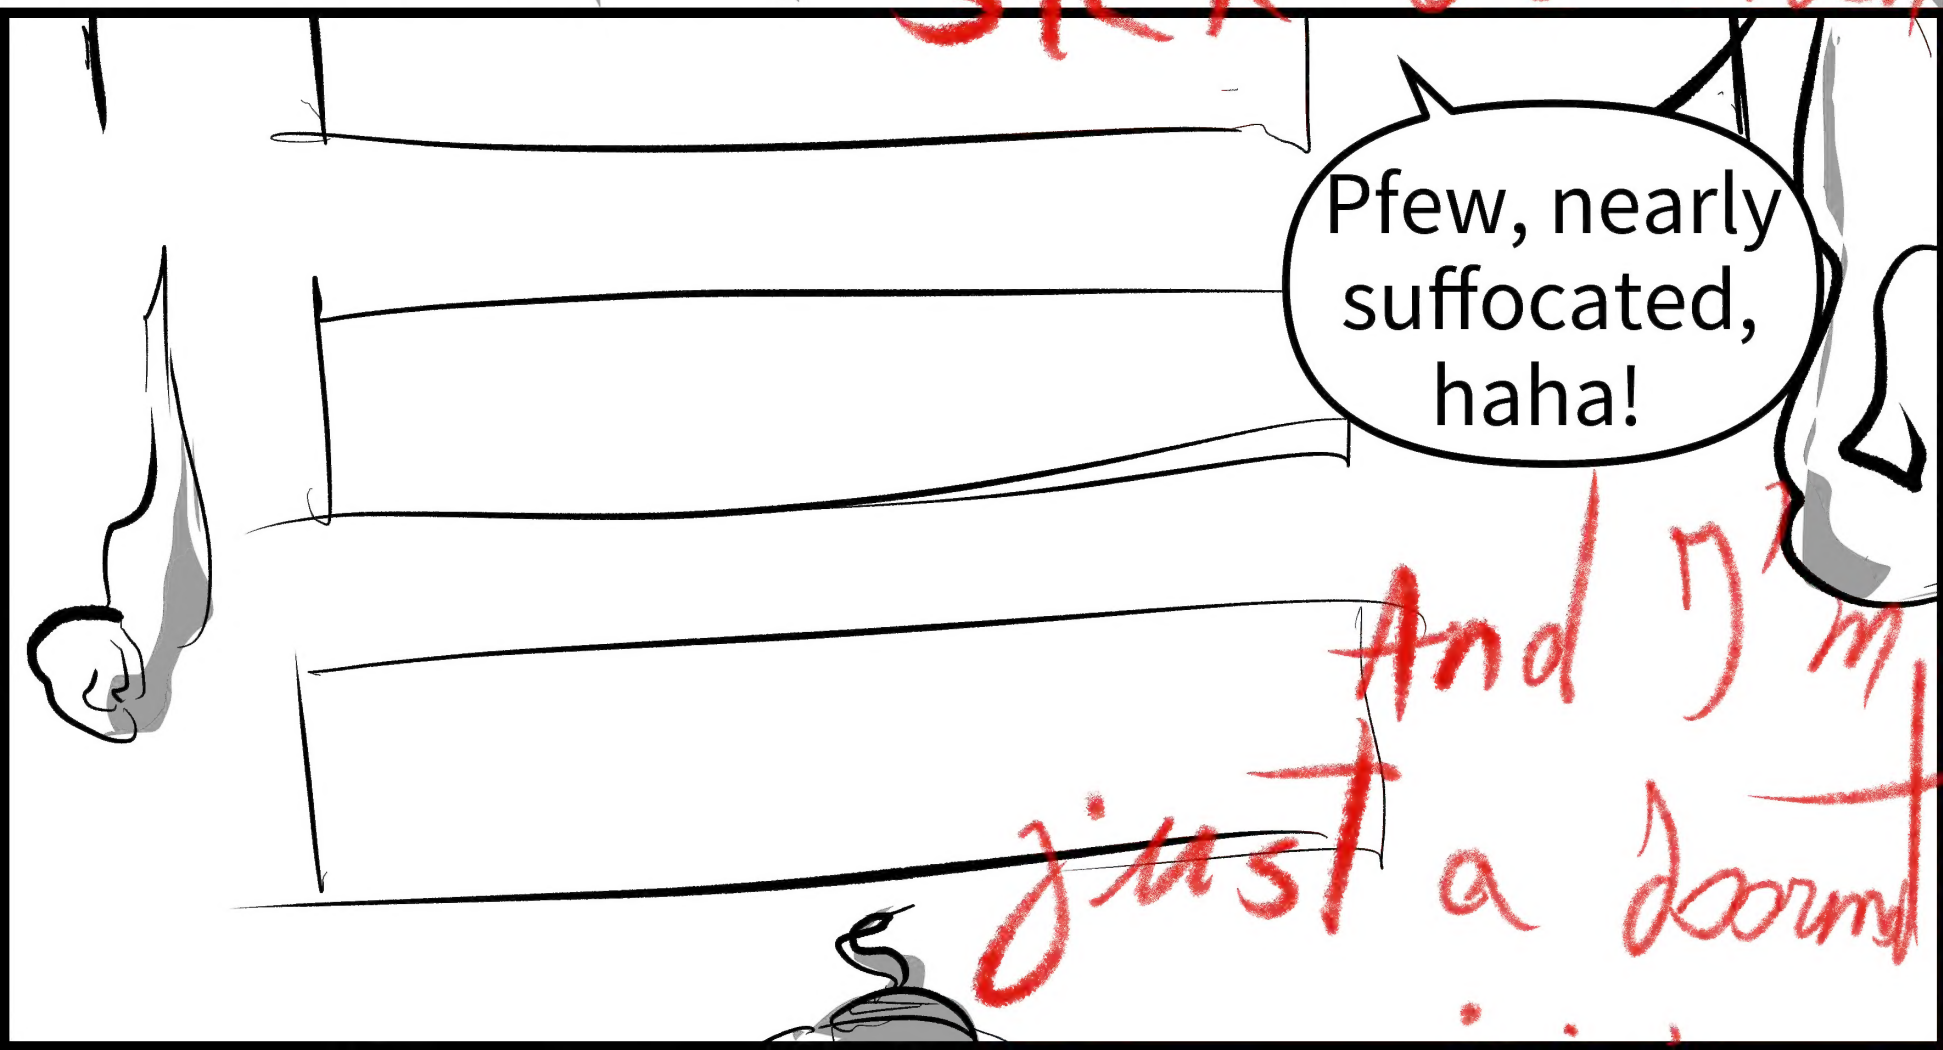

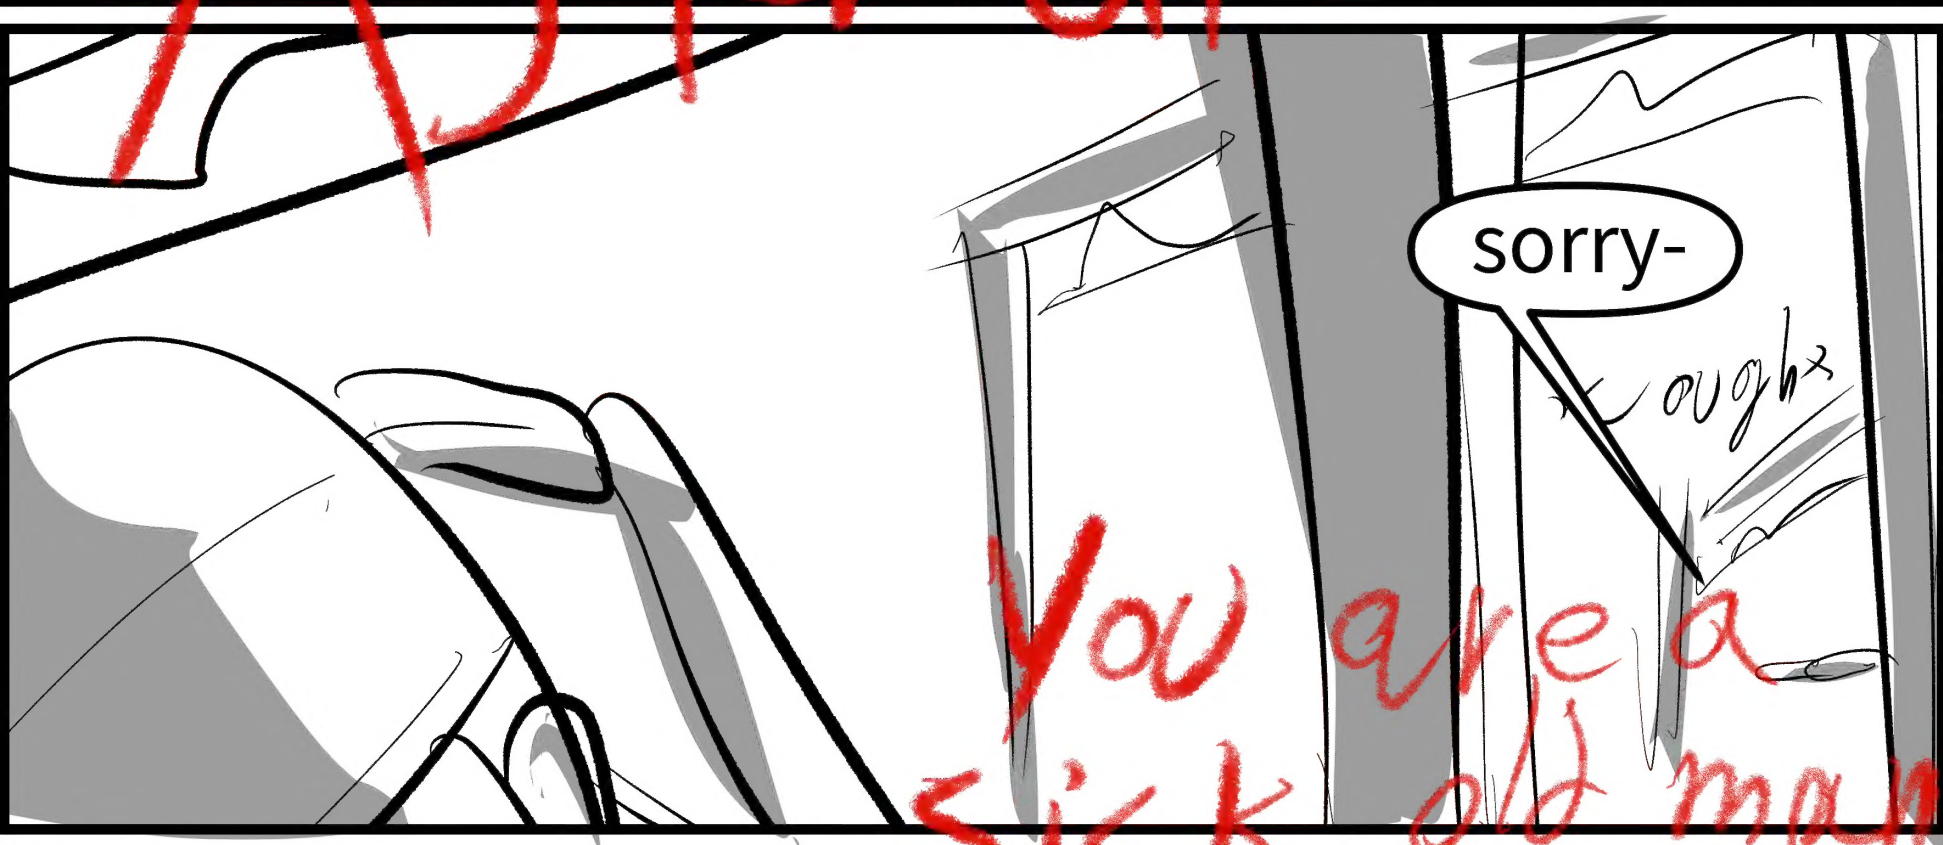

Or if you are lucky

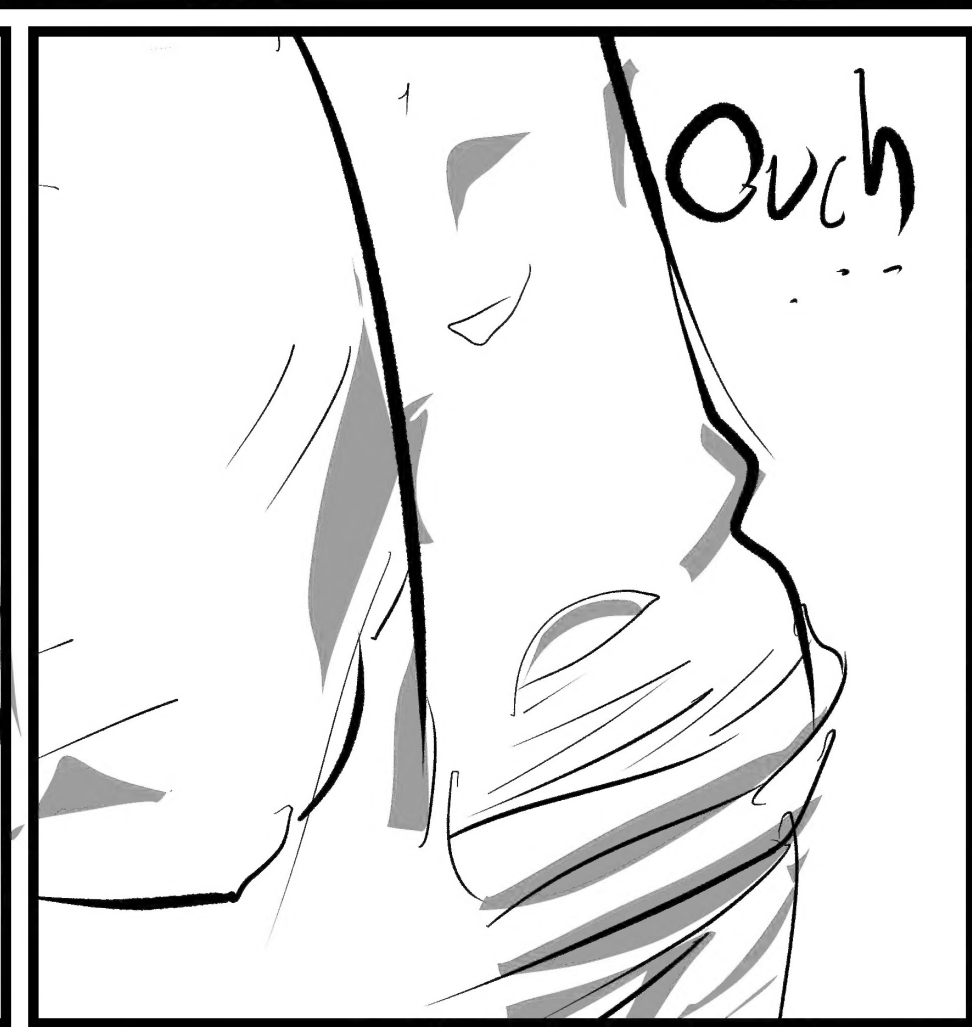

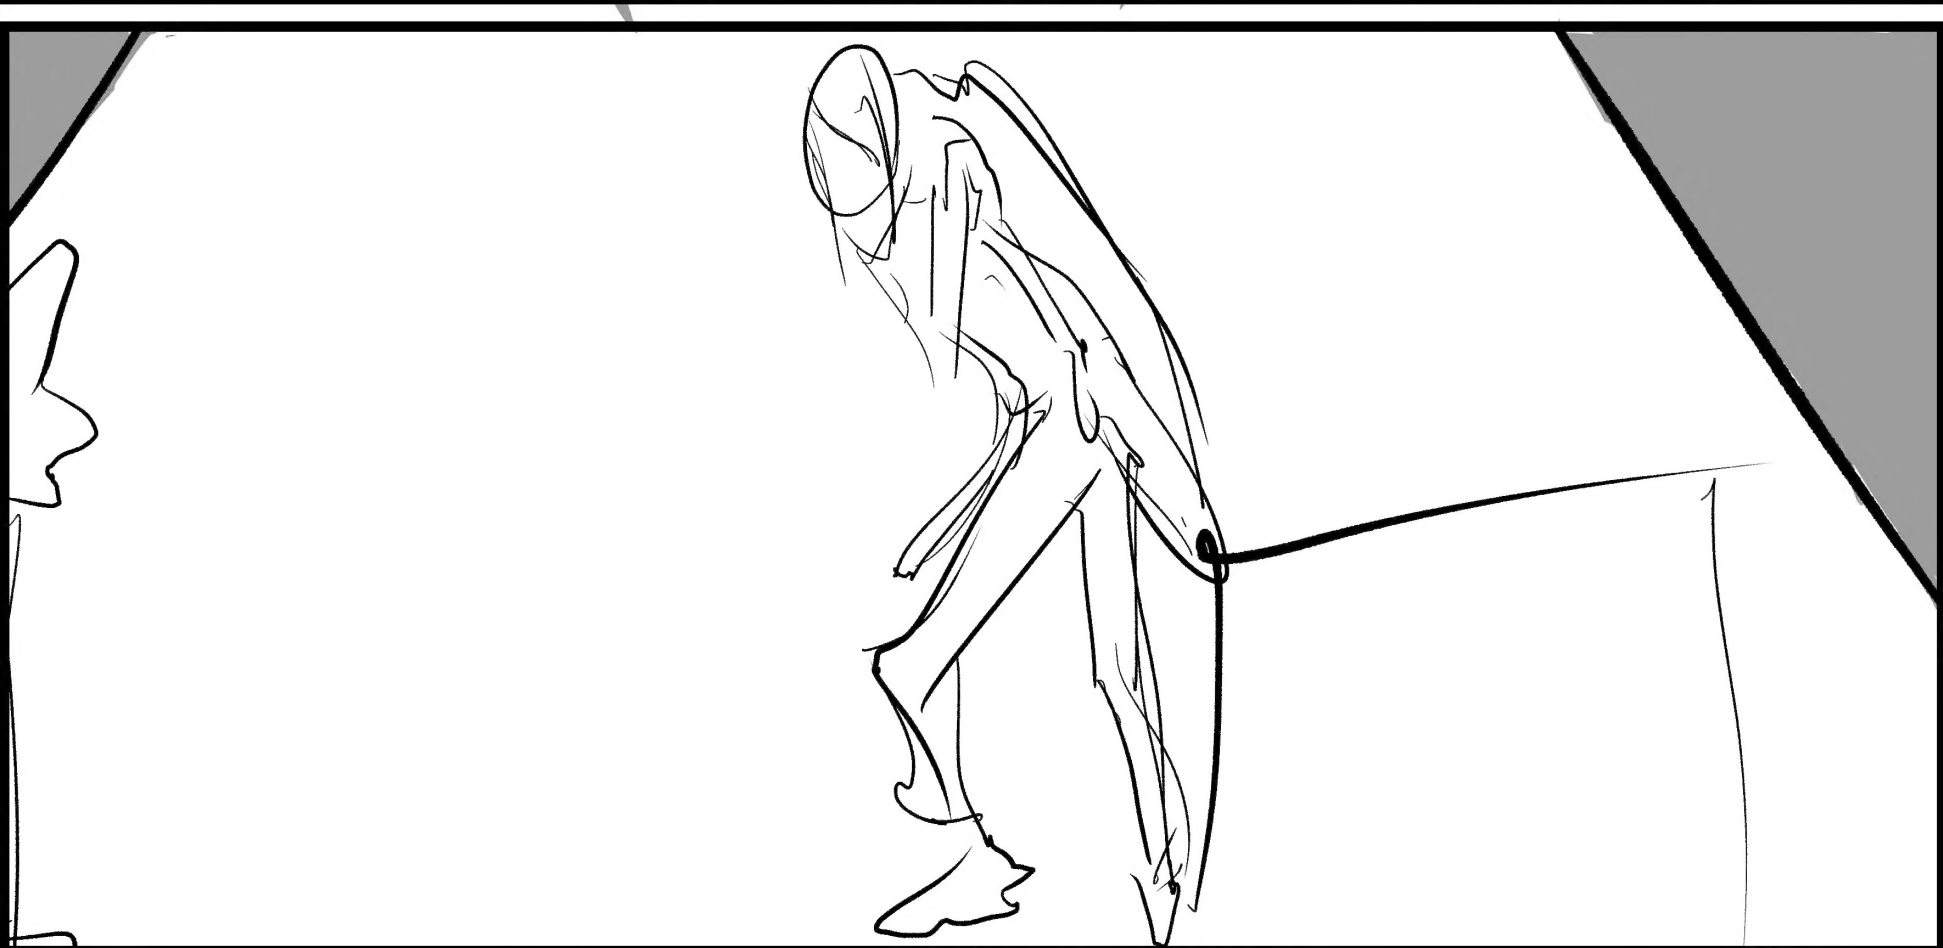

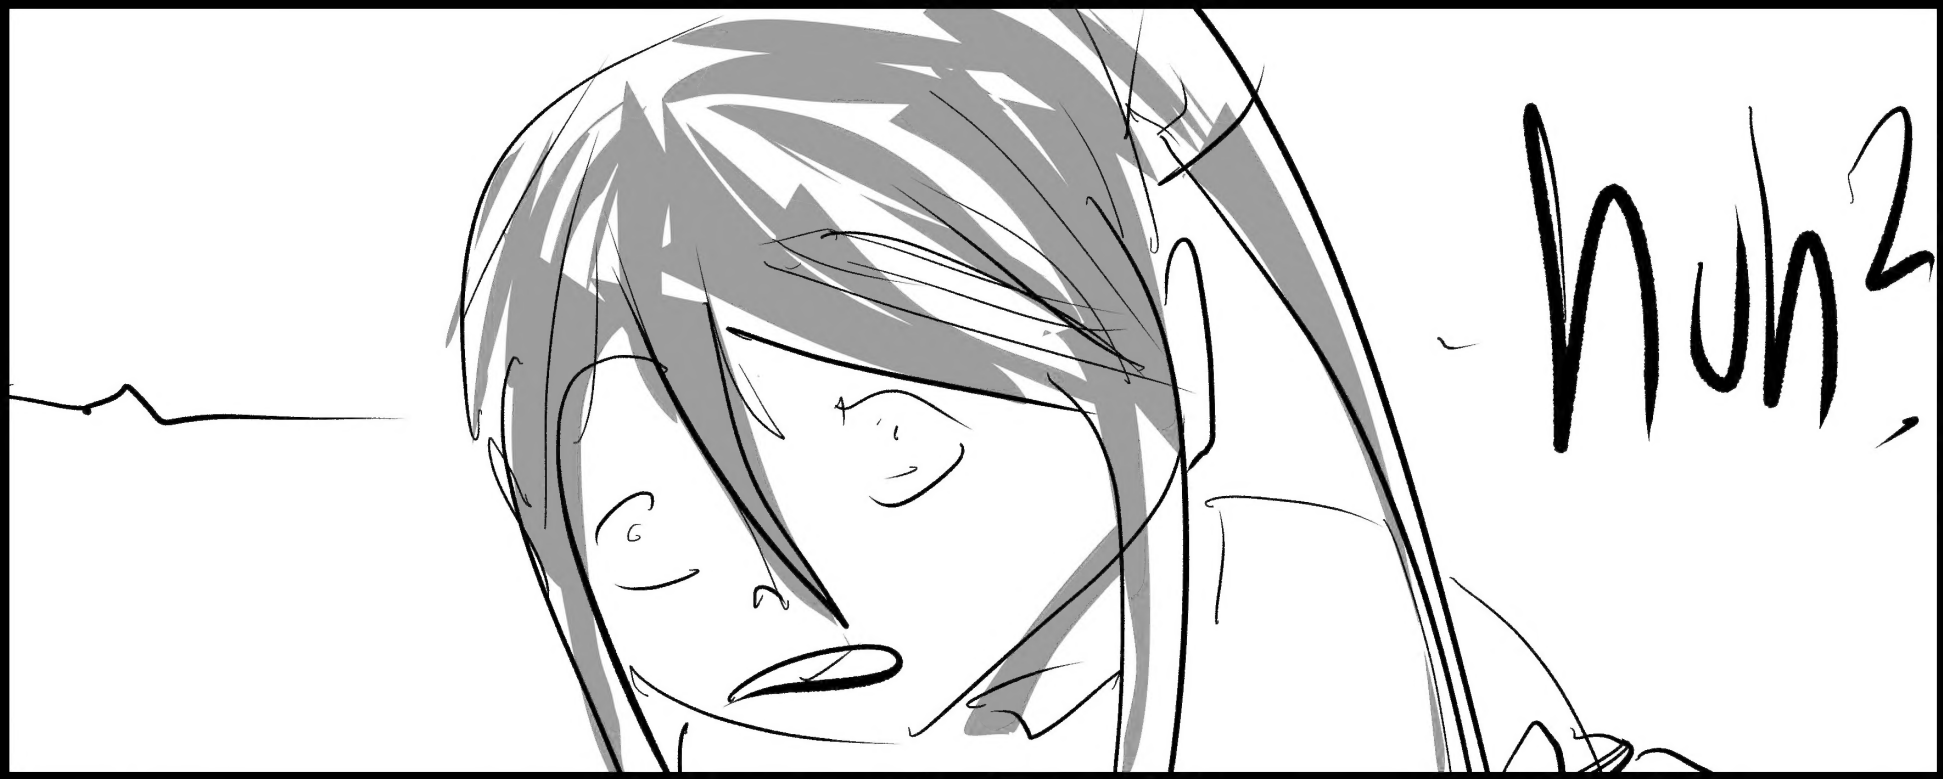

With the state of your mind

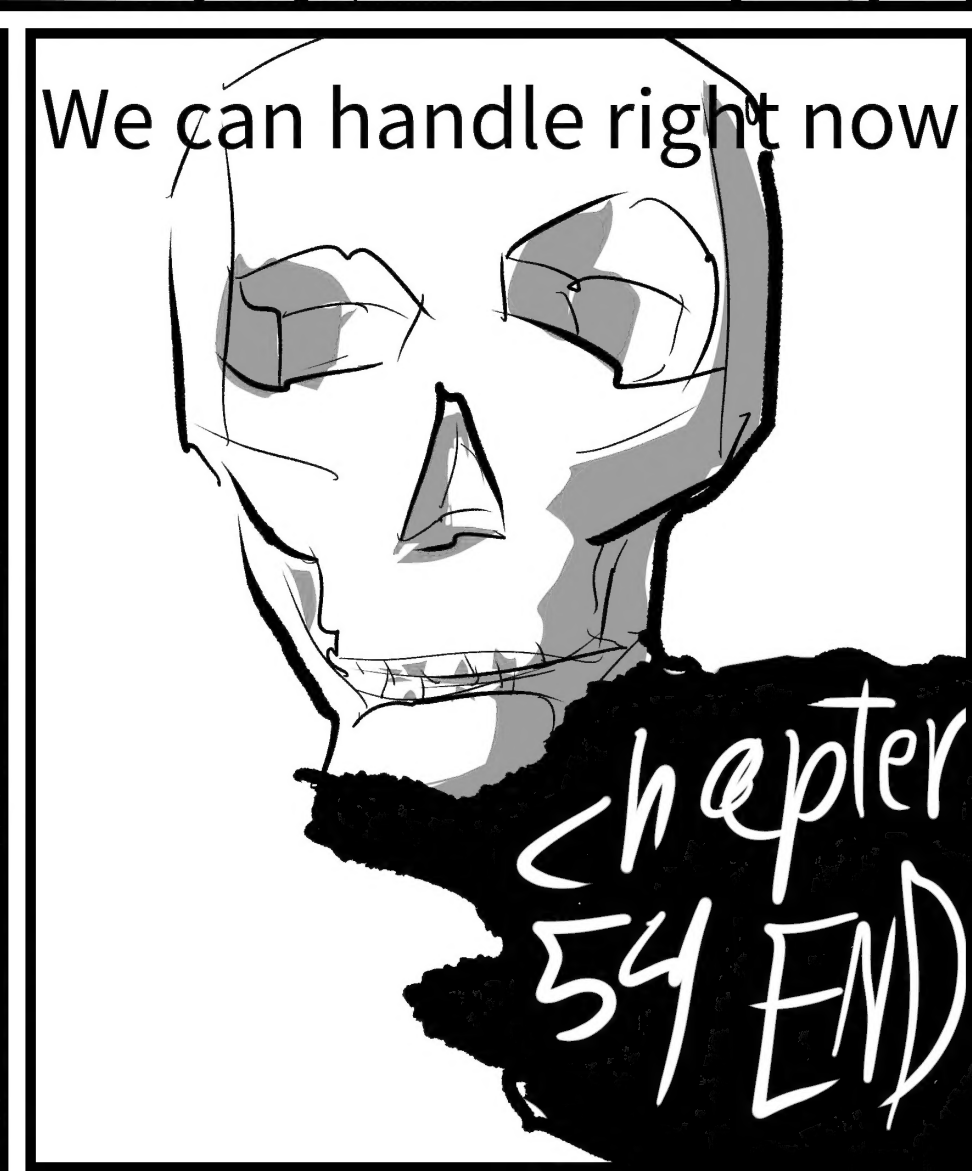

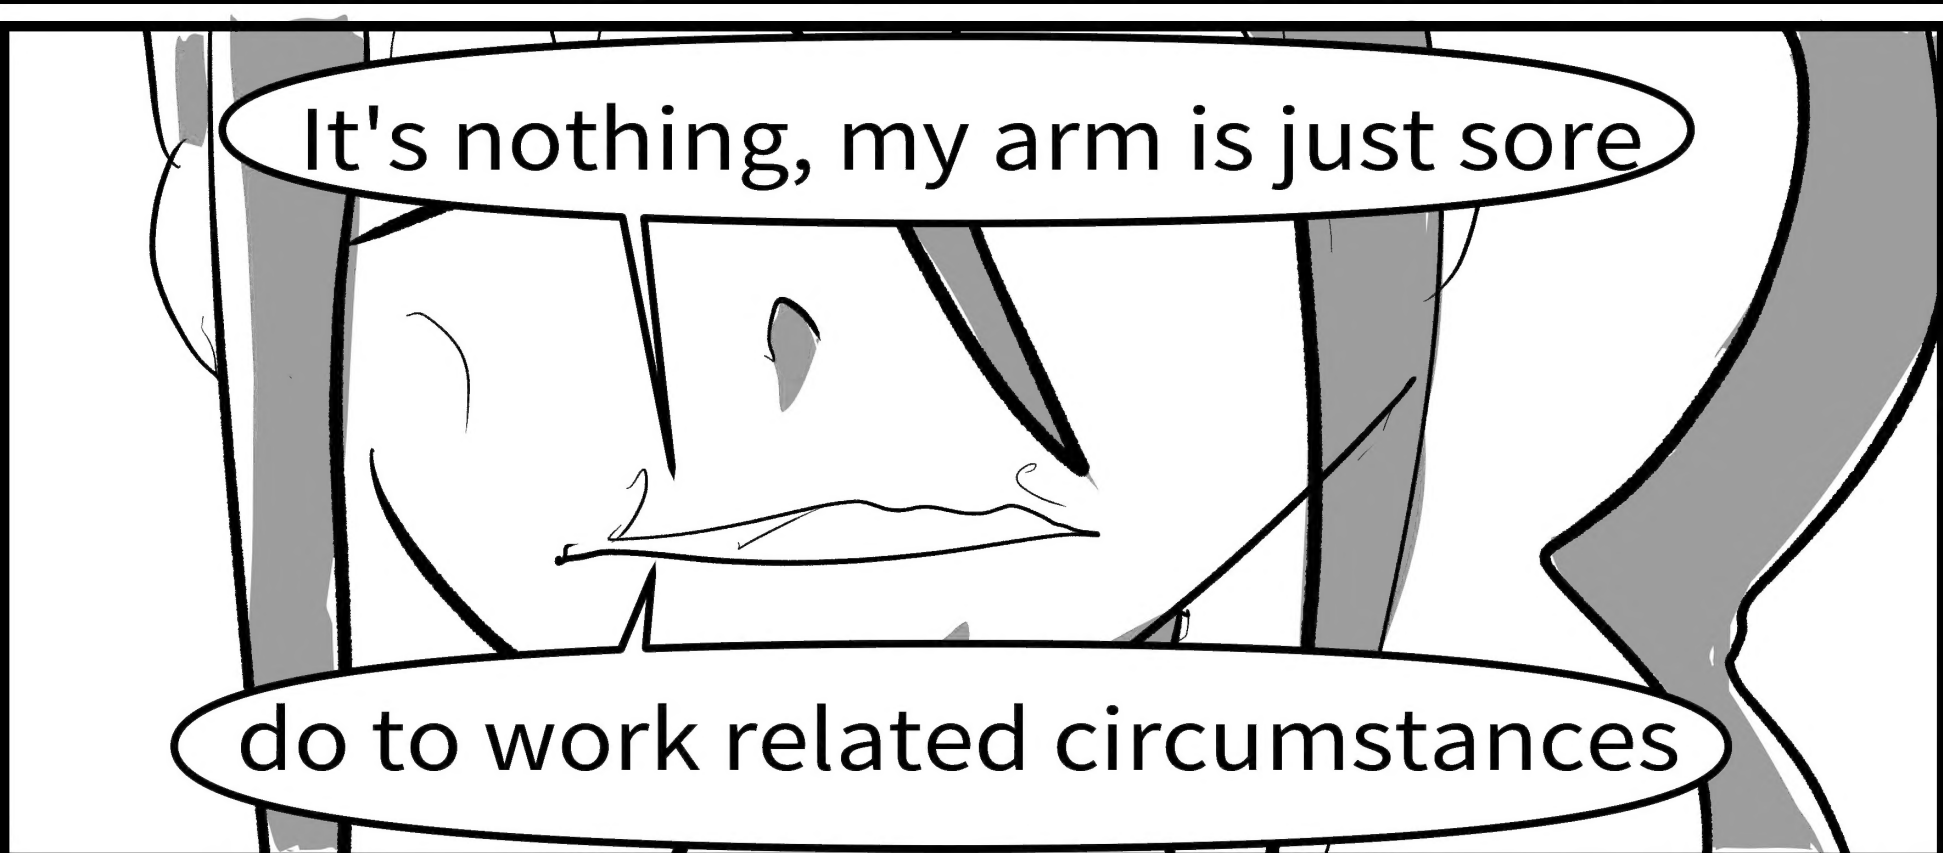

Only I will
